Purchasing Terms and Conditions

Capture Technologies, Inc. (CTI) shall use all reasonable efforts to perform professional services and deliver all materials associated with the attached quote. If the end user has made any Material modifications without CTI permission and prior written consent, CTI will be under no obligation to provide any service until such time as the issue is resolved within reasonable satisfaction of CTI. Any delay in the performance of any obligations created by the end user or the reseller shall not delay or extend any terms set forth by CTI. If it is determined that any changes to the Quoted hardware and/or software are required, the Customer shall submit a Change Request Form. The customer is still liable in full for any services/hardware/software originally ordered and the terms set forth below.

It is agreed that the seller will retain title to any equipment or material that may be furnished until final payment is made, and if settlement is not made as agreed, the seller shall have the right to remove same, and the seller will be held harmless for any damages resulting from the removal thereof. The customer promise to pay any attorney fees or court costs as may be judged reasonable in the event that any action is taken by an attorney to enforce collection of this account.

Customer promises to pay any attorney fees and court costs reasonably incurred by Capture Technologies in any action taken to enforce collection on this account. Customer further agrees to pay finance charges in an amount equal to 1.5% per month (18% per annum) on any unpaid balance of this invoice after 30 days. Cancellations & or Returns may be subject to a Restocking Fee of up to 25% of Product Purchase Price, plus any labor, installation, engineering and consulting hours expended, charged at Capture Technologies' current rates. If the Equipment was ordered specifically for the Customer and cannot be returned to Capture Technologies' supplier, no cancellation or refund for such Equipment will be allowed.

Quotes Valid for 30 Days, Annual Service Agreements include a \$29.99 annual fuel surcharge

PAYMENT TERMS: Net 45

PRICING: Prices above reflect a 3% cash/check discount; credit card payments will be charged an additional 3%.

Initial Payment: The customer will be invoiced for 50% of the overall quoted amount by CTI on the date the purchase order is generated.

HARDWARE | SOFTWARE | SERVICE AGREEMENT: The Customer will be invoiced an additional 25% of the overall quoted amount by CTI when the equipment is shipped to the work site. If there are customer delays due to factors outside the control of CTI, CTI will have the right to invoice customer.

INSTALLATION AND TRAINING: The Customer will be invoiced by CTI for the balance of the quoted amount (25%) on completion of the project and signature of completion by the customer

CHANGE ORDERS: The Customer will be invoiced by CTI for any Change Order when the product / services are delivered.

PLEASE NOTE: All Capture Technologies invoices are due upon receipt.
