Mission to Honor Veterans is a virtual “trip” to Washington, D.C. to honor our veterans. *Mission to Honor Veterans* is an invitation-only event and is no-cost to any veteran. This special excursion will allow veterans an opportunity to “visit” the National War Memorials without having to leave our local area. See the back of this page for more program details.

Reserve Your "Trip" Today!

Space is Limited – Participants are chosen on a first come basis, with preference given to older veterans and terminally ill veterans.
