

Letter of Intent
Comprehensive Drug Court Implementation
Adult Drug Court Programs
Fiscal Year 2006-07

A letter of intent on the additional \$4.0 million for funding CDCI adult drug court programs is requested by the Department of Alcohol and Drug Programs (ADP). The letter of intent is not binding on either the county or ADP. The letter of intent offers an opportunity for the county to identify their ability to expend their additional allocation and/or their need for an increased allocation. Failure to submit a letter of intent disqualifies the county from being considered for the additional \$4.0 million for CDCI adult drug court programs.

In replying to this Letter of Intent please reference the enclosed FY 2006-07 Budget Act Allocation-Augmentation table identifying the CDCI distribution amounts for each CDCI drug court program county.
