TERM

2.1 This Agreement shall commence on the Effective Date and shall automatically expire concurrently with the expiration of the Prime Contract, on June 30, 2030 (the “**Expiration Date**”); unless, prior to the date of expiration of the Prime Contract, AHP shall assign, and DHCS shall accept, an assignment of AHP’s duties and obligations pursuant to this Agreement (the period from the Effective Date through the Expiration Date shall be referred to herein as the “**Term**”), unless earlier terminated by AHP or DHCS.

2.2 Upon the expiration of the Term, there shall be no extension or renewal of the Term of this Agreement, unless the Parties and DHCS otherwise agree in writing.

2.3 Notwithstanding the foregoing or anything to the contrary contained herein, AHP and/or DHCS shall have the termination rights as set forth in Article 9 and Article 10 of this Agreement.

ARTICLE 3.

PROGRAM FUNDS

The Sponsor has been awarded the Program Funds in the amount set forth in this Agreement to be used solely for the purposes set forth in this Agreement and as detailed in the SOW and for no other purposes. The Sponsor shall be responsible for any costs to complete the Project in excess of the Program Funds award amount. The Sponsor shall return any excess or remaining Program Funds to the State upon completion of the Project.

This Agreement is entered into, and the obligation to fund is made, based upon the appropriation and availability of funds from the Behavioral Health Infrastructure Fund as defined in and created pursuant to California Welfare & Institutions Code §5965.03. In the event that this appropriation is reduced subsequent to the Effective Date of this Agreement, AHP may, with written approval from DHCS, reduce the amount of Program Funds awarded to the Sponsor or cease to provide funding and pursuant to Section 10.1 of this Agreement, terminate the Agreement.

ARTICLE 4.

CONDITIONS OF DISBURSEMENT

AHP shall disburse the Program Funds to the Sponsor for the amount of any reasonable, actual, and documented Project specific fees and expenses incurred by the Sponsor on or after [Month/Day/Year], the date of the Notice of Conditional Award Letter, issued by DHCS to the Sponsor, upon satisfaction of the requirements described in Section 4.1 below.

Program Funds disbursed for real property acquisition shall be disbursed only upon satisfaction of the requirements in Section 4.1 and the additional requirements of Section 4.2 below.

Program Funds to be disbursed for construction costs, including for costs of demolition, shall be disbursed only upon satisfaction of the requirements of Section 4.1 and the additional requirements described in Section 4.3 below. For the avoidance of doubt, under this Agreement, “demolition” shall mean and refer to the dismantling, razing, destroying, or wrecking of any building or structure, or any part thereof.

Program Funds shall be disbursed to the Sponsor for costs incurred for the Project within forty-five (45) days of receipt of a complete request for Program Funds, contingent upon the availability of Bond BHCIP Funds. The Sponsor shall submit requests for Program Funds every sixty (60) days, and no later than one hundred eighty (180) days from the date the Sponsor incurs the expense. Such request for Program Funds must be approved, and all requirements as set forth in this Article 4 must be satisfied in the sole discretion of AHP or its designee, and DHCS, as applicable.

Notwithstanding the foregoing, or any provisions in this Agreement to the contrary, any request for disbursement of Program Funds submitted after April 30th of any fiscal year ending June 30th may be subject to delayed review, processing, and disbursement, without liability to the Sponsor.

4.1 Requirements for Disbursement of Program Funds. No Program Funds shall be released to the Sponsor for any Project costs until the Sponsor submits, and AHP and DHCS approves, the documents described below, and any additional supporting information, as may be required:

- 4.1.1 a fully executed copy of this Agreement, including all Attachments;
- 4.1.2 the Sponsor’s request for Program Funds, with all required supporting documents appended thereto;
- 4.1.3 an executed copy of Certification No. 2, “Related Party & Related Party Transaction Disclosure;”
- 4.1.4 a completed Government Agency Taxpayer ID Form;
- 4.1.5 a projection model on the approved template provided to the Sponsor by AHP or DHCS presenting expected expenditures of Program Funds (“**Projection Model**”);

- 4.1.7 evidence in the form of account statements that the Sponsor has established a single-purpose individual development bank account (“**IDBA**”) for the purposes of receiving Program Funds and paying fees and expenses directly related to the Project, as detailed in the Project budget attached as Schedule 1 to the SOW. The IDBA shall be a joint bank account in the name of the

Sponsor and AHP, allowing AHP the ability to deposit funds and monitor fund disbursement. The joint account shall only allow withdrawals by the authorized Sponsor agent. Withdrawals shall not be authorized by AHP or its designee;

4.1.8 evidence in the form of account statements that any funds required to match the Program Funds pursuant to the RFA (“**Match Funds**”) have been deposited within ninety (90) days of the Effective Date of this Agreement into the AHP-designated Match Funds bank account or a segregated fund maintained by the Sponsor; or, in the event the Match Funds are an in-kind contribution, in lieu of cash, including real property upon which the Project is to be constructed or operated and/or the amount of any reasonable, actual, and documented Project specific fees and expenses incurred by the Sponsor no more than one (1) year prior to [Month/Day/year], the date of the Notice of Conditional Award (“**Sunk Costs**”), the value of such in-kind contribution has been approved by AHP or DHCS, as may be required;

4.1.8.1 AHP and DHCS reserve the right to withhold up to twenty-five percent (25%) of total Program Funds (“**Withheld Funds**”) until such time as the Sponsor provides documents, in the form and substance acceptable to AHP or DHCS, verifying that the Sponsor expended its Match Funds or that the value of its in-kind contribution and/or Sunk Costs has been reviewed and approved by AHP or DHCS. If AHP or DHCS elects to exercise this right, AHP shall inform the Sponsor of that election in writing. AHP shall release the Withheld Funds only after the Sponsor provides documentation that adequately, as determined by DHCS, verifies that the Sponsor has expended its Match Funds or that the value of its in-kind contribution and/or Sunk Costs has been reviewed and approved by AHP or DHCS. Withheld Funds are entirely separate and distinct from Retention Funds, as described in Section 4.3.7.1 below;

4.1.10 intentionally omitted;

- 4.1.11 Evidence of insurance or self-insurance in the amounts and types sufficient to satisfy the requirements of Article 11 of this Agreement, subject to AHP approval, in its sole discretion;

If the Sponsor's interest in the real property upon which the Project is to be constructed or operated is a leasehold, then the Sponsor shall provide a current title report for the leasehold interest and the fee interest.
- 4.1.14 a signed opinion letter from the Sponsor's legal counsel certifying that this Agreement, the Declaration of Restrictions, and the Program Requirements do not conflict with any existing contract, agreement, or other requirement applicable to the Sponsor, the property upon which the Project is to be constructed or operated, or the Project, and are otherwise enforceable against the Sponsor; and such opinion letter shall be in the form and substance acceptable to AHP, and DHCS, in their sole discretion; or a written confirmation letter certifying that the Sponsor has reviewed a current title report reflecting all existing liens, encumbrances, taxes owed, easements, covenants, or any other restrictions for the real property upon which the Project is to be constructed or operated; has received delegated authority from the Board of Supervisors for the County of {{ county }} to the Department(s) of {{ county_department }} to accept Program Funds; comply with Program Requirements; and has determined there are no other deed restrictions, including restrictions of use of the Project; and such confirmation letter shall be in the form and substance acceptable to AHP, subject to DHCS's approval in its sole discretion; and
- 4.1.15 the Sponsor and DHCS have executed a Facility Access Agreement substantially in the form attached as **Attachment L**.

4.2 **Requirements for Disbursement of Program Funds for Acquisition Costs.** No Program Funds shall be released to the Sponsor for any Project costs related to the acquisition of real property until the Sponsor satisfies the requirements described in Section 4.1 above and the Sponsor submits, and AHP and DHCS approve, all documents described in this Section 4.2 and any additional information as may be required. Program Funds disbursed for acquisition of real property will be deposited directly into an escrow account opened by the Sponsor for the transfer of title of the real property with First American Title Insurance Company, unless another title company is approved by AHP and DHCS:

- 4.2.1 a fully executed purchase and sale agreement or other agreement evidencing the Sponsor's right to acquire the property upon which the Project is to be constructed or operated;

- 4.2.2 a written appraisal report setting forth an opinion of fair market value of the real property upon which the Project is to be constructed or operated prepared by a certified general appraiser licensed in the State of California (“**Certified Appraisal Report**”), which shall be in a form and substance acceptable to AHP and DHCS;
- 4.2.3 intentionally omitted;
- 4.2.4 evidence of any additional funds necessary for the Sponsor to acquire the property upon which the Project is to be constructed if the Program Funds are not providing the full amount of the acquisition costs;
- 4.2.5 signed escrow instructions, approved by AHP or DHCS, providing for the following:
 - 4.2.5.1 a Declaration of Restrictions in the form attached to this Agreement as **Attachment H** shall be recorded at the close of escrow against the real property upon which the Project is to be constructed or operated; and
 - 4.2.5.2 intentionally omitted.
- 4.2.6 completion of Certification No. 8 included as part of **Attachment F** shall be submitted to evidence the Sponsor’s performance of required due diligence; and

4.3 Requirements for Disbursement of Program Funds for Construction Costs. No Program Funds shall be released to the Sponsor for Project costs related to construction or demolition on the Project until the Sponsor satisfies the requirements described in Section 4.1 above and the Sponsor submits, and AHP and DHCS approve, all documents described below, and any additional information, as may be required:

- 4.3.1 the Sponsor Certification No. 1, in the form attached as **Attachment F**, and the Sponsor’s General Contractor’s Certification No. 12, certifying compliance with requirements related to public works projects pursuant to California Labor Code section 1720 *et seq.*, as well as all applicable federal labor and wage laws;

