**RE: SUPPORT THE EL DORADO HILLS TOWN CENTER APARTMENTS PROJECT**

I would like to voice my support for your approving the proposed El Dorado Hills Town Center Apartments, on Town Center Boulevard, across from Sellands Market Café.

I ask that you approve this project because *(check any and all statements you agree with)*:

- Town Center needs housing to help support and grow our local small businesses.
- The El Dorado Hills and the El Dorado County Chambers of Commerce support the project.
- The empty patch of dirt is an eyesore right now. I'd like to see a beautiful building there.
- Residents will be able to walk and/or bike to restaurants, coffee shops, stores, and the movie theater – instead of having to drive their cars and add to the traffic on our roads.
- The El Dorado Transit commuter bus stop is one block from the area, so residents will be able to use public transit to go to and from work in Sacramento.
- Housing in Town Center will help preserve other rural communities and protect open spaces, like our forests and rolling hills, throughout the El Dorado County.

I would also like to add: \_\_\_\_\_

I would appreciate you taking my support into consideration when you vote on the El Dorado Hills Town Center Luxury Apartments.

Thank you.

**RE: SUPPORT THE EL DORADO HILLS TOWN CENTER APARTMENTS PROJECT**

I would like to voice my support for your approving the proposed El Dorado Hills Town Center Apartments, on Town Center Boulevard, across from Sellands Market Café.

I ask that you approve this project because *(check any and all statements you agree with)*:

- Town Center needs housing to help support and grow our local small businesses.
- The El Dorado Hills and the El Dorado County Chambers of Commerce support the project.
- The empty patch of dirt is an eyesore right now. I'd like to see a beautiful building there.
- Residents will be able to walk and/or bike to restaurants, coffee shops, stores, and the movie theater – instead of having to drive their cars and add to the traffic on our roads.
- The El Dorado Transit commuter bus stop is one block from the area, so residents will be able to use public transit to go to and from work in Sacramento.
- Housing in Town Center will help preserve other rural communities and protect open spaces, like our forests and rolling hills, throughout the El Dorado County.

- The El Dorado Transit commuter bus stop is one block from the area, so residents will be able to use public transit to go to and from work in Sacramento.
- Housing in Town Center will help preserve other rural communities and protect open spaces, like our forests and rolling hills, throughout the El Dorado County.

I would also like to add: You will definitely need to consider the costs of an apartment complex in this particular lot versus someplace else.

I would appreciate you taking my support into consideration when you vote on the El Dorado Hills Town Center Luxury Apartments.

Thank you.

I would like to voice my support for your approving the proposed El Dorado Hills Town Center Apartments, on Town Center Boulevard, across from Sellands Market Café.

I ask that you approve this project because *(check any and all statements you agree with)*:

- Town Center needs housing to help support and grow our local small businesses.
- The El Dorado Hills and the El Dorado County Chambers of Commerce support the project.
- The empty patch of dirt is an eyesore right now. I'd like to see a beautiful building there.
- Residents will be able to walk and/or bike to restaurants, coffee shops, stores, and the movie theater – instead of having to drive their cars and add to the traffic on our roads.

**RE: SUPPORT THE EL DORADO HILLS TOWN CENTER APARTMENTS PROJECT**

I would like to voice my support for your approving the proposed El Dorado Hills Town Center Apartments, on Town Center Boulevard, across from Sellands Market Café.

I ask that you approve this project because *(check any and all statements you agree with)*:

- Town Center needs housing to help support and grow our local small businesses.
- The El Dorado Hills and the El Dorado County Chambers of Commerce support the project.
- The empty patch of dirt is an eyesore right now. I'd like to see a beautiful building there.
- Residents will be able to walk and/or bike to restaurants, coffee shops, stores, and the movie theater – instead of having to drive their cars and add to the traffic on our roads.
- The El Dorado Transit commuter bus stop is one block from the area, so residents will be able to use public transit to go to and from work in Sacramento.
- Housing in Town Center will help preserve other rural communities and protect open spaces, like our forests and rolling hills, throughout the El Dorado County.

I would also like to add: \_\_\_\_\_

I would appreciate you taking my support into consideration when you vote on the El Dorado Hills Town Center Luxury Apartments.

Thank you.

- Town Center needs housing to help support and grow our local small businesses.
- The El Dorado Hills and the El Dorado County Chambers of Commerce support the project.
- The empty patch of dirt is an eyesore right now. I'd like to see a beautiful building there.
- Residents will be able to walk and/or bike to restaurants, coffee shops, stores, and the movie theater – instead of having to drive their cars and add to the traffic on our roads.
- The El Dorado Transit commuter bus stop is one block from the area, so residents will be able to use public transit to go to and from work in Sacramento.
- Housing in Town Center will help preserve other rural communities and protect open spaces, like our forests and rolling hills, throughout the El Dorado County.

**RE: SUPPORT FOR THE EL DORADO HILLS TOWN CENTER LUXURY APARTMENTS PROJECT**

I am writing to voice my STRONG SUPPORT for your approving the El Dorado Hills Town Center Luxury Apartments in the vacant piece of property in Town Center across from Selland's Café. **Please do not be swayed by the naysayers.**

El Dorado Hills needs this type of new and unique housing to attract young professionals and empty-nesters – individuals with disposable income – to keep business *surviving and thriving* in our beautiful Town Center.

