Mr. Ashton,

You FAILED TO READ THE LINK at the bottom which IS the Sheriff's BS reply to the CPRA sent via Serena Wilkes in EDSO!

Serena's email bounced again because D'Agostini UNCONSTITUTIONALLY ordered IT to block me, remember??? FIX THE PROBLEM WITH EDSO!!!

Good evening Ms. Lane,

Earlier this week I confirmed with the Sheriff's Office that they were preparing the response to this PRA. I will follow up Monday to determine the status.

On Fri, Aug 17, 2018 at 6:35 PM Melody Lane <melody.lane@reagan.com> wrote:
Sheriff D'Agostini isn't a lawyer, and he isn't above the law. He received this CPRA directly from me during the August 6th Taxpayers Association meeting, NOT August 8th as indicated in the recently applied PRA tracking number. It was due 8/17/18. The BOS knows this to be a fact, because they all received it the same day via email. I also spoke with Laura Lyons and Brenda Bailey in this regard. That makes them all culpable and liable for fraud.

I am the victim of multiple CRIMES, and as such I am THE authorized representative in pro per. Your false interpretation of CA GC 6254(f) is inapplicable for the following reasons:

“...However state and local law enforcement agencies shall disclose the names and addresses of persons involved in, or witnesses other than confidential informants to, the incident, the description of any property involved, the date, time, and location of the incident, all diagrams, statements of the parties involved in the

incident, the statements of all witnesses other than confidential informants, to the victims of an incident, or an authorized representative thereof...”

Please comply immediately with this CPRA request pursuant to your Constitutional Oath of Office.

CA PUBLIC RECORDS ACT REQUEST

I am the victim of multiple hate crimes and retaliation. Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I ask to obtain the following documentation:

1. EDSO Case File **EG18-06720** involving Greg Jorgensen.
2. All EDSO documentation, reports and correspondence pertaining to **EG18-0098** involving Greg Jorgensen and Robert Palacios.
3. All EDSO documentation, reports and EDSO correspondence pertaining to the investigation of Case Files **EG15-5698 & EG15-5793** by Deputy Bernie Brown. The investigation was reported to have been handed over to the District Attorney/Forensics IT. Please include all associated correspondence with the D.A.

The agency must justify the withholding of any record by demonstrating that the record is exempt or that the public interest in confidentiality outweighs the public interest in disclosure. (§6255) The agency always bears the burden of justifying nondisclosure, and "any reasonably segregable portion... shall be provided...after deletion of the portions which are exempt." (§ 6253(a)) The agency must provide assistance by helping to identify records and information relevant to the request and suggesting ways to overcome any practical basis for denying access. (§ 6253.1)

If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that you provide a signed notification citing the specific legal authorities on whom you rely.

To avoid unnecessary delays or costs of duplication, electronic responses and/or pdf copies of documents are acceptable and may be emailed to melody.lane@reagan.com. Access is always free. Fees for "inspection" or "processing" are prohibited. (§ 6253) It is requested that your determination be made within 10 days—or sooner—as stipulated within the California Public Records Act, Government Code 6253(c).

Thank you for your compliance and timely response.

Sincerely,

Melody Lane

CALIFORNIA BROWN ACT

PREAMBLE:

"The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people do not yield their sovereignty to the bodies that serve them. The people insist on remaining informed to retain control over the legislative bodies they have created."

CHAPTER V.

RIGHTS OF THE PUBLIC

§54954.3 Public's right to testify at meetings. (c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law. Care must be given to avoid violating the speech rights of speakers by suppressing opinions relevant to the business of the body.

As such, members of the public have broad constitutional rights to comment on any subject relating to the business of the governmental body. Any attempt to restrict the content of such speech must be narrowly tailored to effectuate a compelling state interest. Specifically, the courts found that policies that prohibited members of the public from criticizing school district employees were unconstitutional. (*Leventhal v. Vista Unified School Dist.* (1997) 973 F. Supp. 951; *Baca v. Moreno Valley Unified School Dist.* (1996) 936 F. Supp. 719.) These decisions found that prohibiting critical comments was a form of viewpoint discrimination and that such a prohibition promoted discussion artificially geared toward praising (and maintaining) the status quo, thereby foreclosing meaningful public dialog.

Where a member of the public raises an issue which has not yet come before the legislative body, the item may be briefly discussed but no action may be taken at that meeting. The purpose of the discussion is to permit a member of the public to raise an issue or problem with the legislative body or to permit the legislative body to provide information to the public, provide direction to its staff, or schedule the matter for a future meeting. (§ 54954.2(a).)
