El Dorado County Historical Society  
524 Main Street  
Placerville, CA 95667

*To: Board of Supervisors [Agenda Date: April 13, 2021]*

*21. Georgetown Historical Overlay: Establish a historical overlay for the unincorporated town of Georgetown. This project was added at the request of District IV Supervisor and endorsed by the Board on March 5, 2019. Project has been deferred until the Board approves funding for a consultant and staff resources.*

How many visitors to El Dorado County have passed through Georgetown and become entranced by the historical structures and stories on their main street? The businesses and community are proud of their history and the story behind the widened street, the struggles to survive fire and the elements.

El Dorado County Historical Society acknowledges the enthusiasm of Georgetown and their truly amazing history. We support the theme of protecting this heritage and history with the historical overlay project.

Thank you

Jill G. Kearney

President El Dorado County Historical Society

I don't see an item referring to the Historical Overlay - there is also an email regarding the noose in downtown Placerville.
