

El Dorado County Law & Justice

{ Sheriff's Office
District Attorney Office
Probation Department

Strategic Plan – 2020 Update

& Work Force Development

- ⌘ Maintain relationships with local high schools and colleges for paid and unpaid internship opportunities
- ⌘ Sheriff's Explorers program continues to benefit our local youth with employment opportunities
- ⌘ Emphasis on recruiting Lateral Deputies to EDSO
- ⌘ Recruitment presentations at law enforcement training academies throughout California
- ⌘ Leadership development with our employees
- ⌘ Retain and Attract Community Members

Economic Development

- ⌘ Working with local schools and county departments to create workforce development classes
- ⌘ Building relationships with youth clients and working with them to obtain life skills to be productive adults in El Dorado County

Economic Development

- ⌘ Homelessness and Mental Health
 - ⌘ BSCC Mental Health JAG training grant
 - ⌘ Increasing efficiency by bringing services to high level users
- ⌘ Courts specific to a populations needs
 - ⌘ Mental Health, Homelessness, Addictions, Veterans Services
- ⌘ Engaging staff in policy and process decisions
- ⌘ Engaging public in identifying and reporting crimes
- ⌘ Fiscal Responsibility
- ⌘ ILES

Good Governance

- ⌘ Providing resources to County Jail Inmates
- ⌘ You Are Not Alone Program
- ⌘ PERT Deployed in our Community
- ⌘ SRO Deployed in our Schools
- ⌘ Continuously researching grants and funding options to provide additional services

Healthy Communities

- ⌘ Community Corrections Center – providing skills to overcome past criminal behavior and build a prosperous life giving back to El Dorado County
- ⌘ Project RoomKey – Adult and juvenile clients assist preparing meals for participants in the program
- ⌘ Transitional Housing established through collaborative efforts with HHSA, CCC and community health programs

Healthy Communities

- ‡ Community outreach to help identify and report crimes
- ‡ Special courts to meet needs of specific groups
- ‡ Actively pursuing grants and collaborations to provide additional services to county residents
- ‡ Fausel House
- ‡ Supporting Victims of crime

Healthy Communities

COVID Measures

- ☞ EOC Operations located at the Public Safety Facility. Coordinating with all stakeholders in the county
- ☞ Patrol operations adjusted to reduce contact and still maintain high service levels to the public
- ☞ COVID testing and quarantining completed upon intake at all detention facilities to prevent outbreaks within them
- ☞ All public safety stakeholders coordinated to implement remote court hearings to continue judicial process
- ☞ Enacted many paperless process, easing transition to working from home during pandemic

Healthy Communities

⌘ Public Safety Facility

- ⌘ Solar field to reduce energy costs
- ⌘ Free Electric Vehicle Charging Stations available to the public
- ⌘ Morgue Operational

⌘ Correctional Facilities

- ⌘ SB844 Planning
- ⌘ Food port and lock upgrade
- ⌘ Facility security camera systems upgraded and expansion
- ⌘ Body Scanner used for intake and COVID screening

Infrastructure

⌘ Public Safety through Collaboration

⌘ Stepping Up Initiative between Probation, County Jails and HHS

⌘ Providing rehabilitative services

⌘ Reducing and preventing crime by building stronger members of our communities

Public Safety

- ⌘ Prosecute, Prevent, Protect
- ⌘ Project Lead
- ⌘ Creating virtual crime scenes to assist court hearings
- ⌘ Embracing smart reform but ensure changes happen in a way that keeps our communities safe

Public Safety

⌘ Support for the mentally ill, homeless and substance use disorders

- ⌘ Assessments completed when booked into the jail to determine needed services and available benefits
- ⌘ Mental health training for all Correctional Officers and Deputies

