RECEIVED  
BOARD OF SUPERVISORS  
EL DORADO COUNTY

---

Ellen Day, on behalf of the Taxpayers Association of El Dorado County, contacted my office this morning to advise that at their meeting earlier today, the Taxpayers Association voted unanimously to formally oppose Item #39 on the Board of Supervisors January 8, 2008 agenda.

Normally the Taxpayers Association would contact our Board in writing with their position; however, due to circumstances beyond the Association's control, they are unable to provide official written notification in a timely fashion.

Ms. Day expects a member of the Taxpayers Association will be present at tomorrow's Board of Supervisors meeting.
