AGREEMENT

JOINT USE AGREEMENT

THIS AGREEMENT, entered into this 28th day of August, 20 14, by and between PACIFIC GAS AND ELECTRIC COMPANY, hereinafter called "Company", and the County of El Dorado, hereinafter called "Agency",

WITNESSETH

WHEREAS, Company is the owner in possession of certain rights of way and easements, hereinafter referred to as "Company's easement", described as follows:

Deed dated March 20, 1967, recorded on May 1, 1967 in Book 830 at Page 101, County Records (LD 2110-10-0584); Deed dated January 17, 1967, recorded on June 27, 1967 in Book 836 at Page 315, County Records (LD 2110-10-0593); Deed dated

August 10, 1981, recorded on September 25, 1981 in Book 2017 at Page 76, County Records (LD 2110-10-1056); Deed dated May 15, 1928, recorded on May 24, 1928 in Book 109 at Page 76, County Records (LD 2110-10-0078); Relocation Agreement dated January 27, 2004, recorded on July 1, 2004 in Book 2004 at Page 53495, County Records (LD 2110-10-1345), and an unrecorded Joint Use Agreement by and between Pacific Gas and Electric Company, and The State of California, dated January 18, 1967 (LD 2110-10-0585).

and

WHEREAS, Agency owns Tracts 8, 12 and 13 as shown on the Record of Survey filed with the office of the El Dorado County Recorder in Book 31 of surveys at page 149; and the road right of way commonly known as Perks Court, and Missouri Flat Road in the vicinity of Missouri Flat Road and Perk's Court, in the unincorporated area of the County of El Dorado, hereinafter referred to as "Agency right of way", which said Agency right of way is subject to the Company's easement, and

WHEREAS, Company's facilities installed pursuant to Company's easement will interfere with the widening and realignment of said County roads, and Agency desires to eliminate such interference.

NOW, THEREFORE, Company and Agency hereby mutually agree as follows:

1. The location of Company's easement so far as it now lies within said Agency right of way is hereby changed to the strip of land within said Agency right of way, hereinafter referred to as "new location", described as follows:

See attached exhibits 'A' and 'B'

2. The facilities as described in Company's Easement are hereby changed to the following:

Such poles, aerial wires, cables, electrical conductors with associated crossarms, braces, transformers, anchors, guy wires and cables; and such underground conduits, pipes, manholes, service boxes, wires, cables, and electrical conductors; aboveground

marker posts, risers, and service pedestals; underground and aboveground switches, fuses, terminals, and transformers with associated concrete pads; and fixtures and appurtenances necessary to any and all thereof, as Grantee deems necessary for the distribution of electric energy and communication purposes; all to be located within the strip(s)/parcel(s) of land as described in Exhibits 'A' and 'B' attached.

3. Company does hereby surrender and quitclaim to Agency all of Company's right, title and interest under and by virtue of Company's easement in the old location within said Agency right of way and not included in said new location.

4. In the event that the future use of said highway shall at any time or times necessitate a rearrangement, relocation, reconstruction or removal of any of Owner's facilities then existing in said area of common use the Agency shall notify Owner in writing of such necessity and agree to reimburse Owner on demand for its costs incurred in complying with such notice. Owner will provide Agency with plans of its proposed rearrangement and an estimate of the cost thereof and, upon approval of such plans by Agency Owner will promptly proceed to effect such rearrangement, relocation, reconstruction or removal. Owner shall make adequate provisions for the protection of the traveling public. No further permit or permission from Agency for such rearrangement shall be required and if such rearrangement shall require relocation of any of Owner's facilities outside of said area of common use, Agency will (1) enter into the standard form of Joint Use Agreement covering the new location of Owner's easement within the highway right of way, (2) provide executed document(s) granting to Owner good and sufficient easement(s) outside of the highway right of way if necessary to replace Owner's easement or any part thereof, and (3) reimburse Owner for any costs it may be required to expend to acquire such easement, provided it is mutually agreed in writing that Owner shall acquire such easement.

5. Company hereby consents to the construction, reconstruction, maintenance or use by Agency of County road right of way and public utility purposes over, along and

upon Company's easement in the new location subject to Company's right and easement to use said new location for all of the purposes for which Company's easement was acquired and to the terms and conditions herein contained. Company does not by this agreement and shall not be deemed to subordinate its rights in the new location to any use which Agency shall make of said area.

6. Except as expressly set forth herein, this agreement shall not in any way alter, modify or terminate any provision of Company's easement or the priority thereof over the title of Agency in said new location. Both Agency and Company shall use said new location in such a manner as not to interfere unreasonably with the rights of the other. Nothing herein contained shall be construed as a release or waiver of any claim for compensation or damages which Company or Agency may now have or may hereafter acquire resulting from the construction of additional facilities or the alteration of existing facilities by either Agency or Company in such a manner as to cause an unreasonable interference with the use of said new location by the other party.

7. This agreement shall inure to the benefit of and be binding upon the successors and assigns of both parties.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed in duplicate by their respective officials thereunto duly authorized.
