Task Orders Required: Before proceeding with any work under this Agreement, the parties will identify the specific Services to be provided for each assignment in individual Task Orders to be issued in accordance with this Agreement. The specific services for each assignment shall be determined at a meeting or telephone conference between Consultant and County’s Contract Administrator, or designee, to discuss the needs, applicable standards, required deliverables, specific Consultant staff, subconsultants (if required) and any task-related mileage budget (if applicable) on a task-by-task basis. Following the meeting, Consultant shall provide County’s Contract Administrator with a written scope of work, a schedule including a list of tasks with completion dates and a target completion date for the overall scope of work, and a not-to-exceed cost to complete the work (resulting in a Task Order), which shall require written approval, authorization and written notification to proceed from County’s Contract Administrator, prior to commencement of the work. No Task Order will be written which extends beyond the expiration date of this Agreement, nor the cumulative total of the not-to-exceed Contract amount.

All of the tasks included in the Scope of Services are the responsibility of Consultant, unless specifically described as a task or item of work to be provided by County. Consultant shall be responsible for the supervision, administration and work performed by any subconsultants for services rendered under this Agreement.

Consultant shall attach a copy of each notification to proceed, as backup documentation, to any invoices submitted for payment under the terms of this Agreement. Copies of notices attached to invoices shall reflect Consultant's charges for the specific support or review services billed on those invoices.

- D. Deliverables: Deliverables will be specified by County for each individual assignment, and specific task assignments and work requirements will be specifically identified on a project by project basis. Failure to submit the required deliverables in the format specified shall be grounds for termination of the Agreement, as provided in Article XV, Default, Termination, and Cancellation, or for delay or cessation of payments by County as provided in Section C of Article III hereunder.
