Elizabeth Blakemore, Coordinator
Child Abuse Prevention Council
6767 Green Valley Road
Placerville, CA 95667

Dear Elizabeth and Council Members,

Due to my resignation at Live Violence Free and an unknown workload in my new position, I regretfully have to resign from the Child Abuse Prevention Council effective April 13, 2012. I have enjoyed my time on the Council and have seen a lot of progress from the group during my time as a member. I look forward to participating in CAPC events and seeing you again in the future. Best of luck to each of you individually, and as an entire group. Take care.

Sincerely,

Leanne Wagoner
