Federal, State, and Local Laws: The successful bidder must operate in conformity with all applicable, federal, state, and local laws. Failure to comply with this provision may be cause to cancel any contract awarded, and award will be made to the next lowest, responsive, responsible bidder.

Business License: It is unlawful for any person to furnish supplies or services, or transact any kind of business in the unincorporated territory of El Dorado County without possessing a County business license unless exempt under County Code Section 5.08.070. Local Vendor Preference: In accordance with Board of Supervisor's Policy C-17, Section 5.7.1, a local preference credit of 5% for El Dorado County businesses will be permitted when evaluating bids for supplies and equipment that are not part of a public project.

In order to qualify for the local preference authorized by this section, the vendor seeking such preference shall be required to submit with its bid a statement containing relevant information which demonstrates compliance with the provisions of this section. The statement shall be on a form provided by the Purchasing Agent and shall be signed under penalty of perjury. Any person, firm, corporation or entity intentionally submitting false information to the County in an attempt to qualify for local preference may be prohibited from bidding on El Dorado County products and services for a period of one (1) year from the date of the false submittal. Compliance: Late, incomplete, incorrect deliveries, or excessive back orders will be documented, and performance evaluated when considering contract continuation or extension. Inaccurate or erroneous billing will also be documented and monitored for the purpose of evaluating performance when considering continuation or extension of contract. Failure to meet quoted delivery time frames, or inaccurate or erroneous invoices (as determined by the Purchasing Agent) may be cause for the County to cancel the balance of the awarded purchase order contract and award will be made to the next lowest bidder. Failure to receive County concurrence for substitutions or alternates will be documented and considered when evaluating continuation or extension of contract.

Invoices and Payment Terms: Invoices are to be mailed to the County department(s) specified on the resulting purchase order or contract. All invoices must include the purchase order number or contract number; County stock numbers when applicable; product description; and reference to back ordered items. Invoices must be exclusive of product other than bid items. Failure to comply may result in delayed payments.

The County will make payment on a Net forty-five day (45-day) basis unless a cash discount of one-half percent (1/2%) or greater, which amounts to \$2.50 or more, is allowed for payment within not less than twenty (20) days. The payment term shall begin on the date the merchandise is inspected, delivered and accepted by the County, or on the date a correct invoice is received in the office specified in the order, whichever is later. Prompt payment discounts shall be considered earned if payment is postmarked or personally delivered within the prescribed term. The beginning date described above shall be considered day zero for the purposes of counting days in the prescribed term.

El Dorado County Website Requirements: It is the bidder's responsibility to monitor the PlanetBids website for possible addenda to this bid to inform him/herself of the most current specifications, terms, and conditions, and to submit his/her bid in accordance with the original bid requirements and all addenda. All available bids and related addenda can be found at:

<https://pbsystem.planetbids.com/portal/48157/portal-home>

Failure of bidder to obtain this information shall not relieve him/her of the requirements contained therein. Those bidders not acknowledging and returning addenda as required will not be considered and will be rejected as "non-responsive."

Public Agency: It is intended that other public agencies (i.e., city, special district, public authority, public agency and other political subdivisions of the State of California) shall have the option to participate in any agreement created as a result of this Invitation to Bid with the same terms and pricing. The County shall incur no financial responsibility in connection with a purchase order from another public agency. The public agency shall accept sole responsibility for placing orders and making payment to the vendor. The County will not be a party to contracts with other public agencies.

Addenda: Addenda to this bid are valid only if in writing and issued by the Procurement & Contracts Division and are required to be acknowledged and returned by participating bidders in order for the bidder to be considered further in the evaluation process. Unless otherwise indicated, those bidders not acknowledging and returning Addenda as required will not be considered and will be rejected as "non-responsive."

Non-Collusion: The bidder certifies that this bid response is made without any previous understanding, agreement or connection with any person, firm or corporation making a bid for the same project, and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.

Conflict of Interest: Bidder states that no County officer or employee, nor any business entity in which they have an interest, has an interest in the bid award been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract.

Evaluation: Bids will be evaluated based on meeting or exceeding minimum specifications. Bids submitted on the basis of "All or Nothing" may be rejected. Bid evaluation shall include applicable prompt payment terms discount. If payment cannot be made within the discount period, payment terms shall revert to Net forty-five (45) days.

Bids shall be evaluated by determining low material cost, plus total costs to County for hauling. Hauling costs will be determined using the round trip hauling rate of \$1.67 per mile and assuming an average load size of **10** tons.

Example: 50 mile round trip with average load size of 10 tons per load

50 miles x 1.67 per mile = \$83.50 per round trip/load

500 tons (estimated annual) / 10 tons per load = 50 loads

Hauling Costs: \$83.50 per trip/load x 50 loads = \$4,175.00

The example above is for illustrative purposes only.

