Event/Project Description

1. Describe the purpose of the event/project/organization for which funds are being requested.
A recently constructed roundabout in Camino will soon receive a finishing touch: a new sculpture from local artist Terrie Bennett. The sculpture—an artful rendering of an apple—represents an exercise in community self-definition and an elegant exploration of the culture, economy and values of Camino Fruitridge District.

2. How will the event/project support or produce a public benefit to El Dorado County?

The sculpture will beautify the roundabout and welcome visitors to the ranches, wineries, restaurants, and other retail venues in the area. It will also place Camino alongside other cities and towns with roundabout artworks, making a positive, forward-looking statement about the community.

California Levine Act Statement

California Government Code section 84308, commonly referred to as the "Levine Act," prohibits any officer of El Dorado County from participating in any action related to a contract if he or she receives any political contributions totaling more than two hundred and fifty dollars (\$250) within the previous twelve (12) months, and for twelve (12) months following the date a final decision concerning the contract has been made, from the person or company awarded the contract. The Levine Act also requires disclosure of such contribution by a party to be awarded a specific contract. An officer of El Dorado County includes the Board of Supervisors, and any elected official (collectively "Officer"). It is the Grantee's responsibility to confirm the appropriate "officer" and name the individual(s) in their disclosure.

Have you or your company, or any agent on behalf of you or your company, made any political contributions of more than \$250 to an Officer of the County of El Dorado in the twelve months preceding the date of the submission of your proposals or the anticipated date of any Officer action related to this contract?

Answering YES to either of the two questions above does not preclude the County of El Dorado from awarding a contract to your firm or any taking any subsequent action related to the contract. It does, however, preclude the identified Officer(s) from participating in any actions related to this contract.