⌘ Improving emergency communications

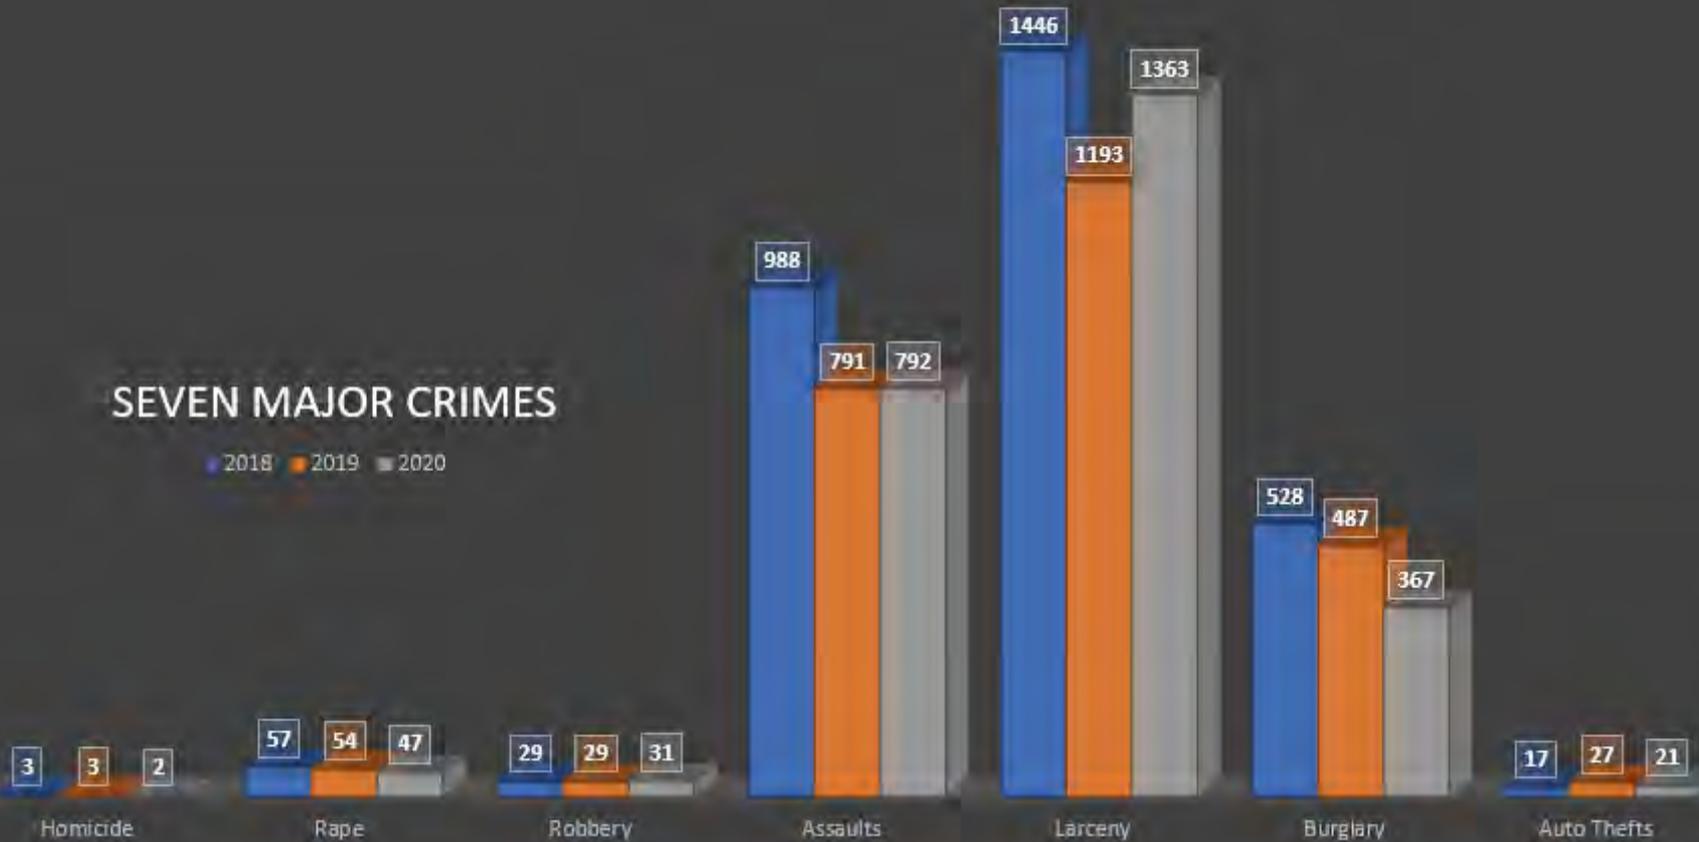

- ⌘ Established relationships with Schools and County Offices to provide Active Shooter Training and guidance in an emergency
- ⌘ CodeRed continues to be a powerful tool
- ⌘ Attending Fire Safe Council meetings to provide input
- ⌘ EOC active during Public Safety Power Shutoff events and during the COVID outbreaks

Public Safety

SEVEN MAJOR CRIMES

2018 2019 2020

↳ Corrections

- ⌘ Implement Homeless Exit Strategy from County Jail
- ⌘ Update County Jail Control panels

↳ Information Technologies/Communications

- ⌘ Implement Virtual Environments
- ⌘ Increase Secondary Power Capacity for Radio Repeaters

↳ Operations

- ⌘ Implement RIMS
- ⌘ Body Camera Program
- ⌘ ICS Training for all County Managers and Supervisors

Priorities Next 1-3 Years

Information Technologies

- ANDE Rapid DNA Equipment
- Integrate Office365 and Criminal Justice programs
- Collaborate with the Superior Court to reach full paperless filings

Operations

- Implement Less Lethal weapons for all DA Investigators
- Update policies and procedures

Priorities Next 1-3 Years

Strategic Plan Update

{ Good Governance

⌘ Achieving the best possible process for making and implementing decisions in accordance with the County's core values, legal requirements and industry best practices

Good Governance

- ⌘ Implement systems that improve system-wide process, data sharing and departmental collaboration
- ⌘ Approach large, complex and/or system-wide matters as one organization – Departments will collaborate on projects and efforts that have cross-departmental impacts
- ⌘ Promote the development of resources to identify and pursue additional revenue including local, state, federal and private funding for new and existing projects
- ⌘ Incorporate benchmarks (to other agencies) and best practices to provide context to decisions, using data to inform discussions while promoting efforts to creatively address service delivery
- ⌘ Evaluate requests and recommendations based on complete assessment of the best available information, with the goal of reaching well informed decisions
