Summary of qualifications

I have a Bachelor of Arts in from University of California, Santa Cruz, and I graduated from University of California, Davis King Hall School of Law in 2017, and have practiced law since 2017. My focus is generally land use, natural resource and environmental law.

Resume or CV available upon request.

---

**Affiliations with professional and/or community groups**

CalCIMA, Member. National Stone, Sand, and Gravel Association,  
Member. State Bar of California, Environmental Law Section.

I am affiliated with, although not appointed to, the Coloma Lotus  
Advisory Commission where I participate regularly, and  
specifically the River Management Plan Ad Hoc Committee.

---

**Why do you seek appointment?**

I am a long time resident, who is looking to participate more in  
matters of local importance. As an attorney, I also highly value  
resources like the law library, and the opportunities that they  
provide to residents and local professionals alike. Being part of  
this Board would allow me to both participate in local matters, but  
also interact with other local professionals. I would be honored to  
be a part of the Board of Trustees.
