**NOTICE OF PUBLIC HEARING**

The County of El Dorado Planning Commission will hold a public hearing in the Board of Supervisors Hearing Room, 330 Fair Lane, Placerville, CA 95667 on March 26, 2020, at 8:30 a.m., to consider amendments to Zoning Ordinance Section 130.14.260 (Outdoor Medical Cannabis Cultivation for Personal Use). The proposed amendments will make the County's cannabis cultivation for personal use ordinance consistent with state law, which allows for the cultivation of no more than six cannabis plants per residence for either medicinal use or recreational use by adults over the age of twenty-one. The proposed amendments will provide the reasonable regulations for up to six cannabis plants per residence for personal use only, with indoor cultivation allowed in all zones allowing for residential uses and outdoor cultivation allowed in all zones allowing for residential uses except Multi-unit Residential. The existing ordinance provides for outdoor cultivation for only medicinal use based on square footage. The proposed amendments would no longer distinguish between cannabis grown for medicinal use versus recreational use by adults over the age of twenty-one and would instead impose consistent regulations for all cannabis grown for personal use. The proposed amendments also make changes to the existing civil enforcement program for cannabis. (County Contact: Creighton Avila) (Exempt pursuant to Sections 15061(b)(3), 15060(c)(2), 15060(c)(3), 15305, and 15308 of the California Environmental Quality Act Guidelines.)\*\*

Drafts of the proposed ordinance amendments and staff reports are available two weeks prior at <https://eldorado.legistar.com/Calendar.aspx>.
