#### RECITALS

WHEREAS, County and Contractor entered into the Underlying Agreement pursuant to which Contractor provides services to County, and in conjunction with the provision of such services, certain Protected Health Information ("PHI") and Electronic Protected Health Information ("E PHI") may be made available to Contractor for the purposes of carrying out its obligations under the Underlying Agreement; and

WHEREAS, the provisions of the Health Insurance Portability and Accountability Act, Pub. L. No. 104-161 of 1996 ("HIPAA"), more specifically the regulations found at Title 45, CFR, Parts 160 - 164 (the "Privacy and Security Rule"), as may be amended from time to time, which are applicable to the protection of any disclosure of PHI pursuant to the Underlying Agreement; and

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule; and

WHEREAS, Contractor, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule; and

WHEREAS, "Individual" shall have the same meaning as the term "individual" in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g); and

WHEREAS, the parties agree that any disclosure or use of PHI or E PHI be in compliance with the Privacy and Security Rule or other applicable law;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. **Definitions.** Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.
  
2. **Scope of Use and Disclosure by Contractor of County Disclosed PHI**
  - A. Contractor shall be permitted to use PHI disclosed to it by the County:
    - (1) on behalf of the County, or to provide services to the County for the purposes contained herein, if such use or disclosure would not violate the Privacy Rule if done by the County, or the minimum necessary policies and procedures of the County
    - (2) as necessary to perform any and all of its obligations under the Underlying Agreement.
  - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or Required by Law, Contractor may:
    - (1) use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
    - (2) disclose the PHI in its possession to a third party for the purpose of Contractor's proper management and administration or to fulfill any

legal responsibilities of Contractor. Contractor may disclose PHI as necessary for Contractor's operations only if:

- (a) The disclosure is Required by Law; or
  - (b) Contractor obtains written assurances from any person or organization to which Contractor will disclose such PHI that the person or organization will:
    - (i) hold such PHI in confidence and use or further disclose it only for the purpose of which Contractor disclosed it to the third party, or as Required by Law; and,
    - (ii) the third party will notify Contractor of any instances of which it becomes aware in which the confidentiality of the information has been breached.
- (3) aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
- (4) not disclose PHI disclosed to Contractor by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
- (5) de-identify any and all PHI of County received by Contractor under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
- C. Contractor agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as Required by Law, or as otherwise permitted by law.

3. Obligations of Contractor. In connection with its use of PHI disclosed by County to Contractor, Contractor agrees to:
- A. Use or disclose PHI only as permitted or required by this Business Associate Agreement or as Required by Law.
  - B. Use reasonable and appropriate safeguards to prevent use or disclosure of PHI other than as provided for by this Business Associate Agreement.
  - C. To the extent practicable, mitigate any harmful effect that is known to Contractor of a use or disclosure of PHI by Contractor in violation of this Business Associate Agreement.
  - D. Report to County any use or disclosure of PHI not provided for by this Business Associate Agreement of which Contractor becomes aware.
  - E. Require sub-contractors or agents to whom Contractor provides PHI to agree to the same restrictions and conditions that apply to Contractor pursuant to this Business Associate Agreement.

- G. Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic PHI that it creates, receives, maintains, or transmits on behalf of the County and to follow generally accepted system security principles as required in final rule 45 CFR Parts 160-164.
  - H. Contractor will report any security incident of which it becomes aware to the County. Security incident means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations.   - I. Obtain and maintain knowledge of the applicable laws and regulations related to HIPAA, as may be amended from time to time.
  - J. May use PHI to report violations of law to appropriate Federal and State Authorities, consistent with § 164.502(j) (1).

- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County.
  - B. To make any amendment(s) to PHI in a Designated Record Set that the County directs or agrees to at the request of County or an Individual within sixty (60) days of the request of County.
  - C. To assist the County in meeting its disclosure accounting under HIPAA:
    - (1) Contractor agrees to document such disclosures of PHI and information related to such disclosures as would be required for the County to respond to a request by an Individual for an accounting of disclosures of PHI.
    - (2) Contractor agrees to provide to County or an Individual, within sixty (60) days, information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.

  - E. Within thirty (30) days of receiving a written request from County, make available any and all information necessary for County to make an accounting of disclosures of County PHI by Contractor.
  - F. Within sixty (60) days of receiving a written request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in Contractor’s possession constitutes a Designated Record Set.

- G. Not make any disclosure of PHI that County would be prohibited from making.

5. Obligations of County.

- A. County agrees that it will make its best efforts to promptly notify Contractor in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect Contractor's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- B. County agrees that it will make its best efforts to promptly notify Contractor in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect Contractor's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- C. County agrees that it make it's best efforts to promptly notify Contractor in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect Contractor's use of disclosure of PHI.
- D. County shall not request Contractor to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that Contractor can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. Term – this Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to Contractor, or created or received by Contractor on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. Termination for Cause. Upon the County's knowledge of a material breach by the Contractor, the County shall either:
  - (1) Provide an opportunity for the Contractor to cure the breach or end the violation and terminate this Agreement if the Contractor does not cure the breach or end the violation within the time specified by the County.
  - (2) Immediately terminate this Agreement if the Contractor has breached a material term of this Agreement and cure is not possible; or
  - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
- C. Effect of Termination.
  - (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the Contractor shall return or destroy all PHI received from the County, created or received by the Contractor on behalf of the County. This provision shall apply to PHI that is in the possession of subcontractors or agents of the Contractor.

Contractor shall retain no copies of the PHI.

- (2) In the event that the Contractor determines that returning or destroying the PHI is infeasible, Contractor shall provide to the County notification of the conditions that make return or destruction infeasible. Upon {negotiated terms} that return or destruction of PHI is infeasible, Contractor shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as the Contractor maintains such PHI.

7. HIPAA Business Associate Indemnity

Contractor shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Business Associate Agreement. Contractor shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such

interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

8. Amendment – the parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
9. Survival – the respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
10. Regulatory References – a reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
11. Conflicts – any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
