Hi Cara -

I am preparing the Committees and Commissions Board Appointments and I would like to add the Building Appeals Board appointments if you have some applicants. Did you receive any applications for the Construction Consultant? If so, you could forward those to me and I will add them to the agenda item. Also, I need to know if you would like to reappoint Neil Moore and Kathye Russell. If so, then send me an email back and I will add them to the agenda item.

If you have any questions, please feel free to ask questions.

Thank you.

Cindy,

Please see the attached spreadsheet that reflects the revised EDSWAC roster effective 1/29/13. Changes are highlighted in yellow. Where members are not changing, just the term, only the term is highlighted. There are two member changes; one for the City of Pville and the other for El Dorado Disposal. The alternate for the City of SLT remains vacant. The City has elected not to appoint an alternate. You may also notice that Bill McClusky is not on the roster and no new member has been recommended. This is due to the fact that District 4 has (had) two members for many years, which is a legacy from a time when the County was not able to fill all the seats available. We've been waiting to rectify this issue through attrition. Bill decided not to stay on the committee. Since District 4 already has an appointee, Nancy Spinella, no additional appointee is necessary. Please let me know if you have any questions.

Thanks,

Greg

Rural Counties' Environmental Joint Powers Authority (ESJPA)

The Rural Counties' Environmental Services Joint Powers Authority (ESJPA) was created in 1993 to help meet new challenging and costly State and Federal mandates regulating local solid waste management. The ESJPA works on behalf of its 22 member counties and assists counties in their efforts to comply with State and Federal environmental requirements. The ESJPA Board of Directors, composed of a county Supervisor from each member county and county technical staff, provides direction and expertise needed in this critical area.

State law currently requires local Government to develop programs to achieve a 50% waste diversion rate or face the possibilities of fines. Rural counties generally face higher compliance costs associated with waste management programs than do most urban counties. Collection costs are high because of low population density and the high cost of transportation to disposal sites and recycling markets. Recognizing the challenges facing rural counties, the ESJPA was successful in supporting legislation that gives the California Resources Recycling and Recovery Department the authority to reduce the 50% waste diversion rate mandate on rural counties, as well as other legislative and many of the regulatory processes affecting rural solid waste programs.

With the passage of AB 341 (Chesbro) in 2011, the new statewide goal of a 75% recycling rate will most likely result in additional mandatory programs in the future. The ESJPA will aggressively participate in the legislative and regulatory processes to minimize the impacts to rural solid waste programs.

In addition to the active regulatory and legislative advocacy and technical expertise the ESJPA staff provides, the ESJPA Board meetings offer the opportunity to have state regulatory staff and industry leaders give presentations on current issues. County staff is able to personally meet, ask questions, and share the rural county perspective with regulators and other experts in the field. These Board meetings also provide a forum for county solid waste managers to share ideas and work collectively to solve common problems.

Additionally, the ESJPA has applied for and been awarded grant funding from various state and federal agencies to implement and develop local solid waste management programs in participating member counties. These grant programs have funded household hazardous waste collection activities, used oil collection programs, recycling infrastructure, waste tire amnesty days, special waste training programs, and a wide range of community outreach campaigns.

Ray Nutting
Supervisor District II
El Dorado County Government Center
330 Fair Lane
Placerville, CA 95667

Dear Supervisor Nutting:

Thank you for the opportunity to serve on the El Dorado County Fish and Game Commission representing District II. My four year term will terminate at the end of 2012. I am no longer eligible to serve as the District II Commissioner as a result of district boundary changes. (Chapter 2.45 Fish and Game Commission -*Each member shall be a resident of the supervisorial district which he represents on the committee.*)

Even if my term could be extended, because I already participate on various other committees, professional organizations and forums, I would respectfully decline a second term. I consider it a privilege to give time in support of one's community. Thanks again for your confidence in me.

Sincerely,

A handwritten signature in cursive script that reads "Richard C. Platt".

Hi Cindy--

I just realized that there are several members of the IHSS Advisory Committee up for re-appointment this month. They are as follows:

Roger Lanzini
Lyle Azevedo
Carol Keates
Dorrie Carlisle

I have a copy of Lyle Azevedo's original application which I can forward to you.

Roger Lanzini and Carol Keates were originally appointed on 6/5/07, Board Item #50 07-853.,

Dorrie Carlisle was originally appointed on 7/17/07, Board Item #62 07-1178.

I do not have copies of the original applications for Roger, Carol, and Dorrie. What documentation will you need me to provide?

RE: CRAIG THERKILDSEN'S APPOINTMENT TO MENTAL HEALTH COMMISSION

Dear Supervisors:

Craig Therkildsen expressed an interest in our county Mental Health Commission and began attending monthly commission meetings in September 2012. He attended three consecutive meetings and was unanimously approved for membership by the commission on November 28, 2012. At that meeting Mr. Therkildsen spoke regarding his intent to work with the commission on mental health issues within El Dorado County. Additionally, he shared with the commission his understanding of how mental health concerns and problems impact individuals and families in our county. We are fortunate to have his law enforcement perspective of mental health, his having worked in the Sheriff's Office for many years, as well as having charge of the jail.

It is our belief Craig Therkildsen will be an excellent addition to the commission.

RE: JIM ABRAM'S APPOINTMENT TO MENTAL HEALTH COMMISSION

Dear Supervisors:

Jim Abram was very interested in mental health issues in our county. He is a very strong family member, is a NAMI member and completed NAMI's Family-to-Family course. This past year Jim was an important part of putting on NAMI's yearly Client Picnic. As Jim stated on his application, he is the parent of a mental health outpatient, and has spent much time visiting his adult child in the PHF and dealing with Mental Health Outpatient Services staff. Jim is a teacher of special needs children and his education stressed psychology. In the 1970's he also worked at Stockton State Mental Hospital on a lock down unit.

Jim attended numerous Commission meetings before being unanimously approved for Commission inclusion on 4-25-12. We planned to vote on Jim, but were unable to do so during the February and March meetings as we did not have a quorum present.

Throughout 2012 Jim has proved to be an exemplary commissioner and it is our belief he will continue to be so.

Hi Cindy

Thank you for verifying the expiration dates for the terms of our Board Members from El Dorado County.

Since Kathie Pacileo Jenkins' term expired 1/1/2012, please extend her term another three years. She is still very active on our Board.

Also, our Board recently approved to meet bi-monthly, instead of monthly. Please make a note of this for our next vacancy notice.

Per your request, I'm attaching a copy of our Bylaws. Thank you for your help Cindy.
