

EL DORADO COUNTY COMMUNITY ACTION COUNCIL

330 FAIR LANE, BUILDING A

PLACERVILLE, CA 95667

PURPOSE AND MISSION

- The Community Action Council, CAC, is to advise the El Dorado County Board of Supervisors and the Health and Human Services Agency about the needs of the community focusing on low-income residents of El Dorado County. The council strives to provide an avenue of participation for local government, private organizations, and private citizens of the community in serving the most vulnerable populations. The Council is also to educate the community on human services and available resources in El Dorado County and participate in developing collaborative solutions and improving the quality of life for residents of El Dorado County.

VISION AND VALUES

- We value the community's needs, connecting them with community resourcesValidating
 - and recognizing the need for a greater change.
- Focusing on commonality, inclusion and meeting people where they are to bring people together and improve their lives.
- We envision our growing community as a place where every individual can thrive and inspire hope through access to resources and community connection, one person and family at a time.

WHAT WE DO?

PUBLIC
OUTREACH

INFORMATION
SHARING

PROGRAM
REVIEW

PUBLIC OUTREACH

- Connecting low-income residents to resources and services.
- Providing assistance information to charitable organizations who serve low-income residents.
- Create new opportunities to enhance the size and scope of public outreach.
- Increase visibility of low-income programs through Newsletters, Press Releases and Community Resources web pages.
- Envision effective ways of communicating with the public to raise awareness about low-income programs that may assist them or someone they know.

INFORMATION SHARING

- Provide assistance opportunities to charitable organizations who serve low-income residents.
- Provide opportunities for different organizations and groups to share their experiences locally.
- Discuss how low-income residents are affected by economic changes in our region.
- Contribute to useful discussions about how best to serve community members.
- Share information about different organizational operations and how to be more effective.

PROGRAM REVIEW

- Review and promote programs and opportunities that are beneficial to low-income residents.
- Consider the feasibility of low-income programs, due to many factors such as funding.
- Overcoming stigmas associated with certain behaviors and/or assistance programs.
- Reflect upon prior assistance programs and their successes.
- Conceptualize ways of solving homelessness and promoting self-actualization through assistance programs that are available from El Dorado County and the State of California.