- ⌘ Create and maintain a supportive culture for all employees through staff engagement in policy and process decisions and through strong labor relations

Themes & Priorities

Central Services

- ∞ Implemented Adobe Sign for vendor & internal signatures, decreasing contract approval time
 - ∞ EX: In January 2021, completed 72 agreements in Adobe Sign w/ average completion time 13 hours. Previously, the process took 4-8 weeks.
- ∞ Created shared salary/benefit projection tool allowing collaboration across departments.
- ∞ Created electronic blue route, decreasing contract approval time.
- ∞ Completed tracking & purchases related to CARES Act funding for multiple departments.
- ∞ Completed evaluation of Tyler bid module, determined it would not meet County's needs. Explored many other options, decided on Planet Bids as cost effective & user friendly.
- ∞ Completed CQI process related to review of County contract process, encouraging department collaboration.

Accomplishments

☞ County Counsel

- ☞ Led a multi-departmental effort with Planning and Building, Sheriff's Office, and District Attorney's Office to amend the medicinal use cannabis cultivation ordinance to allow for clarity and more effective enforcement.
- ☞ Provided training on the Brown Act and Due Process considerations in land use hearings to a joint meeting of the Board of Supervisors and the Planning Commission.
- ☞ Assisted with a request from the Shingle Springs Band of Miwok Indians to reduce its obligated financial commitments to the County in light of Covid and continued discussions in efforts to obtain a more favorable Memorandum of Understanding with the Tribe
- ☞ Successfully defended the Sheriff's Office in litigation relating to the protection/disclosure of employment records and new laws regarding law enforcement records.

Accomplishments

🔗 Elections

- 🔗 Worked with IT to adjust vote center connectivity and technology to ensure the election went smoothly and without issue.
- 🔗 Secured election-specific CARES Act funding for use in the November 2020 Presidential Election for PPE and equipment to aid with COVID mitigation measures and outreach.

