**PURPOSE**

The purpose of this policy is to establish uniform travel and business expense reimbursement policies, rules and claim procedures for persons authorized to conduct County business. This policy applies to all County officers and employees, members of legislative or advisory bodies established by the Board (salaried or not), volunteers, contractors, and consultants traveling on County business when authorized under the terms of this policy. For ease of reference, the Travel Policy is presented in the following sections:

- I. General Policy
- II. Authorization to Travel
- III. Transportation Expenses
- IV. Meal Expenses
- V. Lodging Expenses
- VI. Advance Payments
- VII. Compliance – Responsibility of Claimant

## BOARD OF SUPERVISORS POLICY

Subject:  Travel	Policy Number:  D - 1	Page Number:  2 of 13
	Date Adopted: 12/22/1987	Effective Date: 12/22/1987

### I. GENERAL POLICY:

Pursuant to Board of Supervisors Policy B-1, "Budget Control and Responsibility", it is the primary responsibility of department heads to maintain their departments' expenditure levels within the Board approved budget. In accordance with this responsibility, department heads shall have broad discretion and authority related to travel activities and expenses for their departmental employees, contractors, and consultants subject to the provisions of this policy.

- A. County officers and employees should not suffer any undue loss when required to travel on official County business, nor should said individuals gain any undue benefit from such travel.
- B. Travel shall be authorized only when the travel is in the best interest of the County.
- C. County officers or employees compelled to travel in the performance of their duties and in the service of the County shall be reimbursed for their actual and necessary expenses for transportation, parking, tolls, and other reasonable incidental costs, and shall be reimbursed within maximum rate limits established by the Board of Supervisors for lodging, meals, and private auto use.
- D. Contractors and consultants may be reimbursed in accordance with this policy when such reimbursement is authorized pursuant to an agreement for services.
- E. Travel arrangements should be as economical as practical considering the travel purpose, , timeframe available to accomplish the travel mission, available transportation and facilities, and time away from other duties.
- F. Forgoing one allowable expense is not an acceptable justification for exceeding the allowable reimbursement for another expense. For example, carpooling when not required to do so shall not be justification for reimbursement for a more expensive parking option.
- G. In the event there is a question regarding compliance with this Policy, the Chief Administrative Officer (CAO) shall be responsible for interpreting this Policy and shall make the final determination regarding compliance.
- H. The CAO or designee may authorize an exception to requirements set forth in this Travel policy, upon written request by the appropriate, responsible department head. Any granted exception is to be applied on a case-by-case basis and does not set a precedent for future policy unless it has been formally adopted by the Board of Supervisors.

Subject:  Travel	Policy Number:  D - 1	Page Number:  3 of 13
	Date Adopted: 12/22/1987	Effective Date: 12/22/1987

- I. This policy does not apply to meal or travel costs related to inmates, juvenile wards, or Health and Human Services clients.. Such costs may be authorized at the department head's discretion and claimed through normal claiming procedures.
- II. Authorization to Travel
  - A. General Conditions
    1. Except as otherwise provided in this policy, advance authorization is required for travel.
    2. Where department head approval is required, that approval may not be delegated unless specifically stated.
      - (a) Annually, at the beginning of the fiscal year, each department shall provide the CAO and Auditor-Controller with a list of employees who are authorized to approve travel requests, and shall inform both offices of any changes to the list throughout the year.
    3. Travel by non-County personnel, excluding volunteers, must be approved by the department head responsible for the expense. Travel by volunteers may be authorized in the same manner as travel by County employees.
  - B. In-County Travel
    1. No specific written advance approval is required for in-County travel for activities that are considered a part of the routine, day-to-day operations of the department, as defined and authorized by the department head or designee, and in-County travel which does not require overnight lodging.
    2. In-county overnight travel requires advance written authorization by the department head or designee.
  - C. Out-of-County Travel
    1. All overnight travel outside of the County by anyone except members of the Board of Supervisors and the Board Members' immediate staff requires advance written authorization by the department head or designee.   - (a) Travel by law enforcement personnel in the performance of law enforcement activities including but not limited to extraditions and investigations.

### III. Transportation Expenses

#### A. General Conditions

1. Transportation expenses are the direct costs related to movement of the traveler from the authorized point of departure to the destination of travel and back to the authorized point of return.
2. All transportation expenses incurred shall be based upon the most efficient, direct, and economical mode of transportation available.
3. Whenever a time frame is established as criteria for eligibility for claiming reimbursement, estimated travel time shall be based upon legal vehicle speed limits, volume of traffic, and weather conditions in effect at the time of travel.

#### B. Vehicle Transportation

Vehicle use (both County-owned and private) by authorized travelers during the conduct of official County business is subject to Board of Supervisors Policy D-4: County Vehicle Use-Privately Owned and County Owned Vehicles.