- 4.3.6 a written request for Program Funds on a form approved by AHP, providing sufficient detail and with sufficient supporting documentation to permit AHP or its designee to confirm that the request is consistent with the terms of this Agreement and the Project budget;
- 4.3.7 when a disbursement is requested to pay any contractor in connection with the construction work, the written request must be accompanied by (a) certification by the Sponsor’s architect or project manager that the work for which disbursement is requested has been completed (although AHP reserves the right to inspect or have its designee inspect the Project and make an independent evaluation) and (b) lien releases and/or mechanics lien title insurance endorsements reasonably acceptable to AHP;
 - 4.3.7.1 AHP shall retain ten percent (10%) of total Program Funds to the Sponsor (“**Retention Funds**”) until the Sponsor submits an executed copy of Certification No. 17, “Notice of Completion and Receipt of Conditional/Unconditional Final Releases of Liens,” as set forth in **Attachment F**. AHP shall release Retention Funds to the Sponsor only upon the Sponsor’s satisfaction of all applicable requirements in this Section 4.3.7.1 and the submission of Certification No. 17 in a form and substance acceptable to AHP or DHCS, and any additional supporting documentation, as may be required, subject to approval by AHP, its designee, or DHCS. Retention Funds are entirely separate and distinct from Withheld Funds, as described in Section 4.1.8.1 above; and
- 4.3.8 certifications in the form of **Attachment F** required for the disbursements of Program Funds, which shall be submitted within sixty (60) days of the completion of each Performance Milestone set forth in **Attachment G**.

4.4 **Disbursements for Pre-construction Expenses.** Notwithstanding anything to the contrary stated in this Article 4, or otherwise in this Agreement, Program Funds may be released to the Sponsor for certain pre-construction Project costs, subject to approval by AHP, its designee, or DHCS in its sole discretion; provided that the Sponsor has: (i) satisfied the requirements set forth in subsections 4.1.1, 4.1.2, 4.1.3, 4.1.4, 4.1.5, 4.1.6, 4.1.7, 4.1.8, 4.1.11, 4.1.12, 4.1.14, and 4.1.15; (ii) the Project budget includes pre-construction expenses; and (iii) the planning and pre-construction phase of Project development shall be completed within ninety (90) days of the Effective Date.

4.5 Monthly Submittal of Projection Model. The Sponsor shall continue to review, update, and resubmit to AHP no later than the 15th day of each month, its Projection Model forecasting anticipated Project expenses.

ARTICLE 5.

CONSTRUCTION PROJECTS/NOTICE TO PROCEED

In the event that Program Funds are used for the performance of construction or demolition on the Project, the Sponsor shall submit an updated budget and schedule to AHP and DHCS for its approval prior to the Sponsor's issuance of a notice to proceed to its general contractor. The updated budget and schedule shall be consistent with the final plans and specifications for the Project. The Sponsor shall not issue a notice to proceed to its general contractor until AHP and DHCS have approved the updated budget and schedule. AHP or DHCS shall use reasonable efforts to review and provide feedback on the updated budget within seven (7) business days. Notwithstanding the foregoing, AHP or DHCS may extend the period of review and feedback, with notice to the Sponsor, for an additional thirty (30) days without any liability to the Sponsor.

ARTICLE 6.

PERFORMANCE

The Sponsor shall comply with the schedule set forth in the Performance Milestones in **Attachment G** and shall provide each Certification contained in **Attachment F** within sixty (60) days of the completion of each Performance Milestone. The Sponsor shall provide regular progress reports to AHP but in all events at least once every thirty (30) days, including its progress toward meeting the Performance Milestones. The Project shall not be considered complete until the submission of either Certification No. 16 or Certification No. 17, as applicable, and Certification No. 18. The Sponsor may apply to AHP for an extension of any Performance Milestones or an extension to submit any required Certification, which AHP may approve, provided that the Sponsor has made a showing of good cause for such an extension and provided acceptable assurances for timely completion of the remaining Performance Milestones as determined by AHP. Any extension granted by AHP shall not be effective unless granted in writing, and such writing shall be considered an amendment to this Agreement and incorporated herein. In all events, all Program Funds must be obligated and expended by June 30, 2030.

FAILURE TO SATISFY ANY ONE OF THE CERTIFICATIONS AND/OR PERFORMANCE MILESTONES (UNLESS SUCH PERFORMANCE MILESTONE IS EXTENDED OR WAIVED IN WRITING BY DHCS) SHALL CONSTITUTE A BREACH OF THIS AGREEMENT AND ENTITLE AHP TO MANDATE THE SPONSOR TO RETURN TO THE STATE OF CALIFORNIA ANY PROGRAM FUNDS DISBURSED; IN ANY SUCH INSTANCE, AHP MAY, ONLY WITH DHCS APPROVAL, ALSO CANCEL THIS AGREEMENT WITHOUT OWING ANY DAMAGES OR OTHER PAYMENT TO THE SPONSOR.

ARTICLE 7.

FISCAL ADMINISTRATION

7.1 Disbursements of Program Funds to the Sponsor by AHP shall be deposited in the Sponsor's IDBA account unless such funds are to be used for acquisition of the property upon which the Project is to be constructed or operated, in which event the Program Funds shall be

deposited directly into an escrow account established with a title company for the purposes of acquisition of the property upon which the Project is to be constructed or operated. All interest earned from the deposit of Program Funds shall be used by the Sponsor for eligible Program administrative activities; however, any such use shall not exceed Five Hundred Dollars (\$500.00) per year. Program Funds shall be segregated from the Sponsor's other funds and shall only be disbursed from the IDBA account for eligible Program Funds costs.

7.2 AHP has approved the Sponsor's budget for the Project incorporated in the SOW at Attachment D, as such budget may be updated prior to issuance of a notice to proceed to the general contractor in accordance with Article 5. The Sponsor may adjust line items in the budget, including drawing upon any contingency amounts listed in the budget, only with the prior written approval from AHP and DHCS, provided that such adjustments do not increase the overall budget amount. If, upon completion of a particular phase or segment of the Project, the Program Funds allocated to that segment or phase have not been fully expended, the Program Funds allocated to the Sponsor for such segment of the Project shall remain available to the Sponsor for disbursement for subsequent segments of the Project; provided, however, in no event shall the total amount of the Program Funds available to the Sponsor exceed the amount set forth in this Agreement without a written amendment to this Agreement signed by both Parties and approved by DHCS.

7.3 The Sponsor shall notify AHP in a timely manner of any changes in the work required to be performed under this Agreement, including any additions, changes, or deletions to the plans and specifications approved by AHP. The Sponsor shall provide prior notice to AHP of any written change order before any of the following changes, additions, or deletions in work for the Project may be performed: (1) any change in the work the cost of which exceeds One Hundred Thousand Dollars (\$100,000); or (2) any set of changes in the work the cost of which cumulatively exceeds One Hundred Thousand Dollars (\$100,000); or (3) any material change in building materials or equipment, specifications, or the structural or architectural design or appearance of the Project as provided for in the plans and specifications approved by AHP; or (4) any changes in the schedule that will extend the completion date. Notice of any additions, changes, or deletions to the work shall not relieve or release the Sponsor from any other obligations under this Agreement or relieve or release the Sponsor or its surety from any surety bond.

7.4 The Sponsor shall provide AHP with an updated budget and schedule for the Project when fifty percent (50%) completion of construction work is achieved that shows all changes in costs and schedule from the budget and schedule provided to AHP prior to issuance of the Notice to Proceed.

7.5 Any Program Funds that have not been expended by the expiration of the Period of Performance set forth in the Summary Cover Sheet and the Attached Performance Milestones must be returned to DHCS with any accrued interest in excess of Five Hundred Dollars (\$500.00) per year, which may be used pursuant to Section 7.1 for administrative activities. Returned Program Funds shall be paid as directed by AHP or DHCS, no later than thirty (30) calendar days after the expiration of the applicable Period of Performance.

ARTICLE 8.

CHANGES TO STATEMENT OF WORK

8.1 The Sponsor shall not, without the prior written approval of DHCS, change either of the following: (i) the behavioral health purpose of the Project; or (ii) the population to be served by the Project, the foregoing, each, as described in (x) the Sponsor's Application, and (y) the SOW.

The Sponsor shall consider, and as part of its review of the Sponsor's change request, DHCS shall ensure, that any requested change to the purpose of the Project or the population to be served by the Project is tailored to provide behavioral health treatment that will meet community needs identified by local stakeholders, including the county board of supervisors, the county behavioral health director, providers of behavioral health services, and individuals who have or have had a mental health disorder or substance use disorder. DHCS shall approve or deny the Sponsor's request for change within thirty (30) days of DHCS' receipt of the request. DHCS's decision to disapprove a request to change the Sponsor's SOW is fact-specific, and the decision shall be final and not subject to further review. The Sponsor shall submit to AHP, with a copy to DHCS, its written request to change either (i) the behavioral health purpose of the Project; or (ii) the population to be served by the Project, which shall include a detailed description of the following criteria:

- 8.1.1 the changes to the services or the Project that the Sponsor is requesting to make;
- 8.1.2 a detailed explanation of why the change is necessary and justification for how the change in the Project meets the changing behavioral health needs of the county or geographic area that the Project serves;
- 8.1.3 the behavioral health population, services, and needs that the Sponsor's change will meet;
- 8.1.4 an attestation that the Sponsor will serve the same percentage (or more) of Medi-Cal beneficiaries as originally stated in the Sponsor's Application;
- 8.1.5 anticipated additional costs of changes to the Project, including a financial plan for meeting additional costs; and
- 8.1.6 any other information requested by AHP or DHCS to evaluate the Sponsor's request.

Any changes to the SOW approved by DHCS shall be provided to AHP and set forth as an amendment to this Agreement as required by Section 20.10 of this Agreement.

