**CFD Reimbursement**

Dear Chair Santiago:

Please accept this letter as our request that the above-referenced matter be continued to the Board's regularly scheduled meeting on February 23, 2010.

On Tuesday, January 19<sup>th</sup> we made another Public Records Act Request; and expect to receive the requested information by next Friday, January 29, 2010. We believe that this information is critical to the above-referenced reimbursement.

Best Regards,

Kirk Bone

**Re: Supplement to Public Records Act Request; Serrano Mello Roos**

Dear Trish:

Thank you for the materials you recently provided in response to our records request. They were very helpful. Based upon our review of those materials, we have compiled this supplemental Public Records request. We would very much appreciate the following records:

General Ledger detailed activity reports for Special Tax Fund (County & Fiscal Agent)#44-672-004 for the following periods:  
-July through September 2004  
-July 1, 2008 through June 30, 2009

We recognize that there is a cost associated with compiling these documents and those previously requested. Please send me the bill and I will have it paid immediately. Please let me know when the documents are available. Thanks again.

Very truly yours,

HEFNER, STARK & MAROIS, LLP
