3/22/22- #34 Core Values Good Governance Hypocrisy

It was Frederick Bastiat who said, "When law and morality contradict each other the citizen has the cruel alternative of either losing his sense of morality or losing his respect for the law."

With regard to the hypocrisy of this agenda item, I will describe a small sample of factual situations and then pose a few salient questions that I expect the board to publicly address **as required by law**.

During a 2011 quarterly meeting with Sheriff D'Agostini he said, "You need a new Board [of Supervisors.] All of them. Hold their feet to the fire. Mine too; I work for you." I quoted the Sheriff during a 2013 BOS meeting. That's when he ordered IT to block my ability to correspond electronically with all EDSO staff and refused to meet any longer. When it was discovered that case reports were being falsified and I was denied access to those reports as required by law, I filed Citizens Complaints of Officer Misconduct, but was denied due process. In retaliation for exposing EDSO corruption, the Sheriff rescinded my previously approved CCW permit. He later threatened me with a restraining order and ordered me out of "his building" for the lawful exercise of my Constitutional rights.

Similarly in 2018 Don Ashton distributed a county-wide email ordering IT to restrict my ability to communicate electronically with county staff, thus depriving me of my First Amendment Rights. This has all been publicly documented in the form of unrebutted affidavits which stand as truth before any court in America.

Please explain how the Sheriff's and Don Ashton's unconstitutional actions align with the County Mission to "provide efficient, courteous, and effective service and infrastructure for safety, protection, and well-being of our residents, businesses and visitors?"

Lori Parlin has refused to respond to constituent concerns. Most notably during a Mt. Murphy Bridge Zoom meeting held in this room, Lori publicly mocked me in front of members of my community and censored my on-line questions. She has also abused the public trust through her violations of the Brown Act and her oaths of office.

Most recently you heard how Todd White called me a "bitch, a trashy whore" and other unspeakable profanities in the presence of George Turnboo upon exiting the Taxpayers meeting. HR Director Joseph Carrusco and Supervisor Turnboo obviously condone such behavior because there has been no response to my demand to remove Todd from office as required by law.

For the public record, please explain what the actions of the aforementioned public servants say about your adherence to Good Governance'. Specifically the Core Values of Accountability - Responsible for our decisions and behavior... answerable to our citizens. Integrity - Doing what is right legally and morally at all times regardless of whether or not someone is watching. *Excellence of Service*

Subject: Demand for Todd White to be removed from office - Disciplinary action against Supervisors Turnboo and Parlin

Mr. Carruesco,

During last week's BOS Open Forum you were made aware of "smoking-gun" evidence of Todd White's unlawful actions against me. (Refer to the attached documents which were entered into the public record.) **Todd White's egregious actions are an abysmal disgrace to El Dorado County, the Boys & Girls Club of Northern Sierra, the Taxpayers Association, the Republican Central Committee, and especially Park Community Church and the Christian community.**

In defiance of the Brown Act and their oaths of office, Supervisor Turnboo and Chairman Parlin refused to publicly respond to my inquiry as required under section 54954.2(a) of the Brown Act: *"I'm asking you again, as your sister-in-Christ, what specific action are you going to take pursuant to your oaths to remove Todd from office, or will it have to be resolved in court? This is not a rhetorical question. As per section 54954.2(a) of the Brown Act, I demand your public answer now, while I'm at the podium."*

By refusing to respond, George Turnboo and Lori Parlin harmed me by conspiring with county staff to suppress my inherent right of free speech, preventing and/or restricting my access to government employees, **and depriving me of public information and/or public services necessary to assist my efforts for redress of grievances—all lawful actions on my part that fall under the protections of the First Amendment.** Thus George and Lori, as individuals, will also be held personally accountable and liable for any and all harm they have inflicted upon me and my inherent, constitutionally secured rights by your failure to take remedial action, to wit:

