Re: Letter of Resignation  
Tahoe Resource Conservation District

Please accept my resignation effective October 31, 2014 from the Board of Directors of the Tahoe Resource Conservation District.

In the twelve years I have served the District as a Board member it has been very satisfying to work with such a great team of professionals who guide and implement the many conservation programs for the County. I feel confident the District has a bright future and is in the hands of the most qualified staff and volunteers available.

Thank you for the opportunity to serve El Dorado County and the Lake Tahoe Basin in this capacity. I wish the very best for the District in the future.