##### 1. Private Vehicle

The use of private vehicles is discouraged. The use of a County fleet vehicle is preferred; however, reimbursement for use of a private vehicle, when such use has been authorized by the department head or designee, may be reimbursed subject to the following:

- (a) Travel by private vehicle will be reimbursed at the IRS rate for business use of a personal vehicle in effect in the County at the time of travel. This mileage reimbursement rate shall be

considered to be full reimbursement for all costs in use of the private vehicle, except for reasonable costs for snow chain installation and removal.

- (b) If air travel would be less costly but the County Traveler prefers to drive, the County will reimburse the traveler for transportation costs equal to what the cost of air travel would have been, including airfare, shuttle, car rental, mileage to the airport, and other costs determined to be reasonable by the department head or designee; transportation costs over and above that amount, as well as any extra days of lodging, meals and incidentals incurred as a result of the decision to drive will be considered a personal, not reimbursable cost of the traveler.
- (c) Authorized travelers may not claim mileage for business use of a private vehicle in the following instances:
  - 1. When the traveler is riding with someone who will be claiming reimbursement for the vehicle's use from the County or another source;
  - 2. When the traveler has been assigned a County Vehicle for home retention (excluding law enforcement vehicles, whether marked or unmarked), or is receiving an allowance or lump sum for mileage, unless specifically provided for in the terms of their agreement or contract with the County or by Board resolution.
- (d) County employee mileage to the regular place of work from home, and back, is considered commuting and may not be claimed.
- (e) County employee mileage to a temporary work location from home, and back, is considered commuting and may not be claimed except in the following cases:
  - 1. If the County employee is required to report to the regular place of work before reporting to the temporary work location, he or she is eligible for mileage from the regular place of work to the temporary work location; and
  - 2. If the County employee is required to report to the regular place of work after working at the temporary work location and before going home, he or she is eligible for mileage from the temporary work location to the regular place of work.

- (f) Mileage in conjunction with authorized County travel to and from the authorized destination shall be based on the distance to the destination from the traveler's home or the regular place of work, whichever is shorter, except in any the following cases:
1. If the traveler is required to report to his or her regular work location before leaving, he or she is eligible for mileage to the authorized destination from the work location;
  2. If the traveler is required to report to his or her regular work location before returning home, he or she is eligible for mileage based on the distance from the authorized destination to the work location;
  3. If the traveler is in "on-call" status and is called back to work, the traveler is eligible for mileage reimbursement based on the distance from the traveler's home to the work location
2. County Vehicle Transportation
- (a) Travelers using a County vehicle for traveling shall not be eligible for reimbursement for mileage.
  - (b) Travelers required to fuel a County vehicle at their own expense due to the unavailability of a county-authorized fueling site, or for other reasons deemed justified by the department head or designee, may be reimbursed for the actual fuel costs subject to presentation of receipt(s).
  - (c) If the County vehicle experiences mechanical failure, the traveler shall follow the rules set forth by Fleet Management.
3. Rental Vehicle Transportation
- (a) Vehicles may be rented for transportation at the destination point when the traveler travels to the destination via commercial common carrier and the cost of the rental will be less than the charge for shuttle or taxi service to and from the carrier termination point to the function or hotel accommodations.
  - (b) Vehicles may be rented for transportation to the destination point when the cost of the rental will be less than other reasonable and available modes of transportation.
  - (c) If more than one traveler from the same department is traveling to the same function, only as many rental vehicles as are needed to accommodate all travelers may be claimed.

	Date Adopted: 12/22/1987	Effective Date: 12/22/1987

- (d) The traveler shall choose the least expensive size and mileage limits appropriate to the use required, as determined by the department head or designee. Rental cars shall be refueled prior to return to the rental agency to reduce cost to the County, except when the traveler is escorting a person who is under County supervision by an employee of the Sheriff's Office, the District Attorney's Office, the Public Defender's Office, the Probation Department, or Health and Human Services Agency
  - (e) Rental cars shall be returned to the renting location and on time to avoid additional charges.
  - (f) The traveler shall waive additional vehicle insurance provided by the rental company.
4. Commercial Carrier Transportation
- (a) Travelers shall seek and attempt to use the lowest rates available for the type of commercial carrier service being utilized. Whenever possible, travelers should take advantage of flight arrangements that minimize County cost (for example, purchasing a round trip ticket may be less expensive than two one-way tickets). No reimbursement will be provided for travel agent fees, unless the use of such services is a requirement to conduct County business.
  - (b) Claims for travel via commercial carrier shall be limited to the actual cost of travel at economy rates. A traveler may upgrade a ticket; however, the difference in cost for such upgrade, including upgrades to allow early check-in, is the responsibility of the traveler. The County will not reimburse any type of travel insurance unless the department head requests the traveler to purchase cancellation coverage. Reasonable baggage charges, if imposed by the airline, on the first checked bag are reimbursable. The department head or designee may authorize additional baggage fees when employees are required to travel with equipment that is required to perform their duties, and which must be checked.
  - (c) Travelers may retain frequent flyer and hotel rewards and similar program benefits. However, participation in these programs must not influence flight or hotel selection, which would result in incremental cost to the County beyond the lowest available cost unless the difference is paid by the traveler. Free tickets or cash allowances for volunteering to be denied timely boarding may be retained by the traveler but no additional cost to the County or interruption

