THIS AGREEMENT made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Jill Gustafson, LCSW, an individual, duly qualified to conduct business in the State of California, whose principal place of business is 493 Main Street, Suite D, Diamond Springs, CA 95619, (hereinafter referred to as "Contractor") (collectively hereinafter referred to as the "Parties");

RECITALS

WHEREAS, County has determined that it is necessary to obtain a Contractor to provide individual/family therapeutic counseling services and therapeutic visitation services on an "as requested" basis for clients referred by the County of El Dorado Health and Human Services Agency; and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert, and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the Parties hereto that such services be in conformity with all applicable Federal, State (all references to "State" in this Agreement shall mean the State of California unless otherwise specified), and local laws; and

WHEREAS, County has determined that the provisions of these services provided by Contractor is in the public's best interest and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by the County of El Dorado Charter, Section 210(b)(6) and/or Government Code 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor shall provide personnel and services necessary to provide single or multiple units or sessions of therapeutic counseling services, therapeutic visitation services or other requested services ("service") on an "as requested" basis to clients ("Client") referred by County's Health and Human Services Agency ("HHS"). Services shall only be provided following approval via signed, written authorization ("Authorization") by HHS. Multiple units of service ("Multiple Units") shall be defined as one or more units of same or similar service(s) provided to Client(s) on a single day, as more fully defined under ARTICLE III – Compensation for Services.

Whenever possible, services shall be provided by a currently Licensed Clinical Social Worker ("LCSW") or currently licensed Marriage and Family Therapist ("MFT") whose license has been issued and is regulated by the California Department of Consumer Affairs Board of Behavioral Sciences ("BBS"). Said license must be considered clear, i.e., license renewal fees have been paid, continuing education requirements (if applicable) have been met, and there have been no actions or revocations placed against it by the BBS. The BBS does not have reciprocity with any other state licensing board. Therefore, any LCSW or MFT who is providing HHS approved services to a Client who is receiving services outside California must have a current, clear license issued and regulated by the appropriate certifying agency for the state they are practicing in.

If any service is delegated to an intern, the intern must be pre-licensed by the appropriate certifying state agency and all service assignments must be under the direct supervision of a currently licensed LCSW or MFT as described above. No intern shall be the sole author of any written initial visit report or any other report that pertains to Client or Client's treatment plan. All Client related documents must be reviewed, approved, and signed by said LCSW or MFT.

Contractor shall immediately and verbally inform appropriate staff, at no charge to County, of Client appointment no-shows, cancellations, or any other urgent concerns directly affecting Client or Client's treatment plan.

County shall not pay for any services that have not been pre-approved by HHS via an Authorization, incomplete services, "no shows," cancellations, telephone calls or for the preparation of initial visit reports or bimonthly Client progress reports.

Initial Visit Report - Within twenty-one calendar (21) days of Client's initial visit, Contractor shall provide Caseworker, at no charge to County, with a written initial visit report that shall detail Contractor's professional evaluation of Client's needs including the recommended type of therapy to be utilized, the recommended number/frequency of sessions and whether or not additional or different services may be required or recommended. Once recommended services have been pre-approved via an Authorization by HHS and services have been initiated by Contractor, Contractor may not make any alterations without first securing a revised Authorization from the appropriate HHS staff.

Bimonthly Client Progress Reports - Contractor shall provide appropriate staff, at no charge to County, with a brief written progress report that outlines the primary issues being addressed with each Client, their progress to date and ongoing treatment goals (see Exhibit "A", marked

“Bimonthly Client Progress Report,” incorporated herein and made by reference a part hereof) no later than (30) days after the end of each Client’s second service month. A “service month” shall be defined as a calendar month during which Contractor provides Client services in accordance with “Scope of Services.” If an alternate progress report is used, all fields noted on Exhibit “A” are mandatory.

Court Documents – Upon request, and within the time limit specified by County, Contractor shall provide appropriate staff with comprehensive written reports for County’s use in court. Contractor shall be compensated for the report(s) at the DMC rate for Program Code 20 (Regular DMC) individual counseling session rate with a maximum limit of a two (2) session rates charged per report. The written initial visit report is specifically excluded from the court documents reimbursement rate, as this service shall be provided at no charge to County and as further defined under “Initial Visit Report”, above.

The above written reports are a required deliverable of this Agreement and Contractor’s failure to provide them to HHSa within the time limits described shall result in payment being withheld until the written reports have been received. Contractor shall submit said written reports to the appropriate staff as follows:

3. Perinatal services are not included in this Agreement unless explicitly addressed under "Scope of Services" or as otherwise pre-approved via an Authorization by a member of HHSA Executive Management prior to the commencement of perinatal services;
4. HHSA Executive Management reserves the right to review and approve for reimbursement, on a case-by-case basis, all service(s) provided by Contractor to HHSA Client(s), including but not limited to services not explicitly addressed under "Scope of Services" or "Compensation";
5. No service shall commence without an Authorization;
6. Contractor shall not be compensated for services provided to a Client outside the authorized service dates identified on the Authorization;
7. A copy of the Authorization from HHSA shall be included with the invoice containing the service it pertains to and both documents shall be submitted to HHSA at the address indicated in the Article entitled "Compensation for Services." Failure to submit a copy of the Authorization from HHSA with Contractor's invoice may result in payment being withheld until the Authorization is submitted.