🔗 Human Resources

- 🔗 Implemented a Countywide automated performance evaluation system.

Accomplishments

⌘ HHSA – Child Welfare

- ⌘ Partnered with DA & LE Co-location w/Child Advocacy (Child abuse investigations) This is working well towards fostering relationships and improving child abuse investigations and partnerships.
- ⌘ Modified MOU for Commercially Sexually Exploited Youth Protocol
- ⌘ Co-developed Dual Status Youth Initiative, a sustained partnership with CWS and Probation working together.
- ⌘ Participated in Systems Change for Vulnerable Populations Workgroup – Spearheaded by DA's office, the focus is on systems change regarding how we address and serve related to domestic violence.
- ⌘ Participated with EDCOE on Bellwether Project & Youth Threat Assessment Team Project. This concluded with formation of the Youth & Families Commission that is now underway. Continue to partner with CASA on OES grant to expand the number of child advocates.

Accomplishments

⌘ HHSA – Finance/Admin

- ⌘ Added a Senior Analyst to support obtaining more grants in the agency and to write grants.

⌘ HHSA - Behavioral Health

- ⌘ Stepping Up Initiative
- ⌘ MHSA Office of Statewide Health Planning and Development grant for student loan repayment and staff retention activities for Public Mental Health System Employees (not yet implemented).

Accomplishments

Library

- Library, Elections and Public Health worked together to get ballot boxes at the libraries, and a 4 day vote center in EDH during a pandemic.
- Library, Senior Services, Public Health and EOC are working to provide assistance to seniors with Covid-19 vaccine appointments, targeting those who do not have internet or do not understand computers/online forms.
- Libraries, Public Health, and Procurements/Contracts worked together to get our libraries safely open to the public, and we were one of the first library systems in the state to do so (and we are still one of the few library systems in the state to have our physical doors open).
- Library, Senior Services, HHSA, EDCOE, F5, Placer Food Bank, El Dorado Community Foundation, and Kiwanis are working together to provide food and diapers to our local communities every month through curbside delivery
- Library is working with IT to bring the Library IT systems over to the county IT infrastructure, which will result in cost savings and efficiencies for both departments.
- Implementation of new Strategic Plan throughout Pandemic focused on Enhancing Patron Convenience and Expanding Education Opportunities with new virtual service delivery models at museum and libraries.

Accomplishments

↳ Sheriff's Office

⌘ Homelessness & Mental Health

- ⌘ Collaborating w/ stakeholders throughout the County
- ⌘ Increasing efficiency by bringing services to high-level users.
- ⌘ Trailer Days and Multi-Disciplinary Team

⌘ Supportive culture for all employees

- ⌘ Peer Support, Thrive & Chaplains

⌘ Engaging staff in policy and process decisions

⌘ Record management information system (cross-department data sharing)

Accomplishments

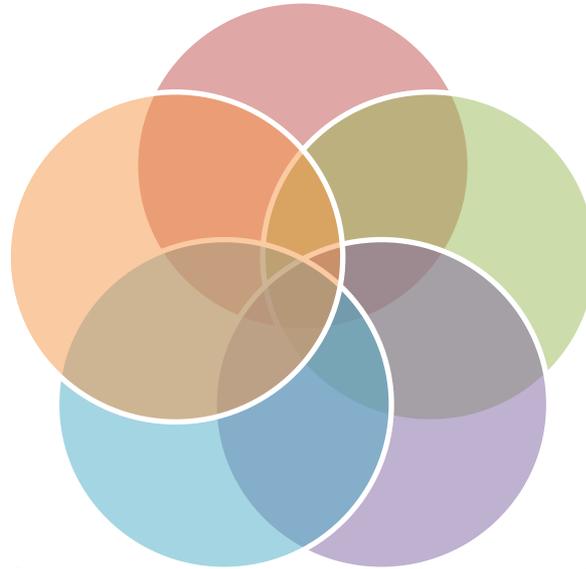

Infrastructure

Public Safety

Good
Governance

Economic
Development

Healthy
Communities

**County Vision: Safe, healthy and vibrant communities,
respecting our natural resources and historical heritage.**

Provide, operate and maintain our infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