of County work is allowed and any additional time required to complete the trip shall be considered personal time.

- (d) If travel plans change, requiring a ticket change that incurs a fee and/or fare increase, reimbursement for such costs will be provided only if it can be demonstrated that the change was in the best interest of the County or was necessary to avoid undue burden on the traveler. Such reimbursement shall be subject to department head approval.
- (e) If credits are issued by airlines for non-refundable tickets due to canceled travel, the department shall be responsible for tracking these credits and using them for subsequent employee travel.

### 5. Other Transportation Expenses

- (a) The following necessary transportation expenses may be claimed at actual cost when directly related to transporting the traveler to and from the business destination point:
- (i) Taxi, rideshare services, shuttle, ferry, or public transit fares;
  - (ii) Parking fees
    - Airport long-term parking is preferred for travel exceeding 24 hours. Department head approval is required for alternate parking arrangements that are necessary due to safety concerns or to ensure the security of county vehicles and equipment. A traveler choosing alternate parking without department head approval will be reimbursed at the long-term parking rate.
    - Valet parking will only be reimbursed if it is required by the lodging venue. If a traveler chooses valet parking due to safety concerns or security of county vehicles and equipment when other, less expensive options are available, reimbursement will be subject to department head approval.
  - (iii) Bridge or road tolls (actual cost, not including penalties or fees);
  - (iv) Reasonable costs for snow chain installation and removal; and
  - (v) Other actual transportation expenses determined to be reasonable and necessary by the department head or designee.
- (b) The following transportation expenses may not be claimed:

#### IV. Meal Expenses

##### A. Eligibility for Meal Expense Reimbursement

1. Meal expenses, within maximum allowable rates set forth herein, may be reimbursed for out-of-county travel, and for in-County overnight travel.
2. Generally, meals will not be provided for in-County travel; however, a department head (required for non-county personnel) or designee (for county personnel and volunteers) may approve meals for in-County travel or other activities under special circumstances, which may include, but not be limited to, the following:
  - a. Employees and volunteers are participating in a Search and Rescue mission or training exercise;
  - b. An employee from one slope of the county is required to spend all or part of the workday on the other slope, subject to the provisions of section IV.A.5 of this policy.
  - c. Contractors, consultants, or employees from other agencies are assisting with a county recruitment by serving on an interview panel;
  - d. Employees, volunteers, and employees of other agencies are working in the Emergency Operations Center during an emergency.
3. Travelers on out-of-County business travel that requires overnight lodging are eligible to claim reimbursement for meals taken out-of-County. Reimbursement for full days (at least 12 hours) of travel shall be provided as a per diem lump sum, which covers all meals taken by the traveler for each full day. The per diem rate shall be equal to the maximum federal per diem meal and

incidental expenses (M&IE) rate established by the General Services Administration (GSA). The per diem rate includes taxes and gratuities.

4. For out-of-County business that is conducted on one business day, if the traveler's actual time for the day is estimated to equal or exceed 12 hours (including work time, the lunch period and round-trip travel time), the traveler is eligible to receive the full per diem reimbursement amount for that day.
5. For partial days (less than 12 hours) spent on out-of-County travel, whether or not lodging is included, individual meals may be claimed in accordance with the following guidelines:
  - (a) Breakfast, when travel time begins two hours or more before the start time for the traveler's regular work schedule for that day;
  - (b) Lunch, when travel time:
    - (i) ends five or more hours past the start time of the traveler's regular work schedule for that day (example: a traveler whose regular schedule is 8:00 a.m.-5:00 p.m. returns from travel after 1:00 p.m.); or
    - (ii) begins five or more hours before the end time of the traveler's regular work schedule for that day (example: a traveler whose regular schedule is 8:00 a.m.-5:00 p.m. leaves for a trip before 12:00 p.m.).
  - (c) Dinner, when travel time extends two hours or more past the end time for the traveler's regular work schedule for that day.
6. Reimbursement rates for individual meals shall be at the individual meal rate for that individual meal as established by the GSA.
7. Reimbursement may exceed the prescribed individual meal rate if the meal is being served as a part of the authorized event and the cost of the meal is itemized separately from the event's registration or attendance fees. For example, the registration fee for a multi-day conference includes lunches but an optional dinner is offered on one night at an additional cost.
8. Reimbursement may exceed the prescribed individual meal rate when a group meal is provided, and when approved by the department head or designee. Examples include meals provided to

Search and Rescue volunteers working on a mission or training exercise and meals provided to emergency workers.