ARTICLE II

ARTICLE III

Compensation for Services: Prior to the commencement of any HHSA authorized service(s), Contractor shall determine the category that Client falls under as set forth in the chart listed below:

Uninsured Clients	For Clients without health insurance coverage, Contractor shall bill County for authorized service(s) provided in accordance with the rates set forth below. Contractor shall not charge <u>any</u> amount whatsoever to Clients who do not have health insurance.

	Client or County for any difference between their “regular” fee and what they receive from Medi-Cal for services rendered, any co-pay(s), any deductible, or any other amount(s).
Medi-Cal Clients with “share of costs”	Contractors who are Medi-Cal providers shall bill Medi-Cal for authorized service(s) provided and shall bill County for Client’s share of costs, up to the rate amount set forth in this Agreement. Contractor shall <u>not</u> bill Client or County for any additional costs, including but not limited to the difference between their “regular” fee and what they receive from Medi-Cal for services rendered, any co-pay(s), any deductible(s), or any other amount(s).

If Client’s private health insurance company does not cover the ordered service(s), Contractor shall follow the above procedures for Uninsured Clients.

After determining the proper insurance category Client falls under, and unless as otherwise defined in this Agreement, provided services shall be billed using the County standardized rate structure, which shall use the most current California Drug Medi-Cal (“DMC”) Alcohol and Drug Services Program “Regular DMC” and “Perinatal DMC” rates (collectively “DMC rates”) as its benchmark and as set forth in the chart listed below. Furthermore, for the purposes of this Agreement:

1. ARTICLE IV

Mandated Reporter Requirements: Contractor acknowledges and agrees to comply with mandated reporter requirements pursuant to the provisions of Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the California Penal Code, also known as The Child Abuse and Neglect Reporting Act and the Welfare and Institutions Code 15630 et seq. related to elder and dependent adults, as applicable.

ARTICLE V

Fingerprinting. Pursuant to California Penal Code §11105.3(a), "Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of §15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care." Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who,

while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor's sole expense. More specifically, Contractor agrees that:

1. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor's sole expense.
2. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor's employees, subcontractors, assignees or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.
3. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether or not the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

ARTICLE XI

Accounting Systems and Financial Records: Contractor shall be required to establish and maintain accounting systems and financial records that accurately account for and reflect all federal funds received, including all matching funds from the State, County and any other local or private organizations. Contractor's records shall reflect the expenditure and accounting of said funds in accordance with all State laws and procedures for expending and accounting for all funds and receivables, as well as meet the financial management standards in 45 Code of Federal Regulations (CFR), Part 92 and all current revisions of OMB Circular A-122. More particularly, Contractors are responsible for complying with OMB Circular A-122 and 45 CFR Part 92, and the allowability of the costs covered therein. Contractor must obtain written approval from a member of the HHS Executive Management prior to the expenditure of any "special" or unusual costs in order to avoid possible disallowances or disputes based on any potential unreasonableness or unallowability of expenditures as detailed under the specific cost principles of OMB Circular A-122. In order to obtain the most current regulations, the user

should consult not only the latest version of the CFR, but also the List of (CFR) Sections Affected (LSA) issued in the current month. The *Federal Register* home page (<http://www.gpoaccess.gov/nara/index.html>) offers links to both the *Federal Register* and the CFR. An electronic CFR (e-CFR) is available at <http://www.gpoaccess.gov/ecfr/>. The e-CFR is an unofficial editorial compilation of CFR material and *Federal Register* amendments. It is a current, daily updated version of the CFR; however, it is not an official legal edition of the CFR. Please note that on-line versions of the CFR may not be the most current available.

Annual Audit: Pursuant to the Single Audit Act and the Office of Management and Budget (OMB) Circular A-133, any entity that receives a total of \$500,000 or more per year in federal funds for the purposes of carrying out federal programs must complete an annual audit. The funding threshold is aggregate funds from all sources. Contractor shall mail a certified copy of said completed annual audit to County's Health and Human Services Agency at the address listed in Agreement's "Notice to Parties" article within thirty (30) days of Contractor's receipt of same. All adverse audit findings must be documented and included with completed annual audit. Contractor shall abide by manuals, directives and other guidance issued by the State of California. All appropriate manuals and updates shall be available for review or reference by Contractor from County's Health and Human Services Agency.

Contractor further warrants that it has all necessary licenses, permits, notices, approvals, certificates, waivers and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, the State of California, the County of El Dorado and all other appropriate governmental agencies and shall maintain these throughout the term of the Agreement.

ARTICLE XV

Conflict of Interest: The Parties to this Agreement have read and are aware of the provisions of Government Code Section 1090 et seq. and Section 87100 relating to conflict of interest of public officers and employees. Contractor attests that it has no current business or financial relationship with any County employee(s) that would constitute a conflict of interest with provision of services under this contract and shall not enter into any such business or financial relationship with any such employee(s) during the term of this Agreement. County represents that it is unaware of any financial or economic interest of any public officer or employee of Contractor relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement either Party may immediately terminate this Agreement by giving written notice as detailed in the Article in the Agreement titled, "Default, Termination, and Cancellation."

ARTICLE XVI

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any Party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE XVII

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful, and workmanlike manner and shall be liable for its own negligence and

negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE XIX

Fiscal Considerations: The Parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, the County of El Dorado is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

No such notice shall be deemed a termination of this Agreement unless the Party giving notice so elects in this notice, or the Party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, El Dorado reserves the right to take over and complete the work by contract or by any other means.
