### NOTICE OF PUBLIC HEARING

The County of El Dorado Board of Supervisors will hold a public hearing in the Supervisors Meeting Room, 330 Fair Lane, Placerville, CA 95667 on November 15, 2010, at 2:00 p.m., to consider Ordinance OR10-0002/Wind Energy Conversion Systems initiated by the COUNTY OF EL DORADO. Proposed amendment to County Ordinance, Title 17, to add provisions for wind energy conversion systems to comply with California Government Code Section 65893 which encourages local agencies to adopt zoning standards that enable construction of small wind energy conversion systems for on-site home, farm, and small commercial use. The intent is to provide standards and regulations for the safe and effective construction and use of these systems, as well as for larger, utility-scale systems that can potentially be developed within the County, based on the State Energy Commission's Wind Resource Potential Maps.
