RE: Letter of Commitment for Sustainable Communities Planning Grant and Incentives Program – Meyers Sustainable Mobility Plan

Dear Ms. Marchetta:

El Dorado County (County) offers this letter of commitment for the Meyers Sustainable Mobility Plan (MSMP). The MSMP is submitted as part of the Tahoe Metropolitan Planning Organization's (TMPO) grant application for its Project entitled "Lake Tahoe Sustainable Communities Program in Action" under the Sustainable Communities Planning Grant and Incentives Program (Grant Program). The MSMP will help the County implement the Meyers Area Plan by creating concept-level preferred design alternatives for the Meyers town center in South Lake Tahoe, CA.

The County is requesting \$250,000 under the Grant Program in order to complete the Work Plan for the MSMP. The County will commit either \$25,000 of cash match, or \$12,500 of cash match and \$12,500 of in-kind match to meet the 10% cash and in-kind match requirement.

Should you have any questions regarding this, please contact Brendan Ferry, Principal Planner, at (530) 573-7905.

Sincerely,

Norma Santiago, Chair
El Dorado County Board of Supervisors