8.2 The Sponsor is solely liable and responsible for any increases in costs that exceed the Program Funds. In no event shall AHP or DHCS be responsible for any costs that exceed the Program Funds amount awarded for the Project. In the event that Project costs exceed the funds that the Sponsor has available to pay such costs, the Sponsor shall within thirty (30) days of such occurrence provide for notice to AHP of the financial plan for meeting such additional costs. A financial plan for meeting additional costs may include the Sponsor providing additional funds for the Project or the Sponsor incurring additional debt. A preliminary financial plan may be submitted to AHP in the form of a written confirmation that the Sponsor or designee shall request approval from the Board of Supervisors regarding the use of additional funds necessary to complete the Project. The Sponsor shall provide to AHP written confirmation of such Board of Supervisor approval within thirty (30) days of its submittal to AHP of its preliminary financial plan.

ARTICLE 9.
DEFAULT AND REMEDIES

9.1 Event of Default. Any of the following shall, after written notice by AHP or DHCS and expiration of any applicable cure period, constitute an “**Event of Default**” under this Agreement:

- 9.1.1 The Sponsor’s failure to satisfy the conditions precedent to disbursement of Program Funds, as set forth in Article 4 above, or to expend Program Funds pursuant to the terms of this Agreement;
- 9.1.2 The Sponsor’s failure to timely satisfy each or any of the conditions set forth in this Agreement or the Notice of Conditional Award Letter;
- 9.1.3 The Sponsor’s violation of any of the Program Requirements; and
- 9.1.4 AHP’s or DHCS’s determination of the following:
 - 9.1.4.1 the Sponsor has concealed any material fact from AHP or DHCS related to the Sponsor, the Application, the property upon which the Project is to be constructed or operated, or the Project; or
 - 9.1.4.2 any material fact or representation, made or furnished to AHP or DHCS by the Sponsor in connection with the Application, the Notice of Conditional Award Letter, or this Agreement which shall have been untrue or misleading at the time that such fact or representation was made known to AHP, or subsequently becomes untrue or misleading at the Sponsor’s fault; or
 - 9.1.4.3 any Certification provided by the Sponsor is determined to be untrue or misleading; or
 - 9.1.4.4 any objectives or requirements of the Program cannot be met in accordance with this Agreement or within applicable timeframes, as memorialized by this Agreement.

If the breach, violation, or default pursuant to Section 9.1 is not cured to AHP’s and DHCS’s satisfaction, as determined by AHP, subject to DHCS’s approval in its sole and absolute discretion, within **thirty (30) days** of notice to the Sponsor, provided in accordance with the notice requirements of this Agreement, then AHP, subject to DHCS’s approval, may declare an Event of Default under this Agreement.

- 9.2.1 Notwithstanding the foregoing, the Sponsor may request additional time to cure any Event of Default. AHP may, but shall not be required to, grant any such request, which request shall be subject to DHCS’s approval. AHP’s approval of the Sponsor’s request for additional time to cure shall be subject to the Sponsor’s continuing and diligent efforts to cure, and any additional cure period provided to the Sponsor shall be reasonable, as determined by AHP, subject to DHCS’s approval in its sole discretion. In no event shall any extension of the cure period exceed thirty (30) days. For the avoidance

of doubt, any extension of the cure period shall be granted in writing by AHP, subject to DHCS's approval in its sole discretion.

9.3 AHP/State/DHCS Remedies. Upon the occurrence of an Event of Default, AHP and/or DHCS may take any and all actions or remedies that are available under this Agreement, in law, or equity, including, but not limited to, the following:

ARTICLE 10. **TERMINATION**

10.1 AHP and/or DHCS shall have the right, each in its sole discretion and without prejudice to any other rights and remedies it may have under applicable law, to terminate this Agreement effective immediately upon written notice of such termination to the Sponsor if (i) an Event of Default is declared by AHP or DHCS; (ii) three (3) breaches, violations, or defaults by the Sponsor of the terms and conditions of this Agreement (whether the same or different) occur within any twelve-month period, so long as such breaches, violations, or defaults are caused by the Sponsor's negligence or willful misconduct, and regardless of whether any or all such breaches, violations, or defaults are timely corrected; (iii) the Sponsor files a petition in bankruptcy or is adjudicated by a court of competent jurisdiction to be bankrupt or insolvent, or makes an assignment for the benefit of creditors or an arrangement pursuant to any bankruptcy law, or the Sponsor discontinues or dissolves its business, or a receiver is appointed for the Sponsor or the

Sponsor's business; (iv) any lender to the Sponsor declares a default under its loan agreement, or funds available to the Sponsor from any lender become unavailable such that the Sponsor is unable to timely satisfy obligations under this Agreement; (v) the Sponsor's failure to provide AHP or DHCS with adequate assurances within a reasonable time that the Sponsor is financially solvent, or AHP or DHCS determines that the Sponsor is financially insecure; or (vi) Bond BHCIP Funds necessary to complete the Project are no longer available based upon a reduction in the appropriation or availability of funds from the Behavioral Health Infrastructure Fund as defined in and created pursuant to California Welfare & Institutions Code §5965.03.

10.2 Notwithstanding the foregoing, or anything to the contrary stated herein, AHP may terminate this Agreement upon thirty (30) days' written notice if the Prime Contract is terminated by DHCS, or if AHP is directed by DHCS to terminate this Agreement.

10.3 Upon termination of this Agreement for any reason, neither AHP nor DHCS shall be liable for any work that is not performed in accordance with the Agreement. Neither AHP nor DHCS shall be responsible for any disbursement of Program Funds after the effective date of termination of this Agreement unless: (1) the Sponsor submitted to AHP, or its designee, a complete draw request for disbursement of a specific amount of Program Funds prior to the effective date of termination of this Agreement; and (2) AHP, or its designee, determines that the request is for expenses consistent with the terms of this Agreement and the Project budget. Notwithstanding the foregoing, neither AHP nor DHCS shall be responsible for any disbursement of Program Funds requested by the Sponsor after the effective date of termination of this Agreement based upon the occurrence of an Event of Default. Upon any termination, neither AHP nor DHCS shall be responsible for any damages to the Sponsor as a result of such termination.

ARTICLE 11. **INSURANCE**

11.1 Insurance Requirements. The Sponsor shall continuously maintain for the duration of this Agreement, and so long as the Declaration of Restrictions is in place, the following insurance or self-insurance at, or in excess of, the limits detailed below:

11.1.1 Builder's risk insurance, including a permission to occupy endorsement during the course of construction, and upon completion of construction, if the Project is new construction, property insurance, covering all risks of loss, excluding earthquake, flood, or other risks customarily excluded from "All-Risks" coverage, in an amount equal to full replacement cost of the Project, including all improvements, fixtures, furnishings, and equipment thereon at the time of loss.

11.1.2 If the Project is rehabilitation of an existing facility, property insurance covering all risks of loss, excluding earthquake, flood, or other risks customarily excluded from "All-Risks" coverage, in an amount equal to the full replacement costs of all improvements located on the property upon which the Project is to be constructed, including all improvements, fixtures, furnishings, and equipment thereon at the time of loss. Upon completion of the rehabilitation, any property insurance policy shall be updated to reflect the increased replacement costs resulting from the rehabilitation.

11.1.3 Workers' compensation insurance as required by the State.

11.1.4 Comprehensive automobile and vehicle liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including on-site and off-site operations and owned, non-owned, or hired vehicles, with One Million Dollars (\$1,000,000) combined single limits.

11.1.5 Commercial general liability insurance of not less than One Million Dollars (\$1,000,000) per occurrence with an annual aggregate limit of Five Million Dollars (\$5,000,000) for bodily injury and property damage liability combined. The Sponsor's required limits may be satisfied through a combination of general liability and umbrella or excess liability policies of coverage. The commercial general liability insurance policy shall cover liabilities arising out of premises, independent contractors, products, completed operations, ongoing operations, personal and advertising injury, and liability assumed under an insured agreement. The commercial general liability insurance shall apply to each insured against whom claim is made or suit is brought subject to the Sponsor's limit of liability. If the scope of services involves one on one activities with minors, such policy shall include or not exclude sexual assault and misconduct coverage.

11.2 Third-Party Insurance Policy Requirements. If the Sponsor elects to obtain third-party insurance, with the exception of Workers' Compensation, all policies, including their Lender Loss Payable clauses, shall be endorsed to name AHP and the "State Department of Health Care Services on behalf of the State (Agreement No.: 24-40117)" as additional insureds on such third-party insurance with respect to the work to be performed by the Sponsor. The endorsements and policies will provide that the insurer waives its rights of subrogation, and the insurer will provide notice to AHP in writing at least thirty (30) days prior to any cancellation, material change in coverage, or intent not to renew such insurance coverage. All such insurance must be primary and non-contributory and required to respond and pay prior to any other insurance or self-insurance available.

11.3 Contractor Insurance Requirements. The Sponsor shall require its general contractor and its subcontractors to provide insurance in the amounts and form set forth above during the course of construction (except the general contractor shall not be required to maintain Builder's Risk insurance or property insurance) and to name AHP and the "State Department of Health Care Services on behalf of the State (Agreement No.: 24-40117)" as additional insureds on all such insurance during the course of construction.