"Personal involvement in deprivation of constitutional rights is prerequisite to award of damages, but defendant may be personally involved in constitutional deprivation by direct participation, failure to remedy wrongs after learning about it, creation of a policy or custom under which unconstitutional practices occur or gross negligence in managing subordinates who cause violation." (Gallegos v. Haggerty, N.D. of New York, 689 F. Supp. 93 (1988). [Emphasis added]

Then during this week's BOS updates, George Turnboo obliquely mentioned meetings with the **Water Agency, Chief Administrative Officer, County Counsel, and Planning Commissioners.** It is reasonable to deduce that those meetings were to discuss the issues I brought to the public's attention during the March 8th BOS

meeting involving Todd White, Planning Commissioners Andy Nevis and Kris Payne, and CAO Don Ashton. As you and Chief Counsel David Livingston are well aware, those individuals, amongst others, have all received similar affidavits substantiating their criminal roles in Conspiracy Against Rights and Deprivation of Rights Under Color of Law. (See Title 18, Sections 241 and 242.)

I have a duty and right to demand that you, Mr. Carruesco, take immediate action to remove Todd White from office. Demand is also made to take appropriate disciplinary action against Supervisors Turnboo and Parlin, as well as Andy Nevis, Kris Payne, and CAO Don Ashton. ***This is not optional.*** As the Director of Human Resources, and pursuant to your own oaths of office, you have a moral, ethical and legal obligation to follow through with these demands. The same applies to Chief Counsel David Livingston. Your failure to abide by the Supreme Law of the Land makes you complicit and liable for aiding and abetting government corruption.

If you have any questions, please don't hesitate to contact me. I look forward to your prompt response and confirmation of compliance with these demands to take immediate action against the aforementioned public servants.

Regards,

Melody Lane

Subject: 3/8/22 BOS Open Forum - Public comments and factual evidence - demand for Todd White to be removed from office

Attached are my Open Forum public comments made today with factual evidence of George Turnboo's and Todd White's unsuitability for public office, supported by unrebutted affidavits which stand as truth before any court in America. Also attached are the Brown Act Rights of the Public and the EDC Core Values which I referred to.

All EDC citizens have a right to know the truth about the immoral individuals who are fraudulently posing as public servants at Taxpayers expense. Todd White's egregious actions are a disgrace to El Dorado County, the Boys & Girls Club, the Taxpayers Association, the Republican Central Committee, and especially Park Community Church and the Christian community.

Melody Lane: Hey George, you need to speak with Todd to make sure he is giving me agendas for these meetings. Again, I have a right, just as any other member or public employee does to get the agendas and schedule of speakers. Todd, this involves you.

Todd: **You bitch!...Go fuck yourself!...You're a trashy whore!**

Melody: Oh my gosh, did you hear that?! Your **public servant**, supposedly a deacon in his church, just called me a whore, a piece of trash and a bitch! What are you going to do about it?

George Turnboo: Well, I'm going to straighten him out. It's not right.

George Turnboo has had knowledge of Todd's unlawful actions for quite some time, therefore he is complicit and liable for failure to take remedial action. The County is required by law to take disciplinary action, especially in the case of Todd White, and remove him from office.

The Founders used Exodus 18:20-21 as a guide to establish our Republic, "And you shall teach them ordinances and laws, and shall show them the way wherein they must walk, and the work that they must do. Moreover you shall provide out of all the people able men, such as fear God, men of truth, hating covetousness; and place such over them..."

This is the first meeting I've attended this year, but I have been watching videos of Comrade Parlin as she rudely cuts off speakers in mid-sentence as if they are contestants on the Gong Show. Not only is she in violation of the Brown Act Rights of the Public, she consistently demonstrates the hypocrisy of the EDC Core Values before you. Lori's censorship and abuse of the public trust is no different than Canada's President Trudeau, but more on that later.

Let me begin by saying I'm a third generation evangelical. I've been privileged to host conferences at my home in Coloma for artists, international speakers, politicians, missionaries and evangelists from all over the globe. My family members are the founders of Calvary Chapel, the largest non-denominational church in America. Prior to retiring I worked for Sacramento legislators, most notably Barbara Alby who was the author of California's Megan's Law, and I still remain actively involved in Capitol ministries.

