Re: High-Speed Broadband in California Libraries Grant – Year 6

Dear Ms. Brooks,

This letter constitutes State Library approval of the grant application by the El Dorado County Library in the following amount(s) for the above-named project:

Technology and Hardware funding: \$318,692.99

Total award: \$318,692.99

The grant is effective immediately for the period beginning July 2019 and ending June 2022.

Congratulations on being among the public libraries in California to benefit from this program!

Please work with Christian DeLay, Broadband Project Manager for Califa, who is the administrative and fiscal agent for this project. He may be contacted at cdelay@califa.org. You should expect payment of this grant in whole from Califa.

Periodic narrative and fiscal reports will be required, and forms and instructions will follow shortly. The reports should include how funds were expended and a summary of the progress made in fulfilling grant requirements.

Respectfully yours,
