Dear Sherril,

In our discussions regarding your renewal contract we left out the Medicare language and rates. We will be amending our contract to reflect the Medicare language which will also include the renewal Medicare rate of \$47.48 effective 8/1/07 – 6/30/07. The renewal contract year will remain 7/1/07 – 6/30/07.

We will also amend our contact to reflect the loss attachment point which changed to \$175,000.

Please let me know if you have any questions.
