To whom it may concern,

My name is Daniel Joseph (27), I am a student at the University of California at Davis. I lived with Linda and Richard Mitcham for a year in 2125 Cramer Ct, Cool, CA 95614. Back then, I enrolled in a community college and started my academic career. After a few months in this technologically underserved area, I, unfortunately, had to relocate to Sacramento where I was able to complete my college courses online. Had there been an appropriate internet and cell infrastructure in the area of Cramer Ct, I would have stayed.

I am certain that putting the AT&T tower in 2125 Cramer Ct will facilitate many residents.

Best,

Daniel Joseph