11.4 Evidence of Self-Insurance. If the Sponsor elects to maintain self-insurance, upon the request of AHP or DHCS, the Sponsor shall immediately deposit with AHP a letter, signed by an authorized Sponsor representative, certifying that the Sponsor maintains self-insurance consistent with the above requirements. The Sponsor shall certify its self-insurance maximum coverage amounts for each of the items above and whether they have individually self-insured or if they pooled self-insurance with other public entities through a joint powers agreement. Self-insurance maximum coverage amounts shall meet or exceed the minimum coverage amounts listed for each item above. Upon AHP's request, the Sponsor shall also provide to AHP the Department of Industrial Relations' certificate

of consent for the county to self-insure against workers' compensation claims. The Sponsor shall maintain self-insurance consistent with the requirements set forth above at all times during the term of the Agreement and the term of the Declaration of Restrictions. Notwithstanding the expiration of this Agreement, the Sponsor shall provide to DHCS a new certificate of insurance evidencing its third-party insurance, or a new letter certifying its compliance with the self-insurance coverage, as provided herein, for a period not less than thirty (30) years from the date of either of the following: (i) the date of issuance of a Certificate of Occupancy, or (ii) the date of recordation of a Notice of Completion, in the official records of the county where the Project is located.

11.5 Insurance Indemnification. The Sponsor shall indemnify, defend, and hold harmless AHP and DHCS against any and all liabilities to third persons and other losses (not compensated by insurance or otherwise) and for any other costs and expenses incurred, including reasonable attorneys' fees, judgments, settlements, or penalties, as a result of any claim or liability resulting from the failure of the Sponsor (or its lower-tier subcontractors or consultants) to maintain the insurance policies required by this Article.

11.6 Insurance Premiums. Neither AHP nor DHCS shall be responsible for any premiums, deductibles, or assessments on any insurance policy referred to in this Agreement.

11.7 Survival. The requirements to provide insurance in this Article 11 shall survive termination of this Agreement.

ARTICLE 12. **OPERATIONS**

The Sponsor agrees that, in consideration of the receipt of Program Funds pursuant to the terms of this Agreement, the Sponsor shall enter into, as required by this Agreement, the Declaration of Restrictions, to be recorded against the property upon which the Project is to be constructed or operated, in a form substantially similar as attached hereto and incorporated herein by this reference as Attachment H. The Declaration of Restrictions shall by its terms restrict the development, use, and occupancy of the Project for the term of thirty (30) years, from either the date of the issuance of a Certificate of Occupancy or the recordation of a Notice of Completion in the official records of the county in which the Project is located. In addition to any requirements in the Declaration of Restrictions, the Sponsor shall comply with all applicable state, federal, and local health and safety laws and ordinances with respect to the operation and maintenance of the Project. The facility or facilities financed pursuant to this Agreement shall accept and provide services to Medi-Cal beneficiaries as patients. If the Sponsor transfers title to the Project, the Sponsor shall ensure and guarantee that the requirements of this provision transfer and bind the Sponsor's successor in title. These rights and obligations shall survive the expiration or early termination of this Agreement and are covenants running with the Project pursuant to the Declaration of Restrictions in the form of Attachment H to be recorded against the Project. During the Term of this Agreement and the term of the Declaration of Restrictions, the Sponsor shall execute such other documents as required by DHCS to comply with the Program Requirements, including deed restrictions, covenants, and conditions recorded against the Project.

ARTICLE 13.

- 14.1.4 any failure on the part of the Sponsor to satisfy all claims for labor, equipment, materials, and other obligations relating to the performance of the work hereunder;
- 14.1.5 any injury to property or person occurring on or about the Project or the property of the Sponsor; or
- 14.1.6 any claims related to the use, generation, storage, release, threatened release, discharge, disposal, or presence of hazardous materials on, under, or about the property upon which the Project is to be constructed or located.

14.2 The Sponsor shall indemnify AHP and DHCS under this clause for any of the above acts attributable to its employees, consultants, agents, and/or lower-tier subcontractors engaged in performance of the work under this Agreement. AHP or DHCS shall provide timely notice of any Claim, describing in reasonable detail such facts and circumstances with respect to such Claim. The Sponsor shall defend AHP and DHCS with counsel reasonably acceptable to AHP and DHCS. AHP and DHCS, each, may, at its option and own expense, engage separate counsel to advise them regarding the Claim and its defense. Such counsel may attend all proceedings. The Sponsor shall not settle any Claim without the consent of AHP and DHCS, if the settlement impacts either of their interests. If the settlement does not impact either AHP's or DHCS' interests, the Sponsor shall provide AHP and DHCS with notice of the settlement within seven (7) days.

14.3 The Sponsor agrees to indemnify, defend and save harmless AHP and its directors, officers, employees, consultants, and agents and DHCS and its officers, employees, consultants, and agents from any and all claims, costs (including, but not limited to all expenses incurred in investigating, preparing, serving as a witness in, or defending against any such claim, action, or proceeding, commenced or threatened), and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the Sponsor in the performance of this Agreement.

14.4 This indemnification shall survive the expiration or termination of the Agreement.

ARTICLE 15.
PREVAILING WAGE

Any construction work that is part of the Project is subject to state and federal prevailing wage law, including California Labor Code section 1720 *et seq.* The Sponsor is urged to seek professional legal advice about prevailing wage law requirements and the Sponsor's obligations thereunder. Prior to disbursing the Program Funds, the Sponsor must sign Certification No. 1 and the Sponsor's general contractor must sign Certification No. 12, certifying compliance with California's prevailing wage law and all applicable wage and hours laws. The Sponsor shall also comply with any other labor requirements applicable to the Project as a result of other funding sources or regulatory requirements.

18.7 Any review or inspection undertaken by AHP or its designee with reference to the Project is solely for the purpose of determining whether the Sponsor is properly discharging its obligations to DHCS and should not be relied upon by the Sponsor or by any third parties as a warranty or representation by AHP or DHCS as to the quality of the design or construction of the Project.

ARTICLE 19. **THIRD-PARTY BENEFICIARIES**

The State, represented by DHCS in this Agreement, is a third-party beneficiary of this Agreement. The Agreement shall not be construed so as to give any other person or entity, other than the Parties and DHCS, any legal or equitable claim or right. any special, consequential, or punitive damages; indirect or incidental damages; or for any loss of goodwill, profits, data, or loss of use arising out of, resulting from, or in any way connected with the performance or breach of this Agreement, even if the Sponsor advises AHP or DHCS of the possibility of any such damages.

Counsel for a Party may send or receive a Notice on behalf of such Party.

20.7.1 The Parties acknowledge that Notices delivered by email shall be valid and binding and shall satisfy any requirement that a Notice must be in writing under applicable law, including the California Uniform Electronic Transactions Act (Cal. AHP's obligations under this Agreement shall be assignable to DHCS or DHCS's designee upon DHCS's request without the Sponsor's consent. In the event that AHP assigns its obligations under this Agreement to DHCS, AHP shall make commercially reasonable efforts to transition any reasonably necessary documentation related to this Agreement to DHCS or its designee; provided, however, that AHP shall have no obligation to incur any liability nor pay fees, charges, or reimbursement in connection with any assignment, wind-down, or transition of its services hereunder.

20.10 Entire Agreement; Amendments. This Agreement constitutes the entire agreement of the Parties with respect to its subject matter. It supersedes all oral or written agreements or communications between the Parties. No understanding, agreement, modification, change order, or other matter affecting this Agreement shall be binding, unless in writing, signed by both Parties. No handwritten changes shall be effective unless initialed by each Party.

Such circumstances may include, but are not limited to, acts of God or a public enemy; wars; acts of terrorism; riots; fires; floods; epidemics; quarantine restrictions; labor disputes; strikes; defaults of subcontractors/vendors; failure/delays in transportation; unforeseen freight embargoes; unusually severe weather; or any law/order/regulation/request of a state or local government entity, the U.S. Government, or any agency, court, commission, or other instrumentality of any such governments. Times of performance under this Agreement may be appropriately extended for excused delays if the Party whose performance is affected promptly notifies the other of the existence and nature of such delay.

20.16 Publicity. Without prior written approval of the other, neither Party shall use the other's name or make reference to the other Party or any of its directors, officers, employees, consultants, or agents in publications, news releases, advertising, speeches, technical papers, photographs, sales promotions, or publicity purposes of any form related to this work or data developed hereunder, unless disclosure of such materials is required by legal, accounting, or regulatory requirements beyond the disclosing Party's reasonable control. Use of either Party's name may be made in internal documents, annual reports, and proposals. This Section shall survive expiration/termination of this Agreement. Such notices shall state the Sponsor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.
- b. The Sponsor will, in all solicitations or advancements for employees placed by or on behalf of the Sponsor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.
- c. The Sponsor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Sponsor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The Sponsor will comply with all provisions of and furnish all information and reports required by section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. § 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment

Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor.

- e. The Sponsor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the Sponsor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Sponsor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- g. The Sponsor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. § 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each Sponsor or vendor. The Sponsor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or AHP may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Sponsor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by AHP, the Sponsor may request in writing to AHP, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

(Labor Code section 3700.)

Properly registered apprentices may be employed in the prosecution of the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the craft or trade at which he or she is employed, and shall be employed only at the work of the craft or trade to which he or she is registered. Although there are some statutory exceptions to taxation, rarely will a corporate Sponsor performing within the state not be subject to the franchise tax.

The assignment made by the contractor and all additional assignments made by the subcontractors and suppliers shall be deemed to have been made and will become effective at the time the awarding body tenders final payment to the contractor without further acknowledgment or the necessity of tendering to the awarding body any written assignments.

If an awarding body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under Government Code sections 4550 to 4554, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, on demand, recover from the public body any portion of the recovery, including treble damages, and attributable overcharges that were paid by the assignor but were not paid by the public body as a part of the bid price, less the expenses incurred in obtaining that portion of the recovery. On demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under Government Code sections 4550 to 4554 if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action.

STATE PREVAILING WAGES STATUTES

The provisions of California Labor Code sections 1771, 1775, 1776, 1777.5, 1813, and 1815, as set out below and as may be amended, must be incorporated into all construction contracts. All references to sections are to sections of the California Labor Code.

