On Legistar Item 15-0412 V3 Reso 083-2017, HHSA received approval for HHSA staff to sign documents in relation with the CDPH grant contract 132-F1811.

The CDPH grant 132-F1811 has ended in June of 2022, and CDPH is in process of setting up a new grant with the County of El Dorado. Before CDPH will process the new grant, EMS/EP needs to have the contractors release form signed. Since all signing authority for this document has been assigned to HHSA, we are seeking Board approval for the Deputy CAO to be able to sign this form.

Attached - Original Blue Route for the contract, Exhibit H from 132-F1811

***INSTEAD OF TAKING EXHIBIT H AS A STAND ALONE DOCUMENT, EMS IS GOING TO TAKE A RESOLUTION TO THE BOS TO AUTHORIZE THE CAO OR DEPUTY CAO TO SIGN DOCUMENTS TO MANAGE THE GRANT SINCE THE CDPH GRANT CONTRACT, INCLUDING EXHIBIT H WERE ALREADY APPROVED BY THE BOS. THIS BLUE ROUTE IS SOLELY FOR THE RESOLUTION ATTACHED.

HR APPROVAL: WILL BE REVIEWED THROUGH WORKFLOW
