

**Proclamation**  
**of the El Dorado County Board of Supervisors**  
**Proclaiming the week of November 4-10, 2007**  
**as “Hunger Awareness Week”**

- Whereas,** The harvest season is traditionally a time to give thanks for the food we eat, for our families and friends, and for our beautiful community; and,
- Whereas,** Many of our neighbors, children, single mothers, widows, senior citizens, the disabled and the working poor, do not always share adequately in the bounty of the harvest; and
- Whereas,** Mental and physical changes accompanying chronic hunger can have harmful effects on learning, development, productivity, physical and psychological health, and family life; and,
- Whereas,** Every month the Food Bank of El Dorado County and its collaborative network of churches, food closets, shelters, senior programs, charitable dining halls and social service organizations provide food assistance to thousands of our struggling neighbors throughout the county; and,

**Now therefore be it proclaimed** the El Dorado County Board of Supervisors does hereby recognize the week of November 4-10, 2007 as Hunger Awareness Week, and urge all citizens, government entities, businesses, nonprofits, and faith communities to work hand in hand toward the realization of the vision of the Food Bank of El Dorado County and its partners; that all individuals in El Dorado County who face hunger will have the opportunity to secure nutritionally adequate food at all times.

**Passed** by unanimous vote of the Board of Supervisors of the County of El Dorado at a regular meeting of said Board, held the 30th day of October, 2007.