(i) Section 1771:

“Except for public works projects of one thousand dollars (\$1,000) or less, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed as provided in this chapter, shall be paid to all workers employed on public works.

This section is applicable only to work performed under contract, and is not applicable to work carried out by a public agency with its own forces. This section is applicable to contracts let for maintenance work.”

(ii) Section 1775:

“(a) (1) The contractor and any subcontractor under the contractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit not more than two hundred dollars (\$200) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rates as determined by the director for the work or craft in which the worker is employed for any public work done under the contract by the contractor or, except as provided in subdivision (b), by any subcontractor under the contractor.

(2) (A) The amount of the penalty shall be determined by the Labor Commissioner based on consideration of both of the following:

(i) Whether the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.

(B) (i) The penalty may not be less than forty dollars (\$40) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) The penalty may not be less than eighty dollars (\$80) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed penalties within the previous three years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.

(iii) The penalty may not be less than one hundred twenty dollars (\$120) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the Labor Commissioner determines that the violation was willful, as defined in subdivision (c) of Section 1777.1.

(C) If the amount due under this section is collected from the contractor or subcontractor, any outstanding wage claim under Chapter 1 (commencing with Section 1720) of Part 7 of Division 2 against that contractor or subcontractor shall be satisfied before applying that amount to the penalty imposed on that contractor or subcontractor pursuant to this section.

(D) The determination of the Labor Commissioner as to the amount of the penalty shall be reviewable only for abuse of discretion.

(E) The difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the contractor or subcontractor, and the body awarding the contract shall cause to be inserted in the contract a stipulation that this section will be complied with.

(b) If a worker employed by a subcontractor on a public works project is not paid the general prevailing rate of per diem wages by the subcontractor, the prime contractor of the project is not liable for any penalties under subdivision (a) unless the prime contractor had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime contractor fails to comply with all of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of this section and Sections 1771, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees, by periodic review of the certified payroll records of the subcontractor.

(3) Upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages, the contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

(4) Prior to making final payment to the subcontractor for work performed on the public works project, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing rate of

per diem wages to his or her employees on the public works project and any amounts due pursuant to Section 1813.

(c) The Division of Labor Standards Enforcement shall notify the contractor on a public works project within 15 days of the receipt by the Division of Labor Standards Enforcement of a complaint of the failure of a subcontractor on that public works project to pay workers the general prevailing rate of per diem wages.”

(iii) Section 1776:

“(a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the contractor or subcontractor in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any work performed by that person on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee’s payroll record shall be made available for inspection or furnished to the employee or the employee’s authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract and the Division of Labor Standards Enforcement of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public may not be given access to the records at the principal office of the contractor.

(c) Unless required to be furnished directly to the Labor Commissioner in accordance with paragraph (3) of subdivision (a) of Section 1771.4, the certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division. The payroll records may consist of printouts of payroll data that are maintained as computer records, if the printouts contain

the same information as the forms provided by the division and the printouts are verified in the manner specified in subdivision (a).

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10 days after receipt of a written request.

(e) Except as provided in subdivision (f), any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a multiemployer Taft-Hartley trust fund (29 U.S.C. Sec. 186(c)(5)) that requests the records for the purposes of allocating contributions to participants shall be marked or obliterated only to prevent disclosure of an individual's full social security number, but shall provide the last four digits of the social security number. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) shall be marked or obliterated only to prevent disclosure of an individual's social security number.

(f) (1) Notwithstanding any other provision of law, agencies that are included in the Joint Enforcement Strike Force on the Underground Economy established pursuant to Section 329 of the Unemployment Insurance Code and other law enforcement agencies investigating violations of law shall, upon request, be provided nonredacted copies of certified payroll records. Any copies of records or certified payroll made available for inspection and furnished upon request to the public by an agency included in the Joint Enforcement Strike Force on the Underground Economy or to a law enforcement agency investigating a violation of law shall be marked or redacted to prevent disclosure of an individual's name, address, and social security number.

(2) An employer shall not be liable for damages in a civil action for any reasonable act or omission taken in good faith in compliance with this subdivision.

(g) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five working days, provide a notice of a change of location and address.

(h) The contractor or subcontractor has 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or subcontractor fails to comply within the 10-day period, the contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(i) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(j) The director shall adopt rules consistent with the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1 of the Government Code) and the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code) governing the release of these records, including the establishment of reasonable fees to be charged for reproducing copies of records required by this section.”

(iv) Section 1777.5:

“(a) (1) This chapter does not prevent the employment upon public works of properly registered apprentices who are active participants in an approved apprenticeship program.

(2) For purposes of this chapter, “apprenticeship program” means a program under the jurisdiction of the California Apprenticeship Council established pursuant to Section 3070.

(b) (1) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(2) Unless otherwise provided by a collective bargaining agreement, when a contractor requests the dispatch of an apprentice pursuant to this section to perform work on a public works project and requires the apprentice to fill out an application or undergo testing, training, an examination, or other preemployment process as a condition of employment, the apprentice shall be paid for the time spent on the required preemployment activity, including travel time to and from the required activity, if any, at the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered. Unless otherwise provided by a collective bargaining agreement, a contractor is not required to compensate an apprentice for the time spent on preemployment activities if the apprentice is required to take a preemployment drug or alcohol test and he or she fails to pass that test.

(c) Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards that have been approved by the Chief of the Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing with Section 3070) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either of the following:

(1) The apprenticeship standards and apprentice agreements under which he or she is training.

(2) The rules and regulations of the California Apprenticeship Council.

(d) If the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that

can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, the decision of the apprenticeship program to approve or deny a certificate shall be subject to review by the Administrator of Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional application in order to include additional public works contracts under that program. "Apprenticeable craft or trade," as used in this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Before commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body, if requested by the awarding body. Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program supplying apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates if the contractor agrees to be bound by those standards. However, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. When an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Administrator of Apprenticeship, upon

application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section who has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or who has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable apprenticeship standards, but in no event less than the 1-to-5 ratio required by subdivision (g).

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Administrator of Apprenticeship may grant a certificate exempting the contractor from the 1-to-5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1-to-5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large, or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(l) If an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1-to-5 ratio on a local or statewide basis, the member contractors shall not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m) (1) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract.

(2) (A) At the conclusion of the 2002–03 fiscal year and each fiscal year thereafter, the California Apprenticeship Council shall distribute training contributions received by the council under this subdivision, less the expenses of the Department of Industrial Relations for administering this subdivision, by making grants to approved apprenticeship programs for the purpose of training apprentices. The grant funds shall be distributed as follows:

(i) If there is an approved multiemployer apprenticeship program serving the same craft or trade and geographic area for which the training contributions were made to the council, a grant to that program shall be made.

(ii) If there are two or more approved multiemployer apprenticeship programs serving the same craft or trade and county for which the training contributions were made to the council, the grant shall be divided among those programs based on the number of apprentices from that county registered in each program.

(iii) All training contributions not distributed under clauses (i) and (ii) shall be used to defray the future expenses of the Department of Industrial Relations for the administration and enforcement of apprenticeship and preapprenticeship standards and requirements under this code.

(B) An apprenticeship program shall only be eligible to receive grant funds pursuant to this subdivision if the apprenticeship program agrees, prior to the receipt of any grant funds, to keep adequate records that document the expenditure of grant funds and to make all records available to the Department of Industrial Relations so that the Department of Industrial Relations is able to verify that grant funds were used solely for training apprentices. For purposes of this subparagraph, adequate records include, but are not limited to, invoices, receipts, and canceled checks that account for the expenditure of grant funds. This subparagraph shall not be deemed to require an apprenticeship program to provide the Department of Industrial Relations with more documentation than is necessary to verify the appropriate expenditure of grant funds made pursuant to this subdivision.

(C) The Department of Industrial Relations shall verify that grants made pursuant to this subdivision are used solely to fund training apprentices. If an apprenticeship program is unable to demonstrate how grant funds are expended or if an apprenticeship program is found to be using grant funds for purposes other than training apprentices, then the apprenticeship program shall not be eligible to receive any future grant pursuant to this subdivision and the Department of Industrial Relations may initiate the process to rescind the registration of the apprenticeship program.

(3) All training contributions received pursuant to this subdivision shall be deposited in the Apprenticeship Training Contribution Fund, which is hereby created in the State Treasury. Upon appropriation by the Legislature, all moneys in the Apprenticeship Training Contribution Fund shall be used for the purpose of carrying out this subdivision and to pay the expenses of the Department of Industrial Relations.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

- (o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars (\$30,000).
- (p) An awarding body that implements an approved labor compliance program in accordance with subdivision (b) of Section 1771.5 may, with the approval of the director, assist in the enforcement of this section under the terms and conditions prescribed by the director.”
- (v) Section 1813:
- “The contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars (\$25) for each worker employed in the execution of the contract by the respective contractor or subcontractor for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of this article. In awarding any contract for public work, the awarding body shall cause to be inserted in the contract a stipulation to this effect. The awarding body shall take cognizance of all violations of this article committed in the course of the execution of the contract, and shall report them to the Division of Labor Standards Enforcement.”
- (vi) Section 1815:
- “Notwithstanding the provisions of Sections 1810 to 1814, inclusive, of this code, and notwithstanding any stipulation inserted in any contract pursuant to the requirements of said sections, work performed by employees of contractors in excess of 8 hours per day, and 40 hours during any one week, shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.”

DECLARATION OF RESTRICTIONS

This Regulatory Agreement and Declaration of Restrictions (the “**Declaration**”), dated _____ for reference purposes, is by and between {{ **legal_entity_name** }}, {{ **typ_of_legal_entity** }} (the “**Owner**”) and the State of California (the “**State**”), represented by the **DEPARTMENT OF HEALTH CARE SERVICES**, a public agency of the State of California (“**DHCS**”).

