	Originally Adopted: 11/08/1988	Last Revised Date: 064/1992/20

I. PURPOSE

The purpose of this policy is to:

- B. Give special consideration for emergency projects by public agencies, and for life threatening and/or fire safety needs being addressed for the public.

Commented [TS1]: Making it consistent with II (B)(6)

II. POLICY

- A. Except as otherwise provided by ordinance, County departments and offices shall charge all public agencies and non-profit organizations the same filing fees and other costs as those charged to private citizens, where those fees are levied to offset the County's costs to provide related services.
- B. Fees may be waived for building permits, encroachment permits, variances, zone reclassifications, administrative permits, use permits, or other County permits, only if the Chief Administrative Officer makes any one of the affirmative findings as specified below:
 - 1. The levying of the fee in question would result in extreme financial hardship to the requesting entity;
 - 2. The applicant has been delayed due to actions taken by the County;
 - 3. A facility or project proposed by a non-profit corporation or special district will provide a substantial public benefit;
 - 4. There is no actual cost to the County for the expense in question. For example, if the Building Department is required to inspect a structure, the fee related to providing this service will be levied. However, if inspection is not required, the fee may be waived;
 - 5. The project is being carried out by a local public agency and is an emergency project;

 - 7. The project has been damaged or destroyed by an act or event that has been declared a disaster by the Board of Supervisors, or a theft or crime where insurance is inadequate to pay the applicable fees.
- C. A fee for appeal of a decision of the approving authority may not be waived.

III. PROCEDURE

- A. Fee waivers will be monitored per fiscal year and reviewed along with County operations, staffing and revenue status. Consideration is given to the impacts of pro-bono work to ensure no delay is caused in meeting internal goals for timely plan review/inspections.
- B. An applicant applying for a fee waiver shall present a request in writing to the Department Head of the department that charges the fee in question. The request shall contain a description of the project in question along with documentation necessary to establish eligibility for a deferral or waiver.
- C. An applicant applying for a fee waiver based upon non-profit status shall submit the necessary documentation to verify such status.
- D. An applicant for a fee waiver based upon financial hardship/low-income will be required to certify gross annual income and household size. The department that charges the fee in question will use the annual Department of Housing and Urban Development (HUD) area Median Family Income table to determine eligibility. Current low-income eligibility is set at 80% area Median Family Income (OR persons age 62 or over on a fixed, very low income as defined by HUD).
- E. A maximum amount of up to \$1,000 may be waived for each requestor per project per fiscal year (July 1 through June 30), unless approved by the Board of Supervisors.