GOAL:

Infrastructure

Provide, operate and maintain our infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE:

Broadband/Technological Connectivity considered into County projects

IT:

- Increased Internet bandwidth to 100mg
- Planned for the deployment of 903 mobile devices to provide for remote work

HHSA : Brought network connectivity to Pioneer Park with the Mental Health Connectivity Project

Library: Implemented WiFi access from the parking lots at all County libraries

CAO: Applied for and received tentative approval of a grant totaling approximately \$4M to expand broadband access in the North County

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: *Improve Road Maintenance*

DOT:

Maintenance Numbers

- 27,856 tons of asphalt repairs
- 34.07 centerline miles of surface treatments
- 22.88 centerline miles of ditching
- 40.82 centerline miles of brushing
- 714 dead animals

Surface Treatment Projects Included:

- Pony Express Trail
- Diamond Springs Business Park
- Pollock Community Streets
- Placerville Jacquier Road
- Cameron Park Subdivision
- Grizzly Flats Subdivision

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: *Improve Road Maintenance*

DOT:

CIP Repair Project Numbers

- Sly Park Rd/Clear Creek Bridges
- Green Valley Rd Slide Repair
- Bassi Rd/Granite Creek Bridge
- Latrobe RR Repair
- Henningsen-Lotus Park Repair
- El Dorado Trail Class I -Missouri Flat to El Dorado
- Greenstone Road at Slate Creek
- Hanks Exchange at Squaw Hollow

In all over \$27 Million in Repairs or Maintenance

County Counsel:

- Provided support to the Zones of Benefit within the County by reviewing contracts for maintenance services
- Provided support and advice to DOT in the adoption of CEQA thresholds of significance for transportation impacts related to Vehicle Miles Travelled (VMT) which will streamline the Department's review of development proposals to ensure that proposals adequately address the impacts on our infrastructure

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: Analyze need, coordinate and plan for County facilities, parks and trails including ongoing maintenance, operations and replacement.

CAO Facilities:

- Completed replacement of the old Sheriff facility with the opening of the new Public Safety Facility.
- Completed purchase and tenant improvements of new Sandy Way building in South Lake Tahoe for Health and Human services.
- Installed new generators at Building C, Pioneer Park, Briw Road, Child Support Services and Agriculture.
- Received BOS approval and awarded architectural contract to begin the replacement of the Department of Transportation equipment garage in South Lake Tahoe.
- Completed several roof replacements and parking lot repaving at existing County facilities.

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: Analyze need, coordinate and plan for County facilities, parks and trails including ongoing maintenance, operations and replacement.

SHERIFF:

- Continued planning regarding West Slope Jail expansion project related to SB844 grant
- Completed food port and lock upgrades project
- Security camera systems upgraded and expanded
- Body Scanner installed and used as part of intake
- Electric vehicle charging stations installed and available to the public

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: Analyze need, coordinate and plan for County facilities, parks and trails including ongoing maintenance, operations and replacement.

CAO Parks:

- Implemented sanitation removal program for the Rubicon Trail; developed pumping vehicle that can travel to Rubicon to provide weekly service to the restrooms on the trail.
- Entered into a Memorandum of Understanding with Placer County and the Forest Service for the Rubicon Trail.
- Provided two helicopter projects on the Rubicon to provide maintenance activities to protect water quality improvements.
- Started a study on the Chili Bar Property regarding the site structure, public needs and the feasibility on this property.
- Working with the City of South Lake Tahoe on a master plan for the 56 acres located in South Lake Tahoe.
- Continued ADA improvements, restroom replacement, community playground and bike park interest at Forebay Park in Pollock Pines.
- Parks with the assistance of Facilities completed improvements to Henningsen-Lotus Park such as a new shade structure and the Monroe Trail crossing.

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: Analyze need, coordinate and plan for County facilities, parks and trails including ongoing maintenance, operations and replacement.

