BOARD OF SUPERVISORS  
EL DORADO COUNTY

**RE: Support of Continuance for Greenwood Hills Development Project**

Dear Chairwoman Santiago,

**The Sacramento Regional Builders Exchange urges the El Dorado Board of Supervisors to support the allowance of a 120 day continuance of the Greenwood Hills development project.**

The Greenwood Hills development project is awaiting authorization for an Environmental Impact Report (EIR) to begin, and have requested a 120 day continuance period as to allow for expanded community, business and board outreach. The applicant would also like to hold a Board workshop at the end of the 120 days. We believe this request should be granted, as to allow time for adequate outreach.

While we believe that this project should ultimately be granted an EIR, by simply allowing additional time for outreach, it can only produce a product which is more acceptable to the people of El Dorado County.

Sincerely,

Matt Hedges  
Director of Public Affairs  
Sacramento Regional Builders Exchange
