Recitals

Whereas, the County is in the process of completing environmental review of,
and designing and engineering, a new roadway to be known as the Diamond Springs
Parkway (the "Parkway") which will connect Missouri Flat Road to Highway 49; and

Whereas, the studied alternative alignments of Parkway, although not fully
designed, are anticipated to be constructed on an alignment which would require right
of way through or along the boundary of the Property; and

Whereas, the County is seeking certainty in the ability to acquire the necessary
right of way through the Property in accordance with the proposed plans and
Landowner is willing to provide such assurance for a defined period of fifteen years

interest that the Parkway be constructed providing Landowner with frontage on a
major County road and based on such consideration Landowner is willing to convey

At such time as the County accepts this irrevocable offer of dedication, the resolution of the County accepting the dedication will contain the final description of the right of way area, and any excess right-of-way not necessary for the Parkway shall be vacated back to Landowner in accordance with California Government Code section 7050.
