George Turnboo
Supervisor, District 2
El Dorado County
330 Fair Lane
Placerville, CA 95667

Dear Supervisor Turnboo,

The Cameron Park Community Services District (CPCSD) is seeking approval to host a public fireworks display on **Saturday, June 28, 2025**, at **Cameron Park Lake** as part of our **25th Annual Summer Spectacular**. The display will be similar in size and scope to those in previous years, continuing a tradition that our community looks forward to each summer.

To ensure compliance with all safety regulations, the **Cameron Park Fire Department Fire Marshal** will review and approve the permit application in accordance with current **California State Fire Marshal regulations**. As in past years, we are addressing key logistical concerns, including **public safety, traffic management, parking, security, and radio communications**.

We have also secured permission from the **Cameron Park Airport District** to utilize roadways and taxiways within the airpark for vehicle parking. Additionally, we are coordinating with **County DOT** to establish a no-parking fire lane along a half-mile section of **Cambridge Road** and three side streets to ensure emergency vehicle access. We are in the process of reaching out to the **California Highway Patrol** for assistance in managing traffic flow in the general viewing area around Cameron Park Lake. As always, we will collaborate with **adjoining fire districts** to strategically position emergency response personnel both inside and outside the event venue.

We respectfully request that the **25th Annual Summer Spectacular** be placed on the **El Dorado County Board of Supervisors' agenda** to secure the necessary approvals and support for the fireworks display.

If you have any questions or require further details, please feel free to contact me at **(530) 683-7844**.
Your continued support of this beloved community event is truly appreciated.

Best Regards,

Maurice Johnson