County Counsel:

- Provided support for DOT in the 2020 Major Update to the County's Traffic Mitigation Fee Program.
- Provided legal support and advice in all aspects of the development, installation and completion of the County's solar project.
- Obtained successful results at trial in an action challenging the County's federally funded project to replace a hydrologically deficient bridge constructed in 1929.

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: Encourage and support through policy and resources the pursuit of local, state, and federal, private and public funding opportunities to support the County's infrastructure.

CAO Facilities:

- Completed Power Purchase Agreement (PPA) financed by a private entity for a new solar farm near the Public Safety facility, decreasing energy costs and providing an economic benefit for 25 years.
- Began work with Environmental Management to look at entering into a similar PPA agreement for the Union Mine Landfill

GOAL:

Infrastructure

Provide, operate and maintain infrastructure, public facilities, and associated services that protect our community, environment and economic well being.

OBJECTIVE: Encourage and support through policy and resources the pursuit of local, state, and federal, private and public funding opportunities to support the County's infrastructure.

CAO Parks:

- Received funding from the State of California, Parks and Recreation Off-Highway Motor Vehicle Recreation (OHMVR) grant program for: Operations and Maintenance of the Rubicon Trail (\$197,565); Education and Safety (\$111,324); Development (\$232,219); Development Tahoma (\$625,137); Completed extensive helicopter project providing maintenance work on the Rubicon Trail.
- Year two of the three year grant from the State of California, Parks and Recreation OHMVR grant program for restoration of the Sacramento Placerville Transportation Corridor (SPTC) in the amount of \$88,265.
- Received Prop 68 grant from the State in the amount of \$2,030,000 for construction of the Old Depot Road bike park.
- Received \$400,000 Prop 68, Per Capita Funding.

Healthy Communities

Strategic Plan Update

- ⌘ Achieve sufficient and attainable housing for all El Dorado County residents.
- ⌘ Partnering with all stakeholders, we continue to prepare to meet the needs of our growing older adult population.
- ⌘ Implement solutions to address and reduce homelessness in El Dorado County.
- ⌘ Achieve better outcomes for children, young adults and families in the areas of mental illness and substance abuse prevention.
- ⌘ Encourage and support through policy and resources the pursuit of local, state and federal, private and public funding opportunities to support and promote healthy communities.

Priorities, Objectives and Themes

- ∞ \$2.7M regional TAG grant: 1.7M to replacing wood stoves
- ∞ Shuttle Programs
- ∞ Georgetown Library Electronic Vehicle Charging station for mobile library / learning services program
- ∞ Fairgrounds walking path
- ∞ Paving of Sandridge, Oriental and Bear Creek Roads
- ∞ Replacement of wood stoves, lawn mowers and older vehicles with cleaner models
- ∞ Support of prescribed fire and residential burning to reduce wildfire risk and impacts.

Air Quality Management District

- ⌘ Provided outreach and information on the services Child Support offers to 10 case managers and staff at The Center for Violence-Free Relationships. This will assist them with referrals to their clients for CS services.
- ⌘ Requested/Received additional funding from DCSS for a generator for the leased facility, enabling CS to remain open during PSPS outages.
- ⌘ Requested/received additional funding for two outreach vehicles to serve customers in outlying areas.

Child Support

- ⌘ Working with Public Guardian & Adult Protective Services to establish protocols for information sharing and joint efforts for elder and dependent adults. Also worked w/ partners outside the County, incl. State agencies, health care providers, and placement facilities.
- ⌘ Working with the courts, DA, Public Defender & HHSA to address the role of mental health in homelessness, including use of LPS conservatorships.

County Counsel

- ⌘ Grant to Food Bank diverting food waste
- ⌘ Tire recycling grant funds
- ⌘ Tire Enforcement grant funds
- ⌘ Used oil recycling grant funds
- ⌘ City/County Payment Program funding
- ⌘ 6 Household Hazardous Waste (HHW) events held. 20,086 pounds of HHW collected
- ⌘ Litter abatement — Total roadway miles cleaned = 1388.
Total tons of solid waste abated = 35.2
- ⌘ 5.7 million gallons of landfill leachate/septage/portable toilet waste processed at the Union Mine waste water treatment plant