RECITALS

A. DHCS oversees the Behavioral Health Continuum Infrastructure Program (“**BHCIP**” or “**Program**”), which was established by California Assembly Bill No. 133 (Chapter 143, Statutes of 2021), and which is governed by California Welfare and Institutions Code section 5960-5960.4, as amended by the State Behavioral Health Infrastructure Bond Act of 2024 (section 4, Chapter 4 of California Assembly Bill 531 (“**AB 531**”)) which provided, in part, for the: (a) addition of section 5965.04 to the California Welfare and Institutions Code allocating additional funding to the Program; and (b) repealed section 5960.45 from the California Welfare and Institutions Code.

B. Under BHCIP, DHCS awards State Behavioral Health Infrastructure Bond Act of 2024 funds (“**Bond BHCIP Funds**”) to qualified entities, through competitive grants, to construct, acquire, and rehabilitate real estate assets to build new capacity or expand existing capacity for facilities that will operate for a minimum of thirty (30) years to provide short-term crisis stabilization, acute and subacute care, crisis residential, community-based mental health residential, substance use disorder residential, peer respite, community and outpatient behavioral health services, and other clinically enriched longer term treatment and rehabilitation options for persons with behavioral health disorders in the least restrictive and least costly settings;

C. On July 17, 2024, DHCS issued a Request for Applications (“**RFA**”) for Bond BHCIP Funds and selected Owner’s Project (as defined below) as a recipient of Bond BHCIP Funds. Advocates for Human Potential, Inc., a Massachusetts corporation (“**AHP**”), acting as the initial program administrator for the initial five (5)-year building phase of BHCIP, entered into a Program Funding Agreement with an Effective Date of _____ (the “**Program**”).

Funding Agreement”), with Owner for the distribution of Bond BHCIP Funds in an amount not to exceed {{ amt_awarded_written }} ({{ grant_amt_requested_curated }}) (the “**Program Funds**”) over the above-mentioned five (5)-year building phase for Owner to acquire, expand, or construct certain improvements more particularly described in the RFA (“**Owner’s Project**”) on that certain real property commonly known as {{ proposed_address }}, located in the City of {{ proj_city }} (“**City**”), County of {{ county }} (“**County**”), State of California, and the improvements thereon (the “**Property**”), as more particularly described and shown on **Exhibit A**, attached hereto and incorporated herein by this reference;

D. As an award recipient, in consideration for the Program Funds, and in order to comply with the policies, programs, and applicable legislation, including the RFA, the Program Funding Agreement, the Facility Access Agreement between DHCS and the Owner, and BHCIP, the Property and the owner thereof are subject to certain requirements and restrictions, including, without limitation, the obligation to ensure that the Property shall be used for {{ fac_category_type_residential_outpatient | lower }} (the “**Permitted Use**”) for the Restriction Period (defined below), subject to change or modification to another use set forth in **Exhibit B**, attached hereto, and incorporated herein by this reference, with DHCS approval, which must accept and provide services to Medi-Cal beneficiaries as patients;

E. The Property shall be owned, held, used, maintained, and transferred pursuant to the covenants, conditions, restrictions, and limitations as further described herein; and

F. Owner and DHCS have agreed to enter into this Declaration to memorialize some of the aforementioned requirements and restrictions in the public record that will survive the expiration of the Program Funding Agreement to ensure compliance with the same.

NOW, THEREFORE, in consideration of the Program Funds paid to the Owner under the Program Funding Agreement and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Owner hereby enters into this Declaration and hereby covenants, agrees, and declares the following:

AGREEMENT

1. **Use of Property.** Owner, for itself and for its successors and assigns, hereby declares and covenants that, for the Restriction Period, the use of the Property, or in the event only a portion thereof has been improved with the use of Program Funds, then only that portion that has been so improved shall be restricted to the Permitted Use. Any change to another use described in Exhibit B, attached hereto and incorporated herein by this reference, shall require the express prior written approval of DHCS in its sole and absolute discretion, which modification and consent may be recorded in the official records of the County.

2. **Use, Maintenance, Repair, and Improvement of the Property.** Owner agrees:

2.1 To use the Property, or that portion of the Property constructed or improved with Program Funds, continuously for the Permitted Use;

2.2 To maintain the Property in conformity with the habitability and fire codes of the City or County where the Property is located in decent, safe, and sanitary condition and repair, and to permit no waste thereof;

2.3 Not to commit or suffer to be done or exist on or about the Property any condition causing the Property to become less valuable, except in accordance with this Declaration;

2.4 Not to apply for any permits or construct any buildings or improvements on the Property, other than the permits, buildings, and improvements contemplated as part of this Declaration, that would detrimentally affect the Property, including, without limitation, the value of the Property, the structural integrity of the Property, or the contemplated uses of the Property set forth in Exhibit B; or add to, remove, demolish, or structurally alter any buildings or improvements included as part of the Property purchased or improved with Program Funds, without DHCS's consent;

2.5 To comply with all applicable laws affecting the Property, including, but not limited to, Behavioral Health Continuum Infrastructure Program, authorized by California Welfare and Institutions Code section 5960-5960.4, and not to suffer or permit any violations of any such applicable law, nor of any covenant, condition, or restriction affecting the Property. To the extent an amendment to the foregoing imposes requirements upon the ownership or operation of the Project more restrictive than those imposed by this Declaration, this Declaration shall be deemed automatically amended, without consent or approval of any other person, to impose such additional or more restrictive requirements; however, Owner hereby agrees to execute such amendment upon request by DHCS;

2.6 To construct and maintain the deliverables developed and produced pursuant to the Program Funding Agreement in compliance with the accessibility requirements of sections 7405 and 11135 of the California Government Code, section 508 of the Rehabilitation Act of 1973 as amended (29 U.S.C. § 794d), regulations implementing the Rehabilitation Act of 1973 as set forth in Part 1194 of Title 36 of the Code of Federal Regulations, and the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 *et seq.*);

2.7 Not to initiate or acquiesce in any change in any zoning or other land use or legal classification which affects any of the Property without DHCS's prior written consent, which may be granted or withheld at DHCS's sole discretion;

2.8 Not to alter the use of all or any part of the Property constructed or improved with Program Funds without DHCS's prior written consent;

2.9 To maintain all licenses, certifications, or designations required to continue operating for the use specified in the Program Funding Agreement, or other use approved in writing by DHCS;

2.10 To pay to DHCS its then-current fees in connection with any consent, approval, transfer, amendment, or waiver requested by Owner, together with any expenses incurred by DHCS in connection therewith;

2.11 To submit to DHCS such periodic reports, updates, and information deemed necessary by DHCS to monitor compliance and/or perform program evaluation. Any requested data or information shall be submitted in electronic format in a manner specified by DHCS;

2.12 To pay all taxes, assessments, and other charges, liens, fines, and impositions attributable to or encumbering the Property, by making payment, prior to delinquency, directly to the payee thereof. Owner shall, upon request by DHCS or its agent, promptly furnish to DHCS or its agent all notices of amounts due under this subsection and receipts evidencing such payments. Owner shall have the right to contest in good faith any claim or lien, or payment due thereunder, so long as Owner does so diligently, without prejudice to DHCS, and provided that Owner has established on Owner's books adequate reserves with respect to such contested assessment, tax, charge, lien, or claim; and

2.13 To defend (with counsel satisfactory to DHCS), indemnify, and hold harmless DHCS and its respective officers, members, supervisors, directors, officials, and employees, counsel, attorneys, and agents, past, present, and future of each of them (collectively, the "**Indemnified Parties**") against all loss, costs, damages, expenses, suits, judgments, actions, and liabilities of whatever nature (including, without limitation, reasonable attorneys' fees, litigation and court costs, and amounts paid in settlement) directly or indirectly resulting from or arising out of or related to (a) the operation, use, occupancy, maintenance, financing, or ownership of the Owner's Project, and (b) any breach of the foregoing obligations. Owner shall pay, upon demand, all of the reasonable fees and expenses paid or incurred by DHCS in enforcing the provisions of this Declaration against Owner.

3. Restrictions On Sale, Encumbrance, And Other Acts.

3.1 Owner shall not voluntarily (which term shall not be interpreted to include a foreclosure of any security for a loan or deed-in lieu) sell, encumber (including recordation of deeds of trust), hypothecate, assign, pledge, convey, or transfer the Property, or any portion thereof, or any of its interests therein, equity interest in Owner, or any general partner interest in the Owner without obtaining DHCS's prior written consent, which shall not be unreasonably withheld by DHCS if (a) the Owner is not in default hereunder or under the Program Funding Agreement and delivers a certificate to DHCS certifying to the same; (b) the purchaser or assignee is not in default under any obligations it may have to DHCS and is not the subject of any legal or enforcement actions by DHCS; (c) evidence reasonably satisfactory to DHCS is presented to establish that the purchaser or assignee has prior experience in the successful development, ownership, and/or operation of a facility described in Exhibit B for individuals who qualify as members of the target population, or has a partner with said relevant experience; (d) DHCS shall have received reasonable evidence satisfactory to DHCS that the Owner's purchaser or transferee has assumed, in writing, the restrictions on the Property and Owner's duties and obligations under this Declaration and the Program Funding Agreement; (e) evidence satisfactory to DHCS that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by any department of DHCS; and (f) such other conditions as the State may reasonably impose to ensure compliance by the assignee or purchaser and Property with the requirements of this Declaration and Program Funding Agreement. It is expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by DHCS in a separate writing, any sale, transfer, or other disposition of the Property in violation of this Section 3 shall

be null and void , and shall not relieve the Owner of its obligations under this Declaration. Upon any sale or transfer which complies with this Declaration, the Owner shall be fully released from any obligations arising after said sale or transfer, but only to the extent such obligations have been assumed by the transferee of the Property. Any transfer of the Property to any entity, whether or not affiliated with the Owner, shall be subject to the provisions of this Section 3.

