Dear Ms. Leung:

This letter has been prepared by the County of El Dorado Health Services Department in collaboration with the California Superior Court of El Dorado to announce our intention to apply for the California Collaborative Justice Courts Project for Collaborative Justice Courts Substance Abuse Focus Grant for fiscal year (FY) 2010-11.

The County of El Dorado and California Superior Court of El Dorado have provided substance abuse services since 2001 through Administrative Office of the Court grants, and hope to continue this very successful program during FY 2010-11.

Sincerely,

Neda West, Director
Health Services Department
