Why do you seek appointment? Since retiring from the Army I have served the veterans living in EI Dorado County. I have lived in the county 38 years. I have served on the EI Dorado County Veterans Commission for ten years. I moved from District II to District IV and I would like to apply for the vacant seat as the alternate. It is my intention to continue to serve the veterans of our county. I weekly visit hospitalized veterans at Marshall Medical Center. I am called upon by various veteran organizations and families to provide chaplain services by officiating at funerals, memorials, and offering invocations at veteran ceremonies. It is my desire to serve the veterans in EI Dorado County as much as I can.			
Additional Information I served as the chaplain for the Eldorado County Sheriffs Office 1993 to 2016. I additionally served as a Reserve Deputy. I started the chaplains program for Snowline Hospice and worked for them twenty years. I started the first paid chaplains program at Marshall Medical Center and retired after serving them for 26 years. My desire is to serve the needs of our county and to be especially available to the military veterans living in EI Dorado County.
