Dear Supervisor Briggs:

On behalf of the Grizzly Flats Fire Safe Council, I am writing you to support funding the El Dorado County Fire Safe Council with Title III monies.

The El Dorado County Fire Safe Council, our parent council, not only provides administrative support to us (such as grant administration, insurance umbrella, 501C3 status, etc.), but provides an extremely valuable service to the entire County of El Dorado.

The El Dorado County Fire Safe Council has obtained funding and provided services for vegetation chipping, green waste dumpsters, shaded fuel breaks and other very valuable fuel reduction programs. This ultimately reduces the likelihood of one of our communities in this county experiencing a catastrophic wildfire.

Please help the El Dorado County Fire Safe Council in its goal in being financial stable.

Thank you for your consideration.

Respectfully,

Mark Almer
Chairman