In determining whether a bid is lowest and responsive, and the bidder is responsible, the following may be considered by the County: (a) Ability to perform the service required within the specified time; (b) Reputation, judgment and experience; (c) The quality of performance in previous contracts; (d) Previous compliance with laws as well as employment practices; (e) Financial ability to perform the contract; (f) The quality, availability and adaptability of the supplies or the contractual services to the particular use required; (g) Ability to provide maintenance and service; (h) Whether the bidder is in arrears to the County, in debt on contract, is a defaulter on surety to the County or whether the bidder's taxes or assessments are delinquent; (i) The resale value and life cycle costs of the items; and (j) Such other information as identified in the Purchasing Ordinance having bearing on the decision to make the award. The decision of the County Board of Supervisors shall be final in determining the successful bidder.

To respond, online bidders must register with the County's online bidding system, PlanetBids, at <https://pbsystem.planetbids.com/portal/48157/portal-home>. Exhibit "A" STANDARD TERMS AND CONDITIONS

By shipping on an order, the Vendor warrants that they have read and are in compliance with these instructions.

- 1. Taxes:** County is exempt from payment of Federal Excise Tax; Federal tax should not be included in any prices contained herein.
- 2. Alterations:** No alteration in any of the terms, conditions, delivery, price, quantities, specifications or services of this contract will be effective without prior consent of the County.
- 3. Failure to Deliver:** Time is of the essence and the contract is subject to cancellation for failure to deliver on time. If Vendor fails to deliver an article or service of the quality or quantity, in the manner or within the time called for by this contract: such article or service may be bought from any source by County. If a greater price than named in this contract is paid for such article or service, the excess cost will be charged to and collected from Vendor or sureties on its bond if bond had been required; or, the County may terminate the contract for default; or, the County may return deliveries already made and receive a refund. For any exception to the delivery date as specified on this contract, the Vendor shall give prior notification and obtain approval thereto from the County. Failure or refusal of Vendor to perform any work or service or do any act required under this contract shall constitute a default.
- 4. Force Majeure:** Vendor shall not be liable for any delay or failure to deliver any or all the goods or services if that delay or failure is caused by labor disputes, strikes, war, riots, insurrection, civil commotion, fire, flood, accident, storm or any act of God. The County shall not be liable for failure to take delivery of the goods attributable to any of the causes specified in this paragraph if they render it commercially impractical for the County to receive the goods. When either Vendor or the County claims an excuse for nonperformance under this paragraph, they must give reasonable notice to the other party.
- 5. Proposal, Quotation and Attachments:** This contract incorporates by reference on the face of this form, the provisions of any related bid request issued by County, any bid submitted by Vendor, or both. This contract incorporates by reference on the face of this form, the provision of any attachments. Vendor agrees that in the event of conflicting language between this contract and Vendor's printed form, the provisions of this contract shall take precedence. This section shall supersede any language in the Vendor's terms and conditions attempting to nullify County terms and conditions or to resolve language conflicts in favor of the Vendor's terms and conditions.
- 6. Warranty:**
 - 6.1 Warranty For Goods:** Vendor warrants that any and all goods covered by this contract will be (i) new and suitable for the use intended, unless otherwise specified; (ii) will conform to the drawings, specifications, samples, description and time provisions furnished by the County; (iii) of the grade and quality specified; (iv) free from defect in design, material and workmanship; and (v) in compliance with all applicable federal, state and local laws and regulations. At County's option, Vendor shall repair or replace the goods without charge within five (5) business days from being notified of the nonconformance with the foregoing warranties. If, after notice, the Vendor cannot promptly replace or repair the goods, Vendor shall refund the full purchase price paid by County for such goods. Defective goods rejected by the County may, without prejudice to any other legal remedy (including, without limitation, incidental and consequential damages) be held at Vendor's risk and returned to Vendor at Vendor's expense. This warranty shall not be deemed to be waived by the County for any reason, including, without limitation, the County's acceptance of the goods or the County's failure to notify Vendor thereof. Further, the failure of the County to reasonably specify any defects in rejected goods shall not prevent the County from relying on the defect to establish a breach, even though the Vendor could have cured the defect on proper notification.
 - 6.2 Warranty for Services:** Vendor warrants to County that any and all materials and equipment incidental to services that are furnished under this contract will be new unless otherwise specified and that all services will be of good quality, free from faults and defects and in conformance with the contract. Neither final payment nor inspection of Vendor's services shall constitute an acceptance of services not done in accordance with this contract or relieve Vendor of liability in respect to any express warranties or responsibilities for faulty material or workmanship. Upon request of County, Vendor shall immediately remedy any defects in the services, materials and/or equipment and pay for any damage resulting therefrom. The County shall have the unqualified option to make any needed replacement or repairs itself or to have such replacement or repairs done by the Vendor. In the event the County elects to have said work performed by the Vendor, the Vendor agrees that the repairs shall be made and such materials as are necessary shall be furnished and installed within a reasonable time after the receipt of demand from the County; however, in no event shall such period exceed fifteen (15) calendar days. If the Vendor shall fail or refuse to comply with its obligations under this section, the County shall be entitled to all costs and expenses, including attorney's fees, reasonably incurred by reason of the said failure or refusal.