These will be high-end apartments, catering to individuals who will leave their car at home on the evenings and weekends, in favor of walking to coffee shops, shopping, entertainment, dining and other activities. There is no other place in all of El Dorado County that this type of housing could or would ever exist – which makes this new multifamily project desirable and unique.

Our local businesses support the proposed El Dorado Hills Town Center Luxury Apartments. Our residents (except the NIMBY's) believe it will be a special place to live – much better than the current fenced piece of dirt that currently surrounds Town Center.

Please take my support into consideration when you vote on this important project.

Thank you,

**SUBJECT: PLEASE SUPPORT THE EL DORADO HILLS TOWN CENTER APARTMENTS PROJECT**

I understand that you will be voting soon on whether to build the proposed El Dorado Hills Town Center Apartments. PLEASE REGISTER MY SUPPORT FOR THIS PROJECT.

I am a local business owner and am very concerned (as are so many other local and small business owners) about the long-term economic viability of the Town Center. We need businesses to THRIVE, not just SURVIVE in the Town Center.

For all of us to THRIVE, we need people to frequent our businesses – every day of the week, not just on weekends.

Please keep an open mind and know that this project differs from every other project of its kind – in the following ways that matter:

- These are luxury apartments, with a world class pool, fitness center, electric car plug-ins, a community room, pet stations and much more. They will attract business professionals and retired citizens who were once business professionals.
- Their walkability makes these apartments unique. People will flock to live here – because they can don their cars in favor of walking and biking nearly everywhere.
- The complex is one block away from El Dorado Transit's commuter bus stop. Residents who live here can RIDE THE BUS TO WORK into Sacramento daily.

Our community needs this kind of stimulus. **Please vote YES to approve this project.** Thank you.

**I SUPPORT THE EL DORADO HILLS TOWN CENTER APARTMENTS PROJECT!**

I would like to go on record as SUPPORTING the proposed El Dorado Hills Town Center Luxury Apartments. Thank you for allowing me to tell you why.

If you approve this project, Christmas will come early for our local and small businesses in the Town Center. We will have around 300 new and permanent residents who will frequent our stores and restaurants – not just on the weekend when the Town Center is bustling, but every day of the week.

Our businesses need the professionals, state workers and the retired professionals who will be attracted to this unique apartment complex, which will provide the utmost in living amenities and give its residents the ability to enjoy their time off by walking and biking to nearly every place imaginable. It will even have electric plug-ins for energy-efficient cars, in addition to being pet friendly!

It's this kind of "out of the box" thinking that makes El Dorado County and its residents so special. Please be that kind of leader – who looks beyond the naysayers and works toward a goal we can all benefit from.

Thank you, in advance, for listening to my opinions. Please support this project – IT WILL BE GOOD FOR EL DORADO HILLS.

**SUBJECT: PLEASE SUPPORT THE EL DORADO HILLS TOWN CENTER APARTMENTS PROJECT**

I understand that you will be voting soon on whether to build the proposed El Dorado Hills Town Center Apartments. PLEASE REGISTER MY SUPPORT FOR THIS PROJECT.

I am a local business owner and am very concerned (as are so many other local and small business owners) about the long-term economic viability of the Town Center. We need businesses to THRIVE, not just SURVIVE in the Town Center.

For all of us to THRIVE, we need people to frequent our businesses – every day of the week, not just on weekends.

Please keep an open mind and know that this project differs from every other project of its kind – in the following ways that matter:

- These are luxury apartments, with a world class pool, fitness center, electric car plug-ins, a community room, pet stations and much more. They will attract business professionals and retired citizens who were once business professionals.
- Their walkability makes these apartments unique. People will flock to live here – because they can don their cars in favor of walking and biking nearly everywhere.
- The complex is one block away from El Dorado Transit's commuter bus stop. Residents who live here can RIDE THE BUS TO WORK into Sacramento daily.

Our community needs this kind of stimulus. **Please vote YES to approve this project.** Thank you.

Sincerely,

Lourdes Edralin

**RE: SUPPORT FOR THE EL DORADO HILLS TOWN CENTER LUXURY APARTMENTS PROJECT**

I am writing to voice my **STRONG SUPPORT** for your approving the El Dorado Hills Town Center Luxury Apartments in the vacant piece of property in Town Center across from Selland's Café. Please do not be swayed by the naysayers.

El Dorado Hills needs this type of new and unique housing to attract young professionals and empty-nesters – individuals with disposable income – to keep business **surviving and thriving** in our beautiful Town Center.

These will be high-end apartments, catering to individuals who will leave their car at home on the evenings and weekends, in favor of walking to coffee shops, shopping, entertainment, dining and other activities. There is no other place in all of El Dorado County that this type of housing could or would ever exist – which makes this new multifamily project desirable and unique.

Our local businesses support the proposed El Dorado Hills Town Center Luxury Apartments. Our residents (except the NIMBY's) believe it will be a special place to live – much better than the current fenced piece of dirt that currently surrounds Town Center.

Please take my support into consideration when you vote on this important project.

Thank you,