3.2 If DHCS determines, in its reasonable discretion, to grant its prior written consent for a sale, transfer, or conveyance of the Property, such consent may impose additional terms and conditions, as necessary, to preserve or establish the fiscal integrity of the Property or to ensure compliance with this Declaration.

3.3 If a trustee under a loan acquires title to the Property by foreclosure or deed in lieu of foreclosure, no consent of the State shall be required to such transfer under this Declaration; however, the consent of DHCS and delivery of items (a) through (f) in Section 3.1 above shall be required for any transfer of the Property subsequent to the trustee's acquisition of the Property by foreclosure or deed in lieu of foreclosure.

4. Insurance, Casualty, and Condemnation.

4.1 During the Restriction Period, Owner shall obtain and maintain (i) property insurance insuring against, among other things, loss of the Property, or any portion thereof, and Owner's personal property and fixtures by fire and such other hazards and casualties; (ii) commercial liability insurance insuring against liabilities arising out of the ownership, use, occupancy, condition, or maintenance of or the operations, use, and activities in, on, or about the Property; and (iii) other such insurance required by DHCS, and in such amounts as required by DHCS, which policies shall include DHCS as an additional insured upon request by DHCS. All insurance policies and renewals thereof shall be issued by a carrier and in a form acceptable to DHCS. Owner may choose to self-insure to comply with these requirements and agrees to provide written evidence of such insurance coverage within five (5) days of such request by DHCS or AHP.

4.2 In the event of any fire or other casualty to the Property or any part thereof, Owner shall immediately notify DHCS and seek direction from DHCS on how to proceed. DHCS, in its sole and absolute discretion, shall determine whether to instruct the Owner to apply the insurance proceeds to repayment to DHCS of the unamortized Program Funds. DHCS has the right but not the obligation to approve the plans and specifications for any repair and restoration, as well as the right but not the obligation to approve disbursements of insurance proceeds for repair and restoration under a construction escrow or similar arrangement.

5. Covenants Run with the Land. The Property is held and hereafter shall be held, conveyed, hypothecated, encumbered, leased, rented, used, and occupied subject to this Declaration. Notwithstanding section 1460, *et seq.*, of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or equity by any State agency. DHCS and Owner hereby declare their express intent that the covenants, reservations, and restrictions contained herein shall be deemed both equitable servitudes and covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Property; provided, however, that upon the expiration of the Restriction Period said covenants, reservations

and restrictions shall expire. Owner expressly acknowledges and agrees that the Declaration is a reasonable restraint on Owner's right to own, use, maintain, and transfer the Property and any estate or interest therein and is not and shall not be construed to be an unreasonable restraint on alienation. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Property, or any portion thereof, shall be held conclusively to have been executed, delivered, and accepted subject to this Declaration, regardless of whether this Declaration is set forth in such contract, deed, or other instrument.

6. **Term of Declaration.** The covenants in this Declaration shall be binding, effective, and enforceable commencing upon the recordation of this Declaration on the fee estate in land in the official records of the County, and they shall continue in full force and effect for a period of at least thirty (30) years after the date of either of the following: (i) the date of issuance of a Certificate of Occupancy, if the Owner's Project is for construction of a new facility, or (ii) the date of recordation of a Notice of Completion, in the official records of the County, if the Project is for the rehabilitation or expansion of an existing facility on the Property (the "**Restriction Period**"), regardless of any sale, assignment, transfer, or conveyance (including, without limitation, by foreclosure sale) of the Property or any portion thereof to any other person or entity.

7. **Default, Remedies.** If Owner defaults in the performance or observance of any covenant, agreement, restriction, or obligation of Owner set forth in this Declaration, and if such default remains uncured for a period of thirty (30) days after notice therefore shall have been given by DHCS to the Owner, then DHCS shall declare an "**Event of Default**" to have occurred hereunder. An Event of Default under this Declaration shall entitle DHCS to any rights, remedies, or damages available in law or equity, including, but not limited to, those that are specified in Section 7.1-7.4 below. DHCS's failure to exercise any specific right or remedy shall not be construed as a waiver of that or any other right or remedy. An Event of Default under this Declaration shall also constitute a default under the Program Funding Agreement, in the event the same has not expired by its terms.

7.1 **Specific Performance.** The use, repair, and maintenance of the Property is of a special and unique kind and character, so that a breach of any material provision of this Declaration by Owner would not have an adequate remedy in law. Therefore, DHCS's rights may be enforced by an action for specific performance and such other equitable relief as is provided by the laws of the State of California.

7.2 **Injunctive Relief.** In pursuing specific performance of the Declaration, DHCS shall be entitled to petition the court for injunctive relief to enjoin any acts or things which may be in violation of this Declaration or the Program Funding Agreement. Such injunctive relief may include a court order restraining any development of the Property that is inconsistent with the foregoing Declaration.

7.3 **Appointment of Receiver.** In addition to or in conjunction with any other remedy available in law or equity, DHCS may apply to a court of competent jurisdiction for the appointment of a receiver to take over and operate the Property in accordance with the requirements of the Program Funding Agreement and this Declaration. The receiver shall have all

powers which shall be necessary or are usual in such cases for the protection, possession, control, management, and operation of the Property.

7.4 Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default, the State may, but without any obligation to do so and without notice to or demand on Owner and without releasing Owner from any obligation hereunder, take such actions to cure the Event of Default in such manner and to such extent as the State may deem necessary to protect the security hereof. The cost and expense of any cure hereunder (including reasonable attorneys' fees to the extent permitted by law) shall be due and payable to the State upon demand, plus an administration fee of ten percent (10%).

7.5 Intentionally omitted.

8. DHCS Review and Inspection.

8.1 At any time during the term of this Declaration and upon reasonable notice, DHCS or its designee may, but is not obligated to, enter and inspect the Property and inspect all records pertaining to the operation, repair, and maintenance of the Property. Upon request by DHCS, Owner shall notify occupants of upcoming inspections in accordance with state law.

8.2 DHCS or its designee may, but is not obligated to, request any other information that it deems necessary to confirm compliance with this Declaration. Owner shall provide such requested information within fourteen (14) calendar days of DHCS's or its designee's written request for the information.

8.3 DHCS or its designee shall not, by the fact of making or not making any entries or inspections, or by taking or failing to take any action in response thereto: (i) incur or undertake, or be deemed to incur or undertake, any obligation, duty, or liability whatsoever, whether to Owner or to any other person or entity; (ii) be deemed as approving or disapproving any matter, action, incident, or condition related to the Property; or (iii) be deemed as approving or disapproving any matter related to the compliance of the Property with this Declaration or other applicable laws. In no event or circumstance shall DHCS's or its designee's exercise or non-exercise of its discretion under this subsection constitute, or be deemed or interpreted as constituting, any termination, limitation, alteration, or waiver by DHCS or its designee of any right, benefit, or remedies under or with respect to this Declaration.

9. **Owner Representations.** Owner represents and warrants to DHCS that: (1) Owner has sufficient interest in the Property to support the operation of the Property in accordance with this Declaration; (2) to Owner's actual knowledge and belief, there are no agreements, contracts, covenants, conditions, or exclusions to which Owner (or its predecessor in interest) is a party which would, if enforced, prohibit or restrict the use of the Property in accordance with the terms of this Declaration; (3) Owner has the full right and authority to enter into this Declaration; (4) this Declaration constitutes a valid and legally binding obligation on Owner, enforceable in accordance with its terms; and (5) Owner is duly organized, validly existing, and authorized to do business in the State of California.

10. Amendment, Modification. This Declaration shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the official records of the County.

11. Severability. Every provision of this Declaration is intended to be severable. If any provision of this Declaration is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

12. Governing Law. This Declaration shall be governed by and interpreted under the laws of the State of California and applicable federal laws.

13. Recordation of Agreement. This Declaration shall be recorded on the fee estate in land in the official records of the County no later than December 31, 2025. The Declaration shall be recorded, and shall remain, as a lien against the Property for the Restriction Period. After the expiration of the Restriction Period, and, after the State's receipt of a written request from Owner, the State shall execute a termination of this Declaration.

CONSTRUCTION CONTRACT ADDENDUM

This Construction Contract Addendum (this “**Addendum**”) is made this _____ day of _____, _____, by and between {{ legal_entity_name }}, {{ typ_of_legal_entity }} (“**Owner**”) and _____ (the “**Contractor**”).

RECITALS

A. The Owner and Advocates for Human Potential, Inc., a Massachusetts corporation (“**AHP**”), acting as program administrator for the State of California (the “**State**”) Department of Health Care Services, a public agency of the State of California (“**DHCS**”), have entered into that certain Program Funding Agreement dated _____ (the “**Agreement**”), pursuant to which Owner was allocated funds (“**Program Funds**”) pursuant to the Behavioral Health Continuum Infrastructure Program (“**BHCIP**”) for the purposes of developing the project located at {{ proposed_address }}, {{ proj_city }}, CA {{ proj_zip }} (the “**Project**”).

B. Owner and Contractor have entered into a construction agreement dated _____, under which Contractor has agreed to undertake construction work on the Project (the “**Contract**”).

C. Owner and Contractor wish to modify and add to the terms of the Contract as set forth in this Addendum, and Contractor agrees to be bound by the following provisions in the construction of said Project, in order to provide for certain terms required by AHP as a condition of providing the Program Funds for the Project. It is a condition to AHP providing the Program Funds that the Contractor agrees to be bound by the terms hereof.