Environmental Management

- ⌘ Senior Nutrition Innovation project and Prevention Early Intervention (PEI) projects: Nutrition Van Outreach
 - ⌘ Senior Peer Counseling
 - ⌘ Friendly Visitor
- ⌘ Homeless and Vulnerable Population solutions
 - ⌘ Homeless Mentally Ill Outreach and Treatment (HMIOT) \$100,000 grant
 - ⌘ (PATH) grant –\$47,000 annually: serves individuals who are homeless and are believed to have a serious mental illness.
 - ⌘ Animal Services continues to assist local organizations as they process or serve animal owners. Assisting with temporary needs for animals to allow the owner to keep their animals or if necessary rehome their pets.

Health and Human Services Agency

- ⌘ HHS Public Housing Authority
 - ⌘ completed an RFP to support affordable housing project with Project based vouchers for vulnerable residents
 - ⌘ awarded 30 VASH housing vouchers to assist homeless veteran residents
- ⌘ CalWORKs Housing Support Program (HSP) - assists CalWORKs eligible families who are homeless with permanent housing with case management and wrap-around supports to foster housing retention.
- ⌘ Facilitating the implementation of HUD required Coordinated Entry System (CES) – ensuring access to Homeless grants
- ⌘ Ongoing research for grants and funding options to expand services

Health and Human Services Agency

- ∞ Mental Health staff training grant from CA State Library
- ∞ Crisis Collection online materials supplied from CA State Library
- ∞ Climate Change grant funds through GT Friends of the Library
- ∞ Alzheimer's/Dementia and Mental Health kits from State Library shared with families and care facilities
- ∞ Partnered with First 5, EDCOE, HHSA and Placer Food Bank to deliver diapers and food to our community members. Food is being provided on a monthly basis in Cameron Park, Placerville, and Pollock Pines.

Library

- ⌘ Providing resources to County Jail inmates
- ⌘ You Are Not Alone Program – STAR volunteers
- ⌘ HOT Trailer Days
- ⌘ Implementing in-house Crisis Intervention Training for all Deputies and Correctional Officers
- ⌘ Ongoing research for grants and funding options to expand services
- ⌘ COVID measures
 - ⌘ Coordinating EOC ops. w/ all County stakeholders
 - ⌘ SROs helped distribute meals off campus, and conducted welfare checks & SARB meetings.
 - ⌘ Patrol implemented Take Home Patrol cars & virtual briefings
 - ⌘ COVID testing & quarantining completed upon jail intake
 - ⌘ Support Services tracking exposures, positive cases & outbreaks in EDSO

Sheriff's Office

Economic Development

{ Strategic Plan
2021 Update

Elevate to El Dorado

A Great Place to Live, Work & Play

Mission Statement

Enable a prosperous and vibrant community

Strategic Goals, Themes and Priorities:

- Retain, develop and attract businesses that provide economic sustainability and quality job creation
- Increase employment opportunities by improving workforce development skills
- Invest in infrastructure needs to improve and maintain competitiveness
- Nurture the County and Community's business friendly environment
- Provide attainable housing options – balance jobs with housing

Retain, develop and attract businesses that provide economic sustainability and quality job creation

Accomplishments

- Business Retention and expansion efforts with Economic Development team and John Krueger
- Updating Economic Development Policies
- Researching Incentive plans
- Completed Temporary Outdoor Dining Ordinance and Tolling Ordinance for building permits
- EDCTC El Dorado Hills Transportation Study
- Business Protection Workgroup
 - Small Business Grant Program
- Work closely with Agri-tourism groups, Apple Hill and El Dorado County Wine Association
- Increasing retail opportunities
 - Working with Prospector's Plaza, Crossings, Barnett and EDH Business Park

Increase employment opportunities by improving workforce development skills

Identify current workforce resources

- Work with HHSa one-stop and Golden Sierra Workforce and Tahoe Prosperity for workforce resources
- HHSa Employment Services in SLT works with ADVANCE Network for job readiness programs

Conduct survey with the business community to determine labor skills gap

- Doing this work as part of Business Retention work with John Krueger
- Working on a larger effort with Rancho Cordova and Folsom on labor skills gap in region

Conduct survey with economic development recruiters and regional economic development organizations to determine labor skills gap

- In progress (see above)

Identify skills the County's workforce has in abundance for business attraction

- In progress with John Krueger, GSEC, Golden Sierra, A.R.E.A.

