El Dorado Charter SELPA

The Charter Special Education Local Plan Area (SELPA), is a statewide educational organization governed by representatives from member charter schools.

We partner with our member schools to ensure excellent educational opportunities for students with disabilities in charter schools. Each partner is committed to meeting the educational needs of children, their families, and educators.

What are critical and emerging issues impacting education today?

We are at a unique junction in education

- Advanced Technology
- Fiscal Challenges and Declining Enrollment
- Climate and Public Health Challenges
- School Safety
- Student Learning and Well-Being
