AGREEMENT FOR SERVICES #469-S0910

THIS AGREEMENT made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and South Tahoe Area Transit Authority, a public agency, duly qualified to conduct business in the State of Nevada, whose principal place of business is 128 Market Street (Mailing: P.O. Box 5310), Stateline, NV 89449; (hereinafter referred to as "Contractor");

WITNESSETH

WHEREAS, County has determined that it is necessary to obtain a Contractor to provide "as requested" bus transportation services for clients of the Department of Human Services ("DHS") in the South Lake Tahoe area; and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

WHEREAS, County has determined that the provision of these services provided by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor shall furnish personnel, equipment, services and bus passes as necessary to provide "as requested" ground/bus transportation services to the Tahoe basin under the marketing name BlueGO for DHS clients in the South Lake Tahoe area. The number of passes to be issued shall be determined on a month-to-month basis as mutually agreed between DHS and Contractor. Contractor shall provide DHS with bus passes at the beginning of each month. Each client's caseworker shall assess their individual client's need to use Contractor's services and, upon approval by the appropriate DHS staff, a bus pass or passes shall then be provided to client for client's use.

ARTICLE II

Term: This Agreement shall become effective when fully executed by all parties hereto and shall cover the period of November 1, 2008 through October 31, 2011.

ARTICLE III

Compensation for Services: For services provided herein, County agrees to pay Contractor monthly in arrears.

Passes that have been purchased but have been not been used shall be returned to Contractor by DHS at no additional charge each month and shall be exchanged for current passes. For the purposes of this Agreement, the billing rates shall be in accordance with Exhibit "A", marked "BlueGO Fare Media Order Form", incorporated herein and made by reference a part hereof.

Invoices shall be issued by and remitted to Tahoe Regional Planning Agency on behalf of Contractor in accordance with Exhibit "B", marked "TAHOE REGIONAL PLANNING AGENCY", incorporated herein and made by reference a part hereof. Invoices shall be submitted monthly and no later than fifteen (15) days following the end of a "service month." For billing purposes, a "service month" shall be defined as a calendar month during which Contractor provides services in accordance with ARTICLE I - Scope of Services.

Payment shall be made within forty-five (45) days following County's receipt and authorization of approved invoice(s). Contractor shall submit only original invoices. Photocopied or faxed invoices shall not be accepted.

The total amount of this Agreement shall not exceed \$90,000.00 for the stated period.

ARTICLE IV

Conflict of Interest: Contractor attests that it has no current business or financial relationship with any County employees or other County providers that would conflict with this Agreement and shall not enter into any such business or financial relationship with any such employees or providers during or following the period of this Agreement.

ARTICLE V

Compliance with All Federal, State and Local Laws and Regulations: Contractor shall comply with all Federal, State and local laws including, but not limited to, the Americans with Disabilities Act (ADA) of 1990 (42 USC 12101 et. seq.) and California Government Code Sections 11135-11139.5, and all regulations, requirements, and directives pertinent to its operations. Contractor shall abide by manuals, directives and other guidance issued by the State of California. All appropriate manuals and updates shall be available for review or reference by Contractor from the County Department of Human Services.

Contractor shall further comply with all applicable laws relating to wages and hours of employment and occupational safety and to fire, safety and health and sanitation regulations. Such laws shall include, but not be limited to, the Copeland "Anti-Kickback" Act, the Davis-Bacon Act, the Contract Work Hours and Safety Standards Act, the Clean Air Act and amendments, the Clean Water Act and amendments, and the Federal Water Pollution Control Act.

Contractor further warrants that it has all necessary licenses, permits, notices, approvals, certificates, waivers and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, the State of California, the County of El Dorado, and all other appropriate governmental agencies and shall maintain these throughout the term of the Agreement.

