RE: September 30, 2014, Agenda, Item #28, Kittelson & Associates

Dear Board Members:

I oppose this \$599,205 consulting contract as it is currently written. I believe that much of this work can be done by County staff. Further, although CDA issued an RFP for these services Kittelson was the only firm that submitted a proposal.

I believe that the \$120,000 change ordered authority that the CDA staff is requesting is too large. If CDA believes that it is appropriate to pay Kettelson an extra \$120,000, CDA can come back to your Board and

explain why the additional money is needed.

I believe that all of the proposed public outreach services called for in this contract should be conducted by County staff. Your Board and the CDA staff needs to meet with the public regarding our TIM Fee program. Further, we don't need to pay an out of County consultant to post TIM Fee program updates on Facebook and other social media sites.

If you have any questions, please contact me.

Sincerely,

Joe Harn
