P&SVRR, 3/28/11 Meeting

Robert Morrison to: bosone

03/24/2011 03:38 PM

Mr. Ray Nutting & Mr. John Knight: Please do not permit removal of the rails in either El Dorado or Sacramento County to accomodate trails. The P&SVRR intend to make provisions for trails on any improvements that are made on the ROW. My understanding of the Iron Horse group operation is that they are not the most honorable.

Thank you for your consideration, Robert & Dolores Morrison, El Dorado Hills.

Keith Eide to: bosone

Hello John, I wanted to ask you to please consider voting FOR the "Shingle Springs Plan" when it comes up for vote on the 28th. I think the benefits this plan would bring to El Dorado county would be very positive and I would love to see it developed. My boys and I are avid mountain bike riders and I am a big fan of the old railroad.

Thank you,
Keith Eide
