9. Summary of qualifications related to group(s) listed above. (What experience or special knowledge do you bring to your area of interest?)

My business of 24 years was primarily residential design/drafting of construction documents for building permits. I've done some commercial projects while working under licensed professionals. I've done my own residential Title 24's for the past 15 years. My specialties were ADA accessibility & energy efficiency.

10. Affiliations with professional and/or community groups:

I was an active member of The Builder's Exchange, prior to it merging with Placer County, representing it at County BOS meetings and local home shows. I've served as President (& VP) of Placerville Preschool and the Diamond Springs Estates Homeowner's Assoc.

11. Why do you seek appointment?

I have recently retired, but believe I still have my experience and knowledge of the industry to offer. My career was one of passion for helping families achieve the home of their dreams. My experience with commercial permits can benefit the smaller developer that may feel overwhelmed by rules, regulations & red-tape. I think I can help.