Collaborating with the local school systems, community colleges, and County departments on how to create workforce development classes desired by the market

- Libraries used CARES Act funding to create communication centers
- Career online High School Certification programs for adults

Start workforce round table with business community, education partners, and local governments

- Potential CEDAC item

Invest in infrastructure needs to improve and maintain competitiveness

Conduct a comprehensive land use, water/sewer, gas, electricity, multi-modal transportation, etc. infrastructure needs study to identify potential economic development zones or clusters

- EDCTC studies on HWY 50 and EDH Business Park study helping to identify areas to target growth.

Explore Community Choice Aggregation (CCA) Feasibility

- COMPLETE. Board members appointed. CAO's office took lead on this. EDC now has Board membership.

Encourage development of high speed Internet service (broadband and/or Wi-Fi)

- EDA Broadband Grant Application in process. Three priority areas of Garden Valley, Cool and Georgetown (Collaboration between Transportation, CAO, County Counsel, Consultant, Planning and Building)
- Transportation installed/relocated conduit for broadband at Saratoga, Bass Lake and Greenstone

Explore the use of special financing districts such as Business Improvement Districts, Tourism Improvement Districts, Agriculture Improvement Districts, Tax Increment Financing, etc.

- Conducted briefing with John Krueger, CAO in regards to the Coloma Lotus study and the probability of creating such a district. Undertaking this effort currently within Coloma/Lotus region, could set a template for additional regions

Nurture the County and Community's business friendly environment

Continue to evaluate opportunities to improve County processes that are identified as onerous for the business sector

- Ombudsman, permit process improvements, TRAKiT training for public and staff
- Ag Department started Bee Safe program to help apiaries, herd rentals for veg management, farmers market management
- Airports and Cemeteries and County Counsel identified administrative burdens for users improving the business friendly environment at our airports

Actively participate with local, Regional and National organizations to strengthen the County's economic development advantages

- A.R..EA. (American River Economic Area) Rancho Cordova, Folsom and El Dorado County. Small business grant program, video series to promote small business in El Dorado County
- Leadership El Dorado presentations on Economic Development
- Participate in bi-weekly regional Economic Development Director meetings with GSEC

Continue to provide expert assistance and guidance to help navigate regulatory requirements in support of business development

- Continually working with local businesses and constituents to navigate the Planning and Building processes. Senior Planner and Ombudsman positions in place to provide expertise along with Econ Dev manager.

Provide attainable housing options – balance jobs with housing

Housing

- South Shore Housing Action Plan
- West Slope Housing Strategy
- EDCTC El Dorado Hills Business Park Transportation Plan
- Inventory of Housing Incentive Plans in Sacramento Region

Housing and Homelessness (Public Safety)

- Homeless Outreach Team (HOT), in collaboration with County Parks; hope to achieve territorial reinforcement on county owned properties affected by homelessness. (Addressing potential water runoff/environmental impact issues).
- Implementation of ArcGIS and survey123 system used by HOT to track and compile data on homeless, used by PERT to track trends of people who are experiencing a mental health crisis to better determine solutions.
- Information sharing with other County departments who utilize ESRI and ArcGIS products for data collection. In data sharing, the county emphasizes the importance of modernizing workflows and creating efficiencies by reducing the duplication of work.

Elevate to El Dorado

A Great Place to Live, Work & Play

El Dorado County began its entrepreneurial spirit with the California Gold Rush, and is still open for business today. With unmatched rural beauty, endless recreational opportunities, safe communities and world class public schools, the County provides an unparalleled quality of life.

From anywhere in the County, an hour's drive will allow you to ski, hike, bike, raft, rock climb, enjoy wine tasting, access Sacramento International Airport and stroll historic downtown Placerville. Our Lake Tahoe region has hosted the Winter Olympics, and our Rubicon Trail is internationally renowned.
