

# El Dorado County District Three Supervisor

## *Certificate of Recognition*

Awarded to

**Bob Smart**

### Bob Smart Honorary Bridge Trail

A tireless advocate for bicycling and walking in El Dorado County, Mr. Smart had a vision for a trail connection along US 50 across the Weber Creek Canyon. His advocacy led to the Board of Supervisor's decision to include the trail as part of the Missouri Flat Road, US Highway 50 Interchange Project. Mr. Smart worked with local partners to secure funding for the trail through the American Recovery and Reinvestment Act of 2009. Mr. Smart's vision for a well-connected, walkable, and bikeable El Dorado County is celebrated here and throughout El Dorado County.

These words appear on a plaque that will be mounted at the project site as an example to all residents that getting involved can get things done. With great appreciation, we recognize Bob Smart.

---

Brian K. Veerkamp, Supervisor District Three
