

EL DORADO COUNTY SHERIFF'S OFFICE
SHERIFF JEFF LEIKAUF

MEMORANDUM

TO: Board of Supervisors

FROM: Monica Ferguson, Agency Chief Fiscal Officer
Undersheriff Eric Palmberg

SUBJECT: Retroactive Agreement #7158 Amendment I, State of CA

DATE: March 11, 2026

The purpose of this memorandum is to provide explanation for the retroactive nature of Amendment I for agreement 7158 with the State of California.

Conversations over the Pine Hill Radio tower begin in 2025 as the Sheriff's Office continued progress on our Simulcast project to increase radio access throughout the County. EDSO was to receive the lease amendment from the state in September/October 2025, but it was not received until December.

Additional conversations between EDSO and the State occurred causing minimal changes to the lease and further delays. It was finally agreed upon that EDSO would pay an increased lease beginning March 1, 2026, as the additional equipment was onsite and operational.

The ongoing conversations resulted in delays getting the item on the calendar causing the item to be retroactive.

A handwritten signature in blue ink, appearing to read "Eric Palmberg", written over the printed name.
