Summary of qualifications I attended Holy Cross Junior College, Indiana University and Golden Gate University with a major in accounting. I worked for 40+ years in accounting and finance with private/public companies.. For at least 35 years I was Controller or Chief Financial Officer . Human Resource was either my direct responsibility or a direct report to me most of my career. I have been involved with representing the company to numerous unions over the years. There were no employment law suits filed against any company while I was employed.			
Affiliations with professional and/or community groups None			
Why do you seek appointment? I have been serving on the EDC Civil Grand Jury for the last three years. I have enjoyed learning about our County and getting to know many County employees. I have termed out of the Grand Jury and am looking for another way to serve the County. I believe my work experience as well as my 3 years on the Grand Jury make the Civil Service Commission a good fit. What I know from direct work experience and interviewing techniques honed with the Grand Jury I believe I can be an asset to the Commission. .
