The appeal must be filed not later than one calendar year after having paid the Special Tax that is disputed, and the appellant must be current in all payments of the Special Taxes theretofore levied on the Assessor's Parcel(s). In addition, during the term of the appeal process, all Special Taxes levied must be paid for the subject Assessor's Parcel(s) prior to delinquency.

The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the Board of Supervisors whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the County requires the Special Tax to be modified or changed in favor of the property owner, then an adjustment shall be made to credit future Special Taxes.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.

G. INTERPRETATION OF RATE AND METHOD OF APPORTIONMENT

The County may, by resolution or ordinance, interpret, clarify and/or revise this Rate and Method of Apportionment to correct any inconsistency, vagueness, or ambiguity as it relates to the Special Taxes, method of apportionment, classification of Assessor's Parcels, or any definition used herein, as long as once CFD No. 2025-1 Bonds have been issued such correction does not materially adversely affect the levy and collection of Special Taxes on any Assessor's Parcel needed to repay the CFD No. 2025-1 Bonds.

In addition, the interpretation and application of any section of this document shall be at the CFD Administrator's discretion.

H. MANNER OF COLLECTION

The Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, that the CFD Administrator may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if needed to meet the financial obligations of CFD No. 2025-1. The County may covenant to foreclose and may actually foreclose or cause an action for foreclosure to be prosecuted in respect of Assessor's Parcels of Taxable Property that are delinquent in the payment of the Special Tax.

I. PREPAYMENT OF SPECIAL TAX

The following definitions apply to this Section I:

"Authorized Facilities" means the public facilities authorized to be financed, in whole or in part, by CFD No. 2025-1.

"Buildout" means the state of maximum development of CFD No. 2025-1, based on plans and anticipated development.

"CFD Public Facilities Cost" means \$8.10 million for CFD No. 2025-1, expressed in 2025 dollars, which shall increase by the annual percentage change in the Construction Inflation Index on July 1, 2026, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 2025-1 under the authorized bonding program for CFD No. 2025-1, or (ii) shall be determined by the Board of Supervisors concurrently with a covenant that it will not issue any more Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D.

"Construction Inflation Index" means the annual percentage change in the Engineering News-Record Building Cost Index for the County of San Francisco, measured as of the calendar year which ends in the previous Fiscal Year, but not less than zero percent. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the County that is reasonably comparable to the Engineering News-Record Building Cost Index for the County of San Francisco.

"Future Facilities Costs" means, as of the date of prepayment, the CFD Public Facilities Costs minus the portion of the CFD Public Facilities Costs previously funded from (a) proceeds of all Previously Issued CFD No. 2025-1 Bonds, which were, at the time of issuance, available to the County for Authorized Facilities, (b) interest earnings on the Improvement Fund actually earned prior to the date of prepayment, and (c) proceeds of the Special Tax dedicated to Pay-As-You-Go Expenditures. In no case, shall the Future Facilities Costs be less than zero.

"Previously Issued CFD No. 2025-1 Bonds" means all Outstanding CFD No. 2025-1 Bonds that have been issued for CFD No. 2025-1 prior to the date of prepayment.

1. Prepayment in Full

The Special Tax obligation of an Assessor's Parcel of Developed Property, Taxable Public Property, Final Map Property, or Undeveloped Property for which a Building Permit has been issued, may be prepaid and permanently satisfied as described herein; provided that there are no delinquent

installments of the Special Tax with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 45 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel. Prepayment must be made not less than 75 days prior to the next occurring date that notice of redemption of Outstanding CFD No. 2025-1 Bonds is required to be given pursuant to the Indenture, if any. Proceeds of such prepayment may be given to the Trustee pursuant to the Indenture. If a prepayment is made prior to the issuance of the first series of CFD No. 2025-1 Bonds, the Redemption Premium, Interest Amount, Reserve Fund Credit and Capitalized Interest Credit as calculated below, shall be zero. The CFD Administrator may charge the property owner requesting a prepayment calculation a fee for providing this service.

The Special Tax Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
Plus	Future Facilities Amount
plus	Redemption Premium
plus	Interest Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
<u>less</u>	<u>Capitalized Interest Credit</u>
Total: equals	Special Tax Prepayment Amount

As of the proposed date of prepayment, the Special Tax Prepayment Amount (defined below) shall be calculated by the CFD Administrator as follows:

Step Number:

1. Confirm that no Special Tax delinquency applies to such Assessor's Parcel, and if delinquencies are applicable compute all amounts due, including interest and penalties.
2. For Assessor's Parcels of Developed Property and Taxable Public Property, compute the Maximum Special Tax. For Assessor's Parcels of Final Map Property and Undeveloped Property to be prepaid, compute the Maximum Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permits issued for that Assessor's Parcel.
3. Divide the Maximum Special Tax computed pursuant to Step 2 by the total estimated Maximum Special Tax for CFD No. 2025-1 based on the Developed Property Special Tax which could be charged in the current Fiscal Year on all expected development through Buildout of CFD No. 2025-1 (the "*Maximum Special Tax Percentage*").