Yesterday Registrar of Voters Bill O'Neill was the guest speaker at the Taxpayers meeting. Afterwards I had a brief encounter with Todd White and George Turnboo. I can play the 60-second audio for you right now, but I don't think it will come across clearly, so I'll submit the transcript into the public record. Here is the edited essence:

Melody Lane: Hey George, you need to speak with Todd to make sure he is giving me agendas for these meetings. Again, I have a right, just as any other member or public employee does to get the agendas and schedule of speakers. Todd, this involves you.

Todd: **You bitch!...Go fuck yourself!...You're a trashy whore!**

Melody: Oh my gosh, did you hear that?! Your **public servant**, supposedly a deacon in his church, just called me a whore, a piece of trash and a bitch! What are you going to do about it?

George: Well, I'm going to straighten him out. It's not right.

It's significant that Todd is the Secretary of the Taxpayers Association and Secretary of the Republican Central Committee. The RCC holds their monthly meetings at Park Community Church where Todd claims to be a deacon. George, your ex-wife has described you as a "**fake pastor**" who plagiarizes other pastor's sermons. You've stood me up, lied to me, and refused to respond to constituent concerns in violation of your oaths of office and EDC Core Values, in particular **Accountability, Integrity and Service Excellence**. The Bible and the Constitution have a lot to say about that. It's all outlined in **[these affidavits]** addressed to you and Todd White. Unless you take immediate remedial action, you are aiding and abetting government corruption.

I'm asking you again, as your sister-in-Christ, what specific action are you going to take pursuant to your oaths to remove Todd from office, or will it have to be resolved in court? This is not a rhetorical question. As per section 54954.2(a) of the Brown Act, I demand **your** public answer **now**, while I'm at the podium.

(Silence)

George, the law is before you.

(Silence)

Again, it's right there before you. You know what the law says; you know what your moral, ethical and legal responsibility is.

(Silence)

I'm waiting.

(Silence)

Let me put it this way: I am an American Citizen claiming all of my constitutionally secured inherent rights and guaranteed due process of law. Since I am based in constitutional authority, any effort on your part to stop me from speaking or for your walking out of this room, and/or forcibly removing me from this room conclusively demonstrates by your own actions to be in opposition to the Constitutions, that you have shown yourselves, all of you, to be domestic enemies & are unfit to serve in any official capacity, pursuant to the self-executing Sections 3 & 4 of the 14th Amendment, at minimum.

(Silence)

Again George—not County Counsel, not Don Ashton—your response is required by law. Your failure to respond just proves again that you are in violation of your oaths of office and you are guilty of treason. All of you. You are a disgrace to your community.

Madam Clerk: Please enter these documents into the public record. You have not heard the end of this.

Todd White/George Turnboo after Taxpayers meeting, exiting Denny's Restaurant

Melody Lane: Hey George, you need to speak with Todd to make sure he is giving me agendas for these meetings. Again, I have a right, just as any other member or public employee does to get the agendas and schedule of speakers.

Todd White: (interrupting) George, are you going to go up there?

George Turnboo: Yes.

Melody: Todd, this involves you.

Todd: You bitch!

Melody: Todd!!

Todd: Go fuck yourself!!

Melody: Did you hear that?

George: I heard it.

Melody: He's supposedly...

Todd: (interrupting) You're a trashy whore!

Melody: Oh my gosh, did you hear that?! Your public servant, supposedly a deacon in his church...

George: Uh-huh.

Melody: ...just called me a whore, a piece of trash and a bitch!

George: Yeah. Alright. I'm sorry.

Melody: What are you going to do about it?

George: Well, I'm going to straighten him out. It's not right. You don't need me to...

Melody: It's definitely not right! He's a supposed public servant and a supposed deacon in his church.

George briskly walks away from me, never having given me the courtesy of eye contact.