9. Unless specifically approved by the department head or designee, a traveler may not claim reimbursement for any meal which is provided, or otherwise available, to the traveler as part of the function, whether or not there is an actual charge for the meal. For example, if lunch is provided at the function, the traveler may not claim a per diem allowance or request reimbursement for eating elsewhere. Receipts will be required for reimbursement of alternate meals authorized by the department head or designee. For purposes of this section, continental breakfast and breakfast included in lodging rates and meals provided during airline or other commercial carrier travel do not constitute provided meals and shall not be deducted from the per diem allowance.
10. A traveler may not claim reimbursement for a meal that was paid for by someone else.
11. As required by California Government Code 53232.2 Board of Supervisors members must provide receipts for all meals and will be reimbursed at the appropriate per diem amount or the actual expense, whichever is less.

### V. Lodging Expenses

#### A. Eligibility for Lodging

1. Travelers are not eligible to claim reimbursement for lodging for in-County travel, unless authorized by a department head or designee when assigned activities require the traveler to spend one or more nights in an area of the County that is distant from their place of residence (e.g., western slope County Employee assigned to 2-day activity in South Lake Tahoe).
2. For out-of-County business that is conducted on one business day, if the traveler's actual time for the day is estimated to equal or exceed 12 hours (including work time, the lunch period and round-trip travel time), then the traveler will have the option of securing one night's lodging at either the beginning or end of the trip. Illustration: A County Employee who resides in South Lake Tahoe is required to attend a one-day business meeting in Sacramento. The County employee estimates that the total time for the day without obtaining lodging would be 14 hours (8 hours of meetings, 1 hour for lunch and 5 hours for round-trip travel). The employee will have the option

of securing one night's lodging in Sacramento, either the night before the meeting, or after conclusion of the meeting.

3. Travelers are not eligible to claim reimbursement for lodging costs when staying overnight as a guest of friends or relatives.
4. Lodging expenses shall be claimed at either the actual cost of the lodging (limited to the single occupancy rate for a single room) or the County's maximum lodging rate (Federal Per Diem Rate established by GSA), whichever is less. Taxes and resort fees are in addition to the Federal Per Diem Rate.
5. Lodging costs may exceed the County's maximum lodging rate in the following situations:
  - (a) The authorized event is to be held at the particular hotel or events are scheduled for evening hours, or
  - (b) The CAO has given advance written authorization.
6. Except when registering for lodging at a pre-arranged group rate in conjunction with a conference or meeting, County Travelers shall request the government rate or lowest available eligible rate when making lodging arrangements.
7. Travelers are responsible for canceling hotel rooms before the cancellation period ends and should record the cancellation number in case of disputes. Travelers will not be reimbursed for "no-show" hotel charges unless there are unavoidable reasons for not canceling the room and the department head has determined that the reasons are valid.

### VI. Advance Payments

After travel has been authorized, departments are encouraged to pre-pay expenses, to the extent feasible, using a County credit card, and to provide travelers with County credit cards (subject to credit card use policy) when traveling; however, when this option is not available or practical, an advance may be requested.

- A. The Auditor may provide advance funds for estimated "out of pocket" expenses up to seventy-five percent (75%) Advances will not be issued in amounts less than \$100 or more than \$1,000. The "out of pocket" expenses may include per diem allowances, individual meals, taxi and public

transportation, lodging, parking, and registration costs, but does not include mileage reimbursement for the use of a personal vehicle.

  - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
    - (1) Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
    - (2) disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
    - (3) Disclose PHI as necessary for BA's operations only if:
      - (a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
        - (i) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and,
        - (ii) The third party will immediately notify BA of any breaches of confidentiality of PHI to extent it has obtained knowledge of such breach.
    - (4) Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
    - (5) Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
    - (6) De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
  - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
3. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
- A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with 45 CFR 164.308,164.310,164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
  - C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
  - D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.
4. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:
- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
  - B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
  - C. To assist the County in meeting its disclosure accounting under HIPAA:
    - (1) BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if know, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy

of the individual's authorization, or a copy of the written request for disclosure.

- (2) Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.

- D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary") , BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.

5. Obligations of County.

- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
- D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
  - (1) Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
  - (2) Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
  - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.

- C. Effect of Termination.
  - (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.
  - (2) In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

7. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
  - E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
8. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
  9. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
  10. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
  11. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
