Subject Public Hearing on 11 August 2009

Reference: Special Use Permit S09-0003 for installing a LED Sign

I object of the installation of a LED reader board sign at the corner of El Dorado Hills Blvd. and Harvard Wa does not fit into the El Dorado Hills community and would cheapen the "signature" El Dorado Hills Bouleva signage would also be a precedent to allow other businesses along El Dorado Hills Blvd, say at St. Andrew's the future.

Thank you.