4. Multiply the Maximum Special Tax Percentage by the Outstanding CFD No. 2025-1 Bonds to compute the principal amount of Outstanding CFD No. 2025-1 Bonds to be redeemed (the *"Bond Redemption Amount"*).
5. Compute the Future Facilities Costs.
6. Multiply the Maximum Special Tax Percentage by the total Future Facilities Costs to compute the Future Facilities amount to be prepaid (the *"Future Facilities Amount"*).
7. Multiply the Bond Redemption Amount computed pursuant to Step 4 by the applicable redemption premium, if any, on the Outstanding CFD No. 2025-1 Bonds to be redeemed (the *"Redemption Premium"*) determined by reference to the Indenture.
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding CFD No. 2025-1 Bonds (the *"Interest Amount"*).
9. Verify the administrative fees and expenses, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming the Outstanding CFD No. 2025-1 Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the *"Administrative Fees and Expenses"*).
10. If reserve funds for the Outstanding CFD No. 2025-1 Bonds held under the Indenture, if any, are at or above 100% of the then reserve requirement (as required by the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve requirement for the Outstanding CFD No. 2025-1 Bonds to be redeemed pursuant to the prepayment (the *"Reserve Fund Credit"*). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the applicable reserve requirement on the prepayment date or if the Reserve Fund is satisfied by a credit instrument rather than cash funded.
11. If any capitalized interest for the Outstanding CFD No. 2025-1 Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the Maximum Special Tax Percentage by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the *"Capitalized Interest Credit"*).
12. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 4, 6, 7, 8 and 9 less the amount computed pursuant to Steps 10 and 11 (the *"Prepayment Amount"*).
13. From the Prepayment Amount, the amounts computed pursuant to Step 6 shall be used by the County to pay for Future Facilities Costs. The amounts computed pursuant to Steps 4, 6, 7 and 8 shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding CFD No. 2025-1 Bonds or make Debt Service payments. The amount computed pursuant to Step 9 shall be retained by the County for the payment of Administrative Fees and Expenses.

The Special Tax Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Outstanding CFD No. 2025-1 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof

will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of Outstanding CFD No. 2025-1 Bonds or to make Debt Service payments.

Current year Special Taxes that are not yet paid will remain outstanding and will be collected in the manner billed. With respect to any Assessor's Parcel that is prepaid, the CFD Administrator shall cause a suitable notice to be recorded in compliance with the Act to indicate the prepayment of the Special Tax and the obligation of such Assessor's Parcel satisfied.

Notwithstanding the foregoing, no prepayment will be allowed unless the Maximum Special Tax that may be levied on Taxable Property both prior to and after the proposed prepayment is (i) at least 1.1 times the annual Debt Service on all Outstanding CFD No. 2025-1 Bonds in each future Fiscal Year, and (ii) at least 1.0 times the annual Debt Service on all Outstanding CFD No. 2025-1 Bonds plus annual Administrative Expenses in each future Fiscal Year, as reasonably estimated by the CFD Administrator.

2. Prepayment in Part

The Special Tax may be partially prepaid, provided that a partial prepayment may be made only after all authorized CFD No. 2025-1 Bonds have been issued and only for Assessor's Parcels of Developed Property, Final Map Property, Taxable Public Property and Undeveloped Property for which a Building Permit has been issued and only if there are no delinquent Annual Special Taxes with respect to such Assessor's Parcel at the time of partial prepayment. The amount of the prepayment shall be calculated as in Section I.1; except that a partial prepayment shall be calculated by the CFD Administrator according to the following formula:

$$PP = P_E \times F.$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Special Tax Prepayment Amount calculated according to Section I.1

F = the percentage of the Special Tax Prepayment Amount calculated according to Section I.1 to be prepaid

The Special Tax partial prepayment amount must be sufficient to redeem at least a \$5,000 increment of Bonds.

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of such owner's intent to partially prepay the Special Tax and the percentage by which the Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within 45 days of the request and may charge a fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the CFD Administrator shall (i) distribute the prepayment funds remitted according to Section I.1, and (ii) indicate in the records of CFD No. 2025-1 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage $(1.00 - F)$ of the remaining Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

J TERM

The Special Tax shall be levied and collected as needed to fund the Annual Special Tax Requirement for up to 45 years from the initial levy of the Special Tax. In any event no Special Tax shall be levied for CFD No. 2025-1 after the 2069/70 Fiscal Year, except that a Special Tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years.
