RE: Revisions to draft Request for Proposals
INRMP Phase 2

Pursuant to Board direction on May 24, 2011, Planning Services staff met with the INRMP Stakeholders Advisory Committee (ISAC) on June 9, 2011 and the Plant and Wildlife Technical Advisory Committee (PAWTAC) on June 13, 2011 to review the draft RFP for Phase 2 of the INRMP. Both committees had constructive comments on the draft and edits were made to the recommended version. Each of the edits was made by consensus of the members present. The revised draft is attached to this memo along with draft minutes from the meetings.

Staff believes that the revised draft RFP is consistent with prior Board direction and the provisions of the General Plan. Staff, therefore, recommends that the Board:

1. Approve the Request for Proposals (RFP) for Phase 2 of the Integrated Natural Resources Management Plan (INRMP); and
2. Authorize the Purchasing Agent to advertise and release the Request for Proposals.