ARTICLE VI

Nondiscrimination: Assurance of compliance with the El Dorado County Department of Human Services nondiscrimination in State and Federally assisted programs requirements as follows:

Contractor hereby agrees that they shall comply with Title VI and VII of the Civil Rights Act of 1964 as amended; Section 504 of the Rehabilitation Act of 1973 as amended; the Age Discrimination Act of 1975 as amended; the Food Stamp Act of 1977, as amended, and in particular Section 272.6; Title II of the Americans with Disabilities Act of 1990; California Civil Code Section 51 et seq., as amended; California Government Code section 11135-11139.5, as amended; California Government Code section 12940 (c), (h) (1), (i), and (j); California Government Code section 4450; Title 22, California Code of Regulations section 98000 – 98413; Title 24 of the California Code of Regulations, Section 3105A(e); the Dymally-Alatorre Bilingual Services Act (California Government Code Section 7290-7299.8); Section 1808 of the Removal of Barriers to Interethnic Adoption Act of 1996; and other applicable Federal and State laws, as well as their implementing regulations [including 45 Code of Federal Regulations (CFR) Parts 80, 84 and 91, 7 CFR Part 15, and 28 CFR Part 42], by ensuring that employment practices and the administration of public assistance and social services programs are nondiscriminatory, to the effect that no person shall, because of ethnic group identification, age, sex, color, disability, medical condition, national origin, race, ancestry, marital status, religion, religious creed, or political belief, be excluded from participation in or be denied the benefits of, or be otherwise subject to discrimination under any program or activity receiving Federal or State financial assistance; and hereby give assurance that it shall immediately take any measures necessary to effectuate this Agreement.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal and State assistance; and the Contractor hereby gives assurance that administrative methods/procedures which have the effect of subjecting individuals to discrimination or defeating the objectives of the California Department of Social Services (CDSS) Manual of Policies and Procedures (MPP) Chapter 21, shall be prohibited.

Contractor and County Representative shall, with oversight from the County's Civil Rights Coordinator, develop and implement a plan to allow County to monitor Contractor's non-discrimination and civil rights policies and procedures, as required by the CDSS. Monitoring shall include, but is not limited to: accommodation of individuals with hearing impairments, visual impairments and other disabilities; appropriate language services, including bilingual interpreters available to provide services and how written information is effectively communicated to individuals requiring accommodations; procedures for informing participants and potential participants of their civil rights, adequate Contractor staff training in the civil rights and cultural awareness requirements of Division 21; and procedures on informing participants or potential participants of their civil rights.

By accepting this assurance, the Contractor agrees to compile data, maintain records, and submit reports as required, to permit effective enforcement of the aforementioned laws, rules and regulations, and permit authorized CDSS and/or Federal government personnel, during normal working hours, to review such records, books, and accounts as needed to ascertain compliance. If there are any violations of this assurance, CDSS shall have the right to invoke fiscal sanctions or other legal remedies in accordance with Welfare and Institutions Code Section 10605, or Government Code section 11135-11139.5, or any other laws, or the issue may be referred to the appropriate Federal agency for further compliance action and enforcement of this assurance.

This assurance is binding on the Contractor directly or through contract, license, or other provider services, as long as it receives Federal or State assistance.

ARTICLE VII

Access to Records: The Contractor shall provide access to the Federal, State or local Contractor agency, the Controller General of the United States, or any of their duly authorized Federal, State or local representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this specific Agreement for the purpose of making an audit, examination, excerpts and transcriptions.

ARTICLE VIII

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

//

//

ARTICLE IX

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE X

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE XI

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE XII

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County shall adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XIII

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires. Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired.
- B. **Bankruptcy:** This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part seven (7) calendar days upon written notice by County for any reason. If such prior termination is effected, County shall pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XVI

Insurance: Contractor shall provide proof of a policy of insurance satisfactory to the El Dorado County Risk Manager and documentation evidencing that Contractor maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Contractor as required by law in the State of California.

For the purposes of this Agreement professional liability is not required.
- E. Contractor shall furnish a certificate of insurance satisfactory to the El Dorado County Risk Manager as evidence that the insurance required above is being maintained.

New certificates of insurance are subject to the approval of the Risk Management Division and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event the Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
 - 1. The insurer shall not cancel the insured's coverage without thirty (30) days prior written notice to County, and;
 - 2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, but only insofar as the operations under this Agreement are concerned. This provision shall apply to all liability policies except workers' compensation and professional liability insurance policies.
- I. The Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees, and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.
- N. In the event Contractor cannot provide an occurrence policy, Contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. Certificate of insurance shall meet such additional standards as may be determined by the contracting County Department either independently or in consultation with the Risk Management Division, as essential for the protection of the County.
