El Dorado County Procurement

El Dorado County Board Of Supervisors

RE: Bid #23-293-042

To all concerned;

I would like to add the following statement for bid consideration.

We are local and stock most of the culvert County DOT uses. Recently the current contract holder was unable to fill the requested orders from DOT and we were able to fill those orders from our local inventory. This allowed DOT to continue making storm damage repairs without delay.

We also have nearly weekly deliveries made from the manufacturer therefore we are able to quickly procure what we don't have in stock.

Our history with El Dorado County DOT speaks for itself.

Respectfully submitted,

Blain Stumpf