NOW, THEREFORE, Owner and Contractor hereby agree as follows:

1. OWNER’S OBLIGATIONS. Owner agrees that any obligation imposed on Contractor by this Addendum does not waive, diminish, or alter any of Owner’s obligations to AHP under the Agreement, and that the obligations of Contractor to AHP contained herein are in addition to those obligations of Owner to AHP or DHCS contained in the Agreement. Owner shall be solely responsible for satisfying its obligations to Contractor under the Contract.

2. CONSENT TO ASSIGNMENT OF DEVELOPMENT RIGHTS. Contractor consents to the assignment of its Contract with Owner to AHP, upon demand by AHP and written approval from DHCS, and to any subsequent assignment of the Contract by AHP at the election of AHP. Contractor agrees that if there is a breach of the Agreement or any other Event of Default (as the term may be defined in the Agreement), AHP may elect to enforce the assignment and take over the Contract. Contractor agrees to continue to perform its obligations under the Contract and this Addendum for the benefit and account of AHP in the same manner as if performed for the benefit and account of Owner in the absence of the assignment at no additional cost to AHP, as long as Contractor has received and continues to receive the compensation called for under the Contract. Contractor agrees that AHP shall not have any obligation under the Contract until AHP

notifies it in writing of AHP's election to accept the assignment. DHCS shall not provide its written approval to AHP without first consulting with the Sponsor about AHP's request.

3. ASSIGNMENT OF SUBCONTRACTS. Contractor hereby consents to the assignment to AHP of all its interest in all subcontracts and agreements now or hereafter entered into by Contractor for performance of any part of the construction work required to be performed under the Contract. The assignment will be effective upon acceptance by AHP in writing and only as to those subcontracts and agreements which AHP designates in writing. After obtaining DHCS written approval, AHP may accept said assignment at any time during the course of the construction work required to be performed under the Contract and prior to final completion of construction work required to be performed under the Contract in the event of a suspension or termination of Contractor's rights under the Contract. Such assignment is part of the consideration to Owner for entering into the Contract with Contractor and may not be withdrawn prior to final completion of construction work required to be performed under the Contract. Contractor agrees that any subcontract entered by and between Contractor and a subcontractor in connection with the Contract or performance of the construction work required to be performed under the Contract shall expressly provide that such subcontract shall be assignable to AHP and that AHP subsequently may assign such subcontract. DHCS shall not provide its written approval to AHP without first consulting with the Sponsor about AHP's request.

4. COMMENCEMENT AND COMPLETION OF CONSTRUCTION. Contractor must begin construction of the Project by the date set for the commencement of construction in the Contract. Contractor must diligently prosecute construction of the Project to completion and must complete construction of the Project by the completion date set forth in the Contract. Incorporated herein are the Scope of Work, Performance Milestones, and Payment Schedule from the Agreement.

5. CONSTRUCTION BONDS. Upon execution of the Contract and prior to commencement of construction, unless otherwise approved by AHP or DHCS each in their sole discretion, Contractor must obtain a labor and material (payment) bond and a performance bond, or a dual bond which covers both payment and performance obligations, with respect to the construction of the Project in a penal sum each of not less than one hundred percent (100%) of the scheduled cost of construction. Such bonds must be issued by a company which is authorized to transact surety insurance in California and which has assets exceeding its liabilities in an amount equal to or in excess of the bond amount. The bonds must name AHP and DHCS as co-obligees. Owner shall provide to AHP a copy of any and all such payment and performance bonds prior to commencement of the construction work required to be performed under the Contract.

6. CONTRACT WORK. Contractor warrants and represents that it is licensed or otherwise authorized to perform the construction work specified in the Contract in the State of California. All construction work must be performed by persons or entities licensed or otherwise authorized to perform the applicable construction work in the State of California. Contractor shall insert similar provisions in all subcontracts for work for the Project.

7. QUALITY OF WORK. Contractor must construct the Project in conformance with the plans and specifications and any modifications thereto approved by AHP. Contractor must construct the Project according to general industry standards and shall employ building

materials of a quality suitable for the requirements of the Project and conforming to general industry standards. Contractor must construct the Project in full conformance with applicable local, state, and federal statutes, regulations, and building and housing codes.

The parties acknowledge that AHP and DHCS are under no duty to review the Plans and Specifications or to inspect construction of the Project. Any review or inspection undertaken by AHP or DHCS of the Project is solely for the purpose of determining whether Owner and Contractor are properly discharging their obligations, and should not be relied upon by Owner, Contractor, or any third parties as a warranty or representation by AHP or DHCS as to the quality of the design or construction of the Project.

8. ADDITIONS OR CHANGES IN WORK. AHP must be notified, no later than thirty (30) days after the execution of a change order by and between Owner and Contractor, of any changes in the work required to be performed under the Contract or this Addendum, including any substantial additions, changes, or deletions to the approved plans and specifications, which exceeds One Hundred Thousand Dollars (\$100,000). Contractor shall not allow subcontractors to mark-up any change order by more than fifteen percent (15%). Contractor shall provide AHP and Owner with an updated budget and schedule prior to the commencement of construction at the Project and at fifty percent (50%) completion of the Project showing all changes from the budget and schedule prepared prior to the issuance of the notice to proceed to Contractor.

9. SITE INSPECTIONS. Contractor shall permit and facilitate in person and remote observation and inspection of work at the job site by AHP and DHCS and their agents and by public authorities during reasonable business hours.

10. AUDITS. Contractor must make available for examination at reasonable intervals and during normal business hours to AHP and DHCS's representatives all books, accounts, reports, files, and other papers or property with respect to all matters covered by the Contract and this Addendum, and must permit these representatives to audit, examine, and make copies, excerpts, or transcripts from such records.

11. NONDISCRIMINATION. Contractor may not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, sexual preference, national origin, AIDS or AIDS-related conditions, or disability in any phase of employment during construction. Contractor agrees to post in conspicuous places, available to all employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

12. PREVAILING WAGES. All workers performing construction work for the Project employed by Contractor and by any of its subcontractors must be compensated in an amount no less than the general prevailing rate of per diem wages as determined by the California Department of Industrial Relations under California Labor Code sections 1770 *et seq.* and implementing rules and regulations. Contractor must comply with, and must ensure that its subcontractors comply with, all reporting and recordkeeping requirements of the applicable prevailing wage statutes and regulations.

In the event of underpayment of wages by Contractor or by any subcontractor employed on the Project, AHP, in addition to other rights and remedies afforded by this Agreement, may: (1) demand that any underpaying employer comply with these requirements; (2) demand that the underpaying employer pay the difference between the prevailing wage rate and the amount actually paid to workers; (3) withhold and/or pay any Program Funds as necessary to compensate workers the full wages required under this Agreement; and/or (4) pursue any lawful administrative or court remedy to enforce these requirements against the underpaying employer. Any underpaying employer shall comply with a demand to pay any amounts due under this section within ten (10) calendar days of the demand.

Contractor must include the prevailing wage requirement in all subcontracts for work on this Project and must specify that AHP and DHCS are intended third-party beneficiaries of such provisions. Contractor must take reasonable measures to monitor and enforce the prevailing wage requirements imposed on its subcontractors, including withholding payments to those subcontractors who violate these requirements. In the event that Contractor fails to take the above measures, Contractor shall be liable for the full amount of any underpayment of wages, plus costs and attorneys' fees, as if Contractor was the actual employer.

13.3 Commercial general liability insurance of not less than One Million Dollars (\$1,000,000) per occurrence with an annual aggregate limit of Five Million Dollars (\$5,000,000) for bodily injury and property damage liability combined. Such insurance can be provided pursuant to a combination of a commercial general liability insurance policy and an umbrella policy. The commercial general liability insurance policy shall cover liabilities arising out of premises, operations, independent contractors, products, completed operations, personal and advertising injury, and liability assumed under an insured agreement. The commercial general liability insurance shall apply to each insured against whom claim is made or suit is brought subject to the Sponsor's limit of liability.

14. NON-LIABILITY OF OFFICIALS, EMPLOYEES, AND AGENTS. No director, officer, official, employee, consultant, or agent of AHP or DHCS shall be personally liable to Contractor for any obligation created under the terms of the Contract or this Addendum except in the case of actual fraud or willful misconduct by such person.

Contractor shall pay immediately upon the Indemnified Party’s demand any amounts owing under this indemnity. The duty of Contractor to indemnify includes the duty to defend the Indemnified Party in any court action, administrative action, or other proceeding brought by any third party arising from the Project or the Contract or this Addendum. Contractor’s duty to indemnify the Indemnified Party shall survive the term of the Contract.

17. NOTICES; NOTICE OF DEFAULT TO AHP. If at any time after the execution of the Contract it shall become necessary or convenient for Contractor to serve any notice, demand, or communication upon AHP, such notice, demand or communication shall be in writing provided in accordance with the notice requirements of the Agreement. Contractor shall give AHP prior or concurrent written notice of any default or breach claimed by Contractor against Owner or any other party under the Contract. The notice shall describe the default and give AHP the option to cure said default within thirty (30) calendar days. 25. RELATIONSHIP OF CONTRACTOR AND AHP. Contractor understands that neither AHP nor DHCS undertakes or assumes any responsibility or duty to Contractor or to any third party. The relationship of Contractor and AHP and DHCS for this Project shall not be construed as a joint venture, equity venture, or partnership. AHP shall have no obligation to any party under the Contract but is an intended third-party beneficiary of the obligations under this Addendum. Contractor shall have no authority to act as an agent of AHP or DHCS or to bind AHP or DHCS to any obligation.

26. ASSIGNMENT. Contractor may not assign any of its interests under the Contract or the Addendum to any other party, except with the prior written consent of AHP. Any unauthorized assignment shall be void.

27. AMENDMENTS AND MODIFICATIONS. Any amendments or modifications to this **Addendum** must be in writing and shall be made only if executed by Owner and Contractor and consented to in writing by AHP.
